

## Leyenda para: project

- project
- BLUEPRINT
  - CEEHRC
  - DEEP

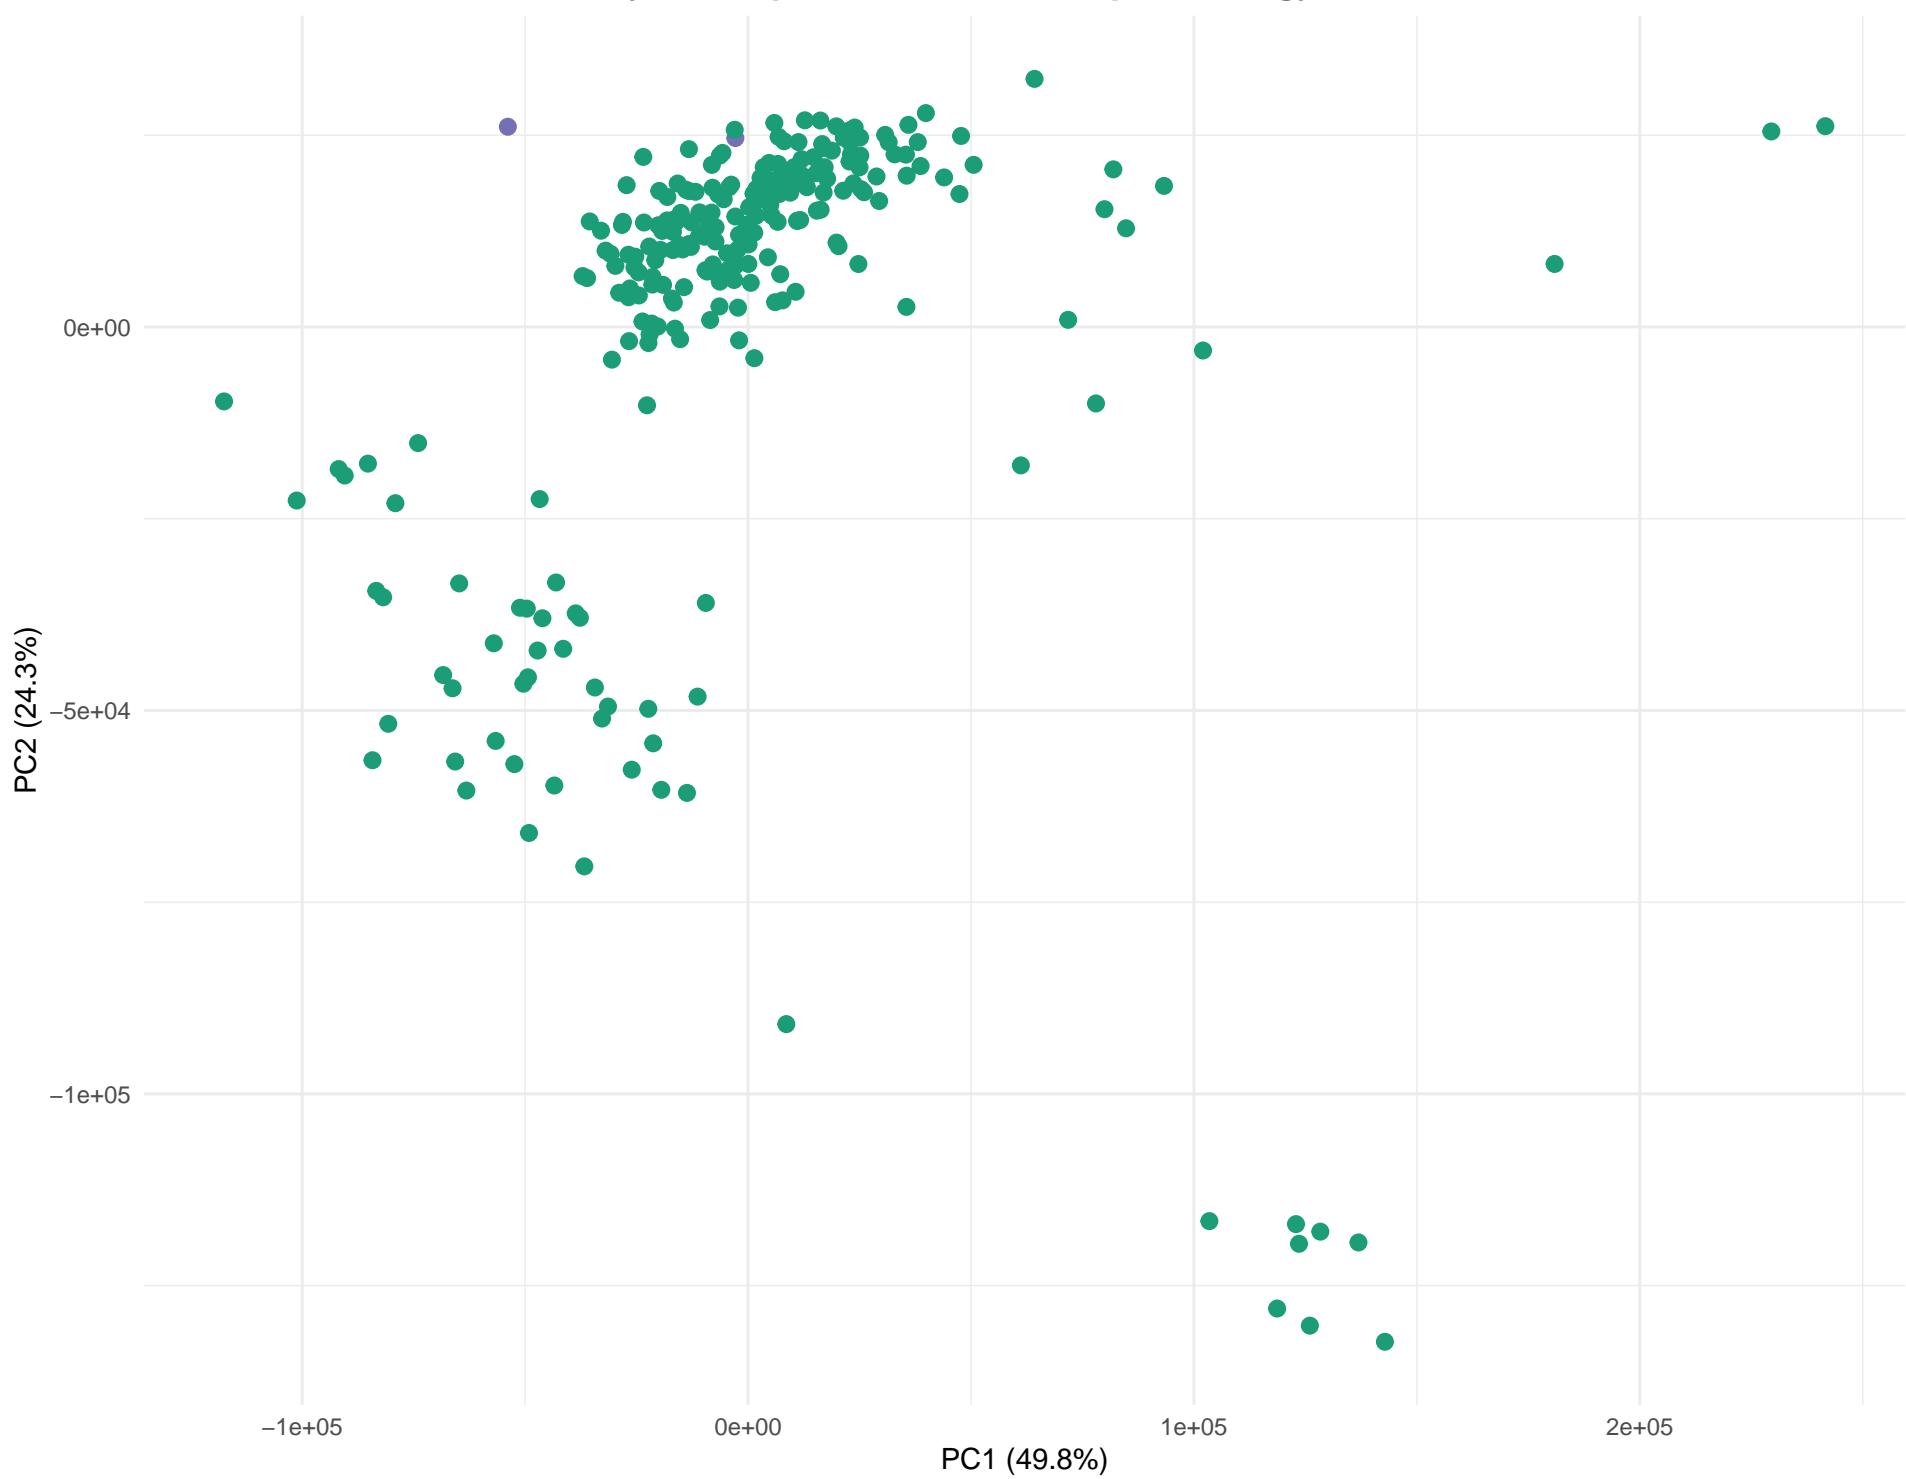

# Monocyte PCA por project

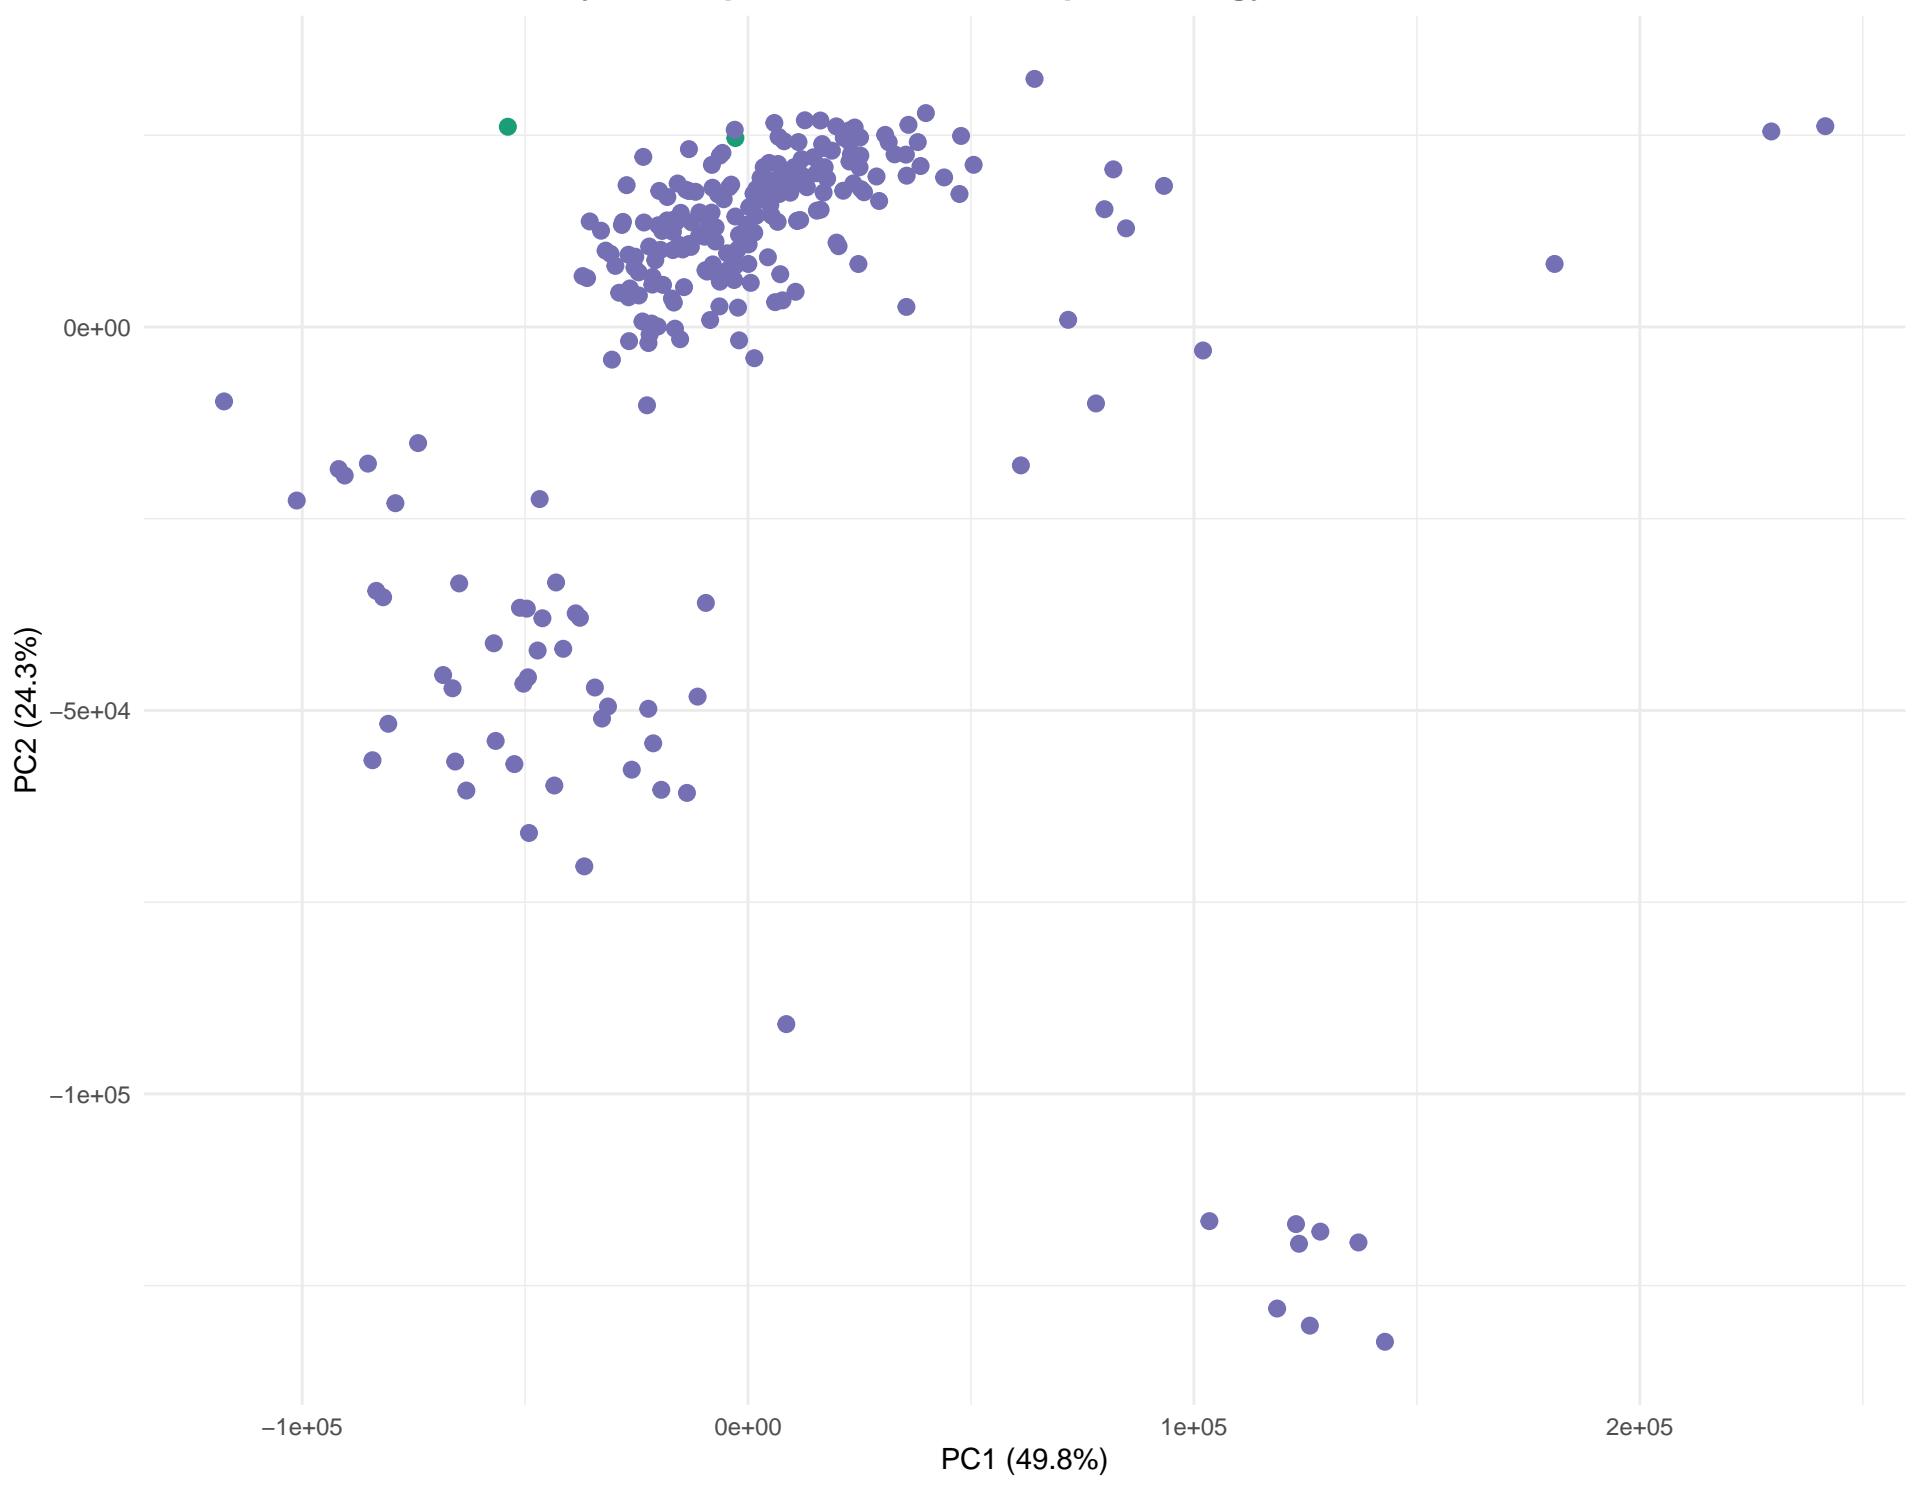

# Monocyte PCA por harmonized biomaterial type

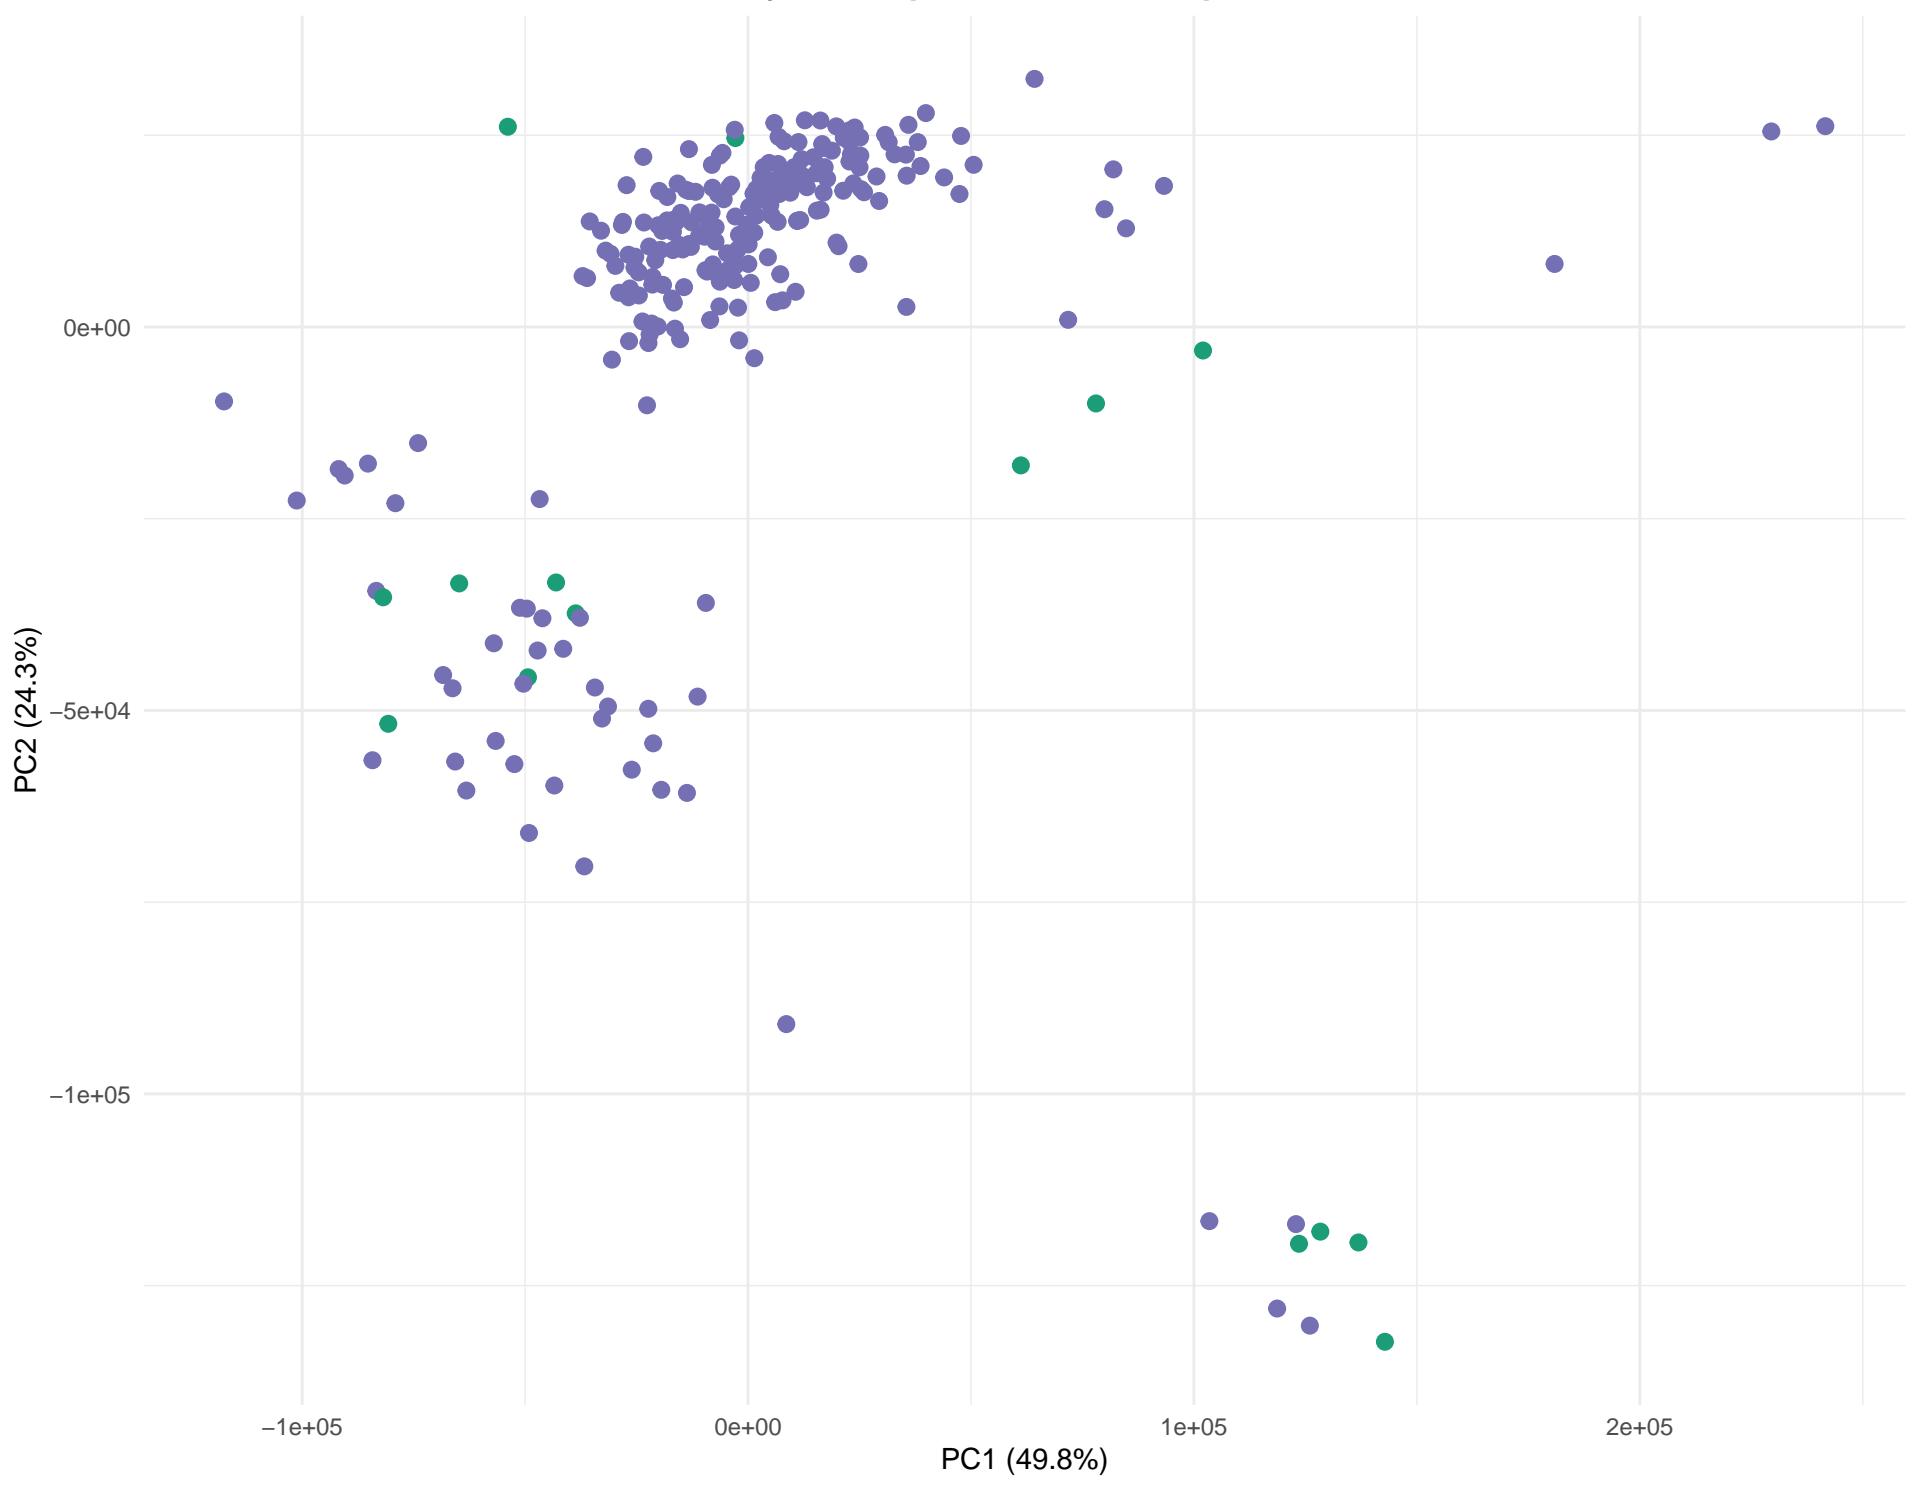

# Monocyte PCA por harmonized sample ontology intermediate

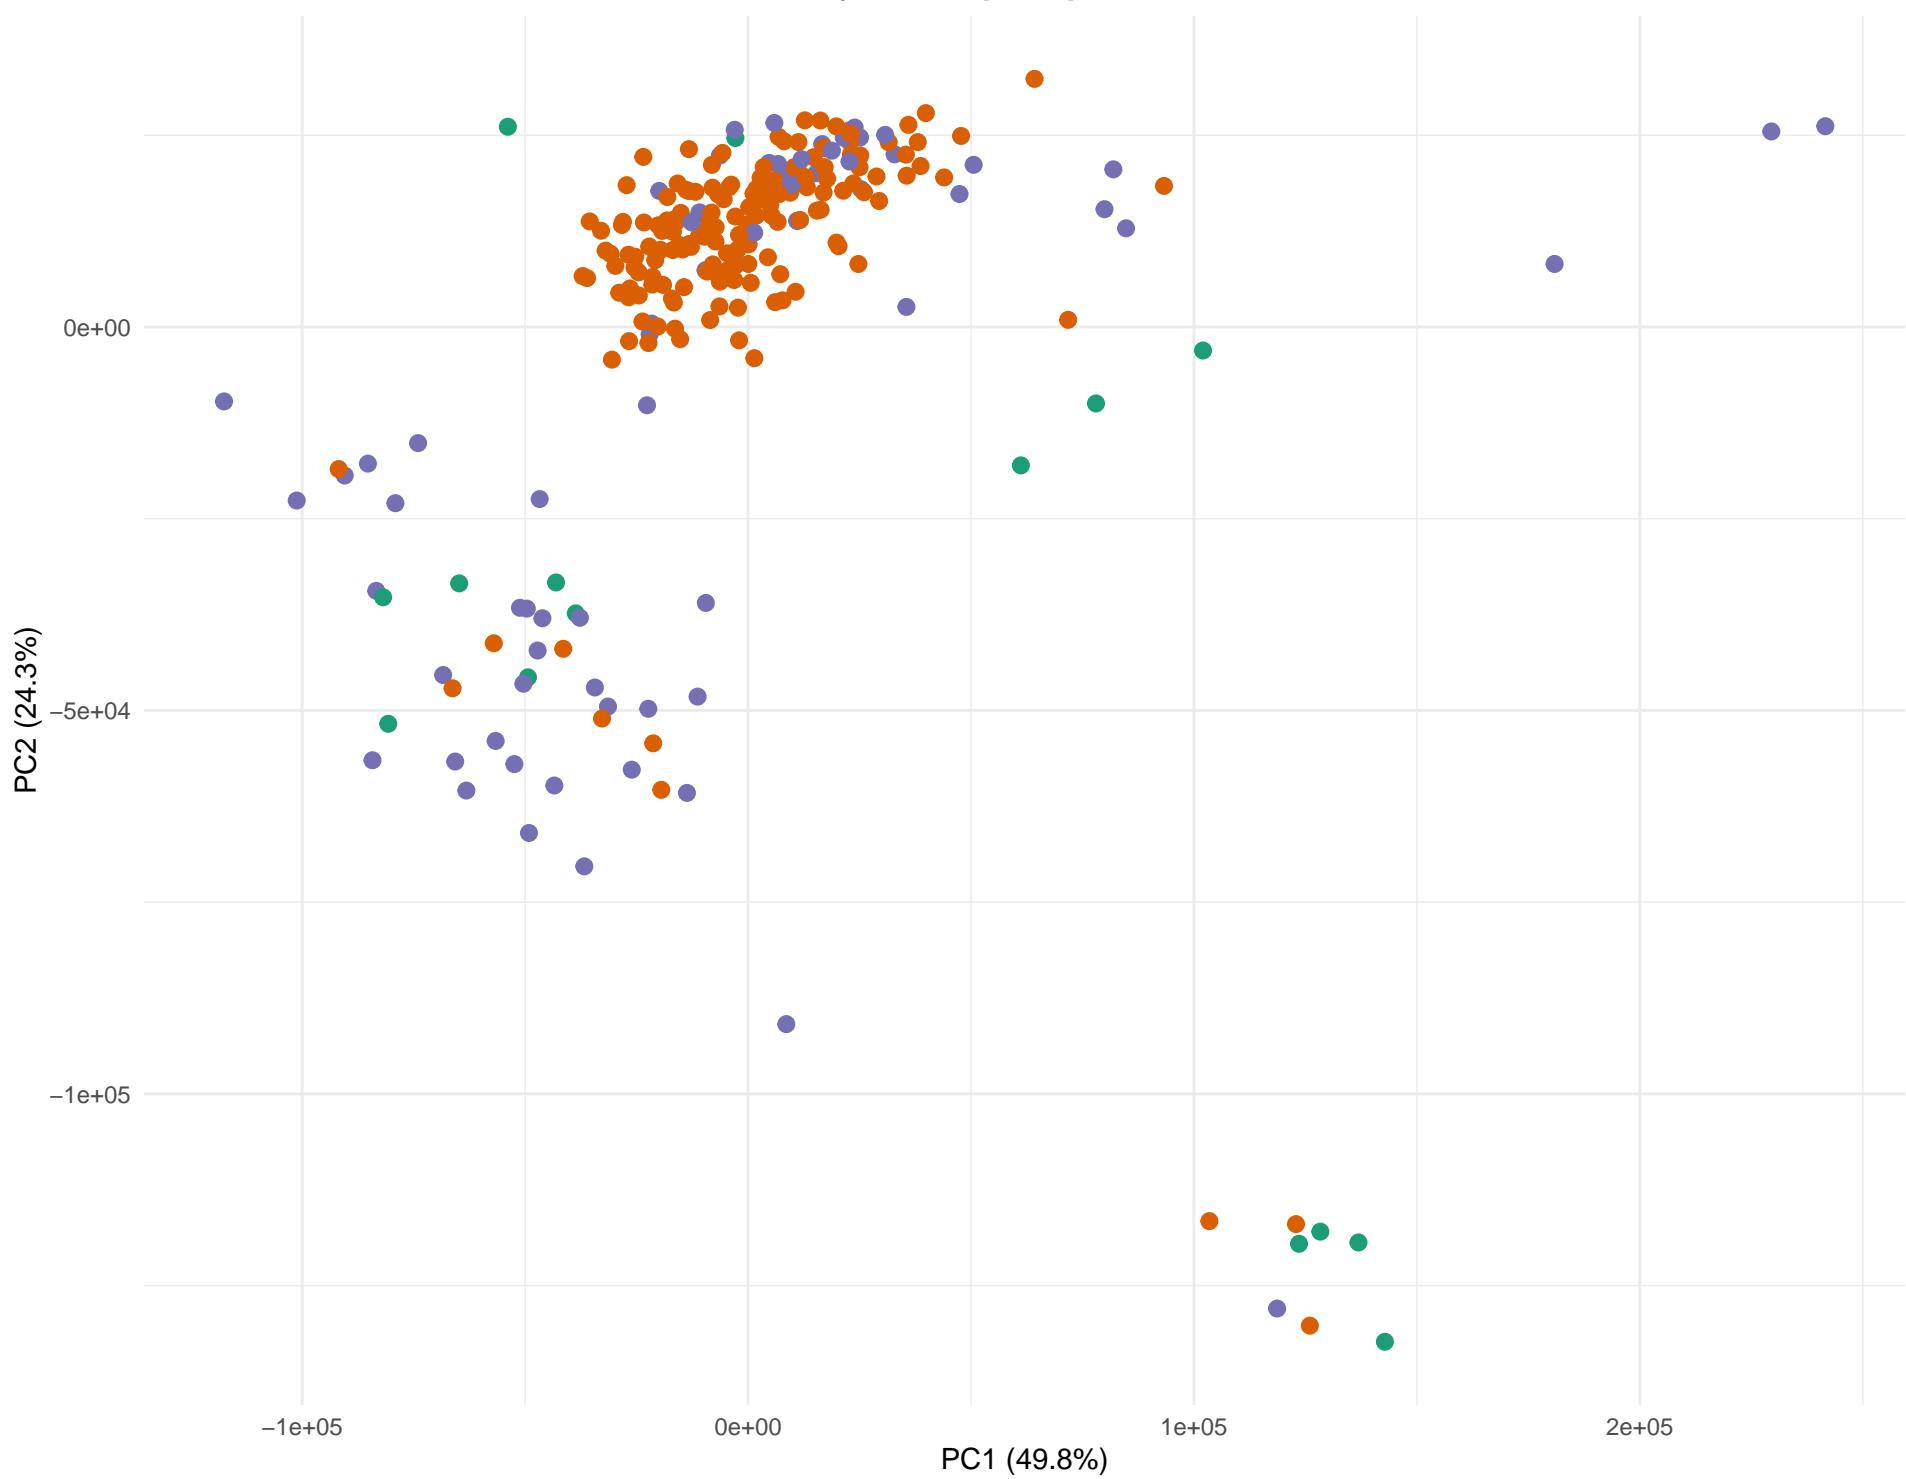

Monocyte PCA por harmonized sample ontology intermediate color

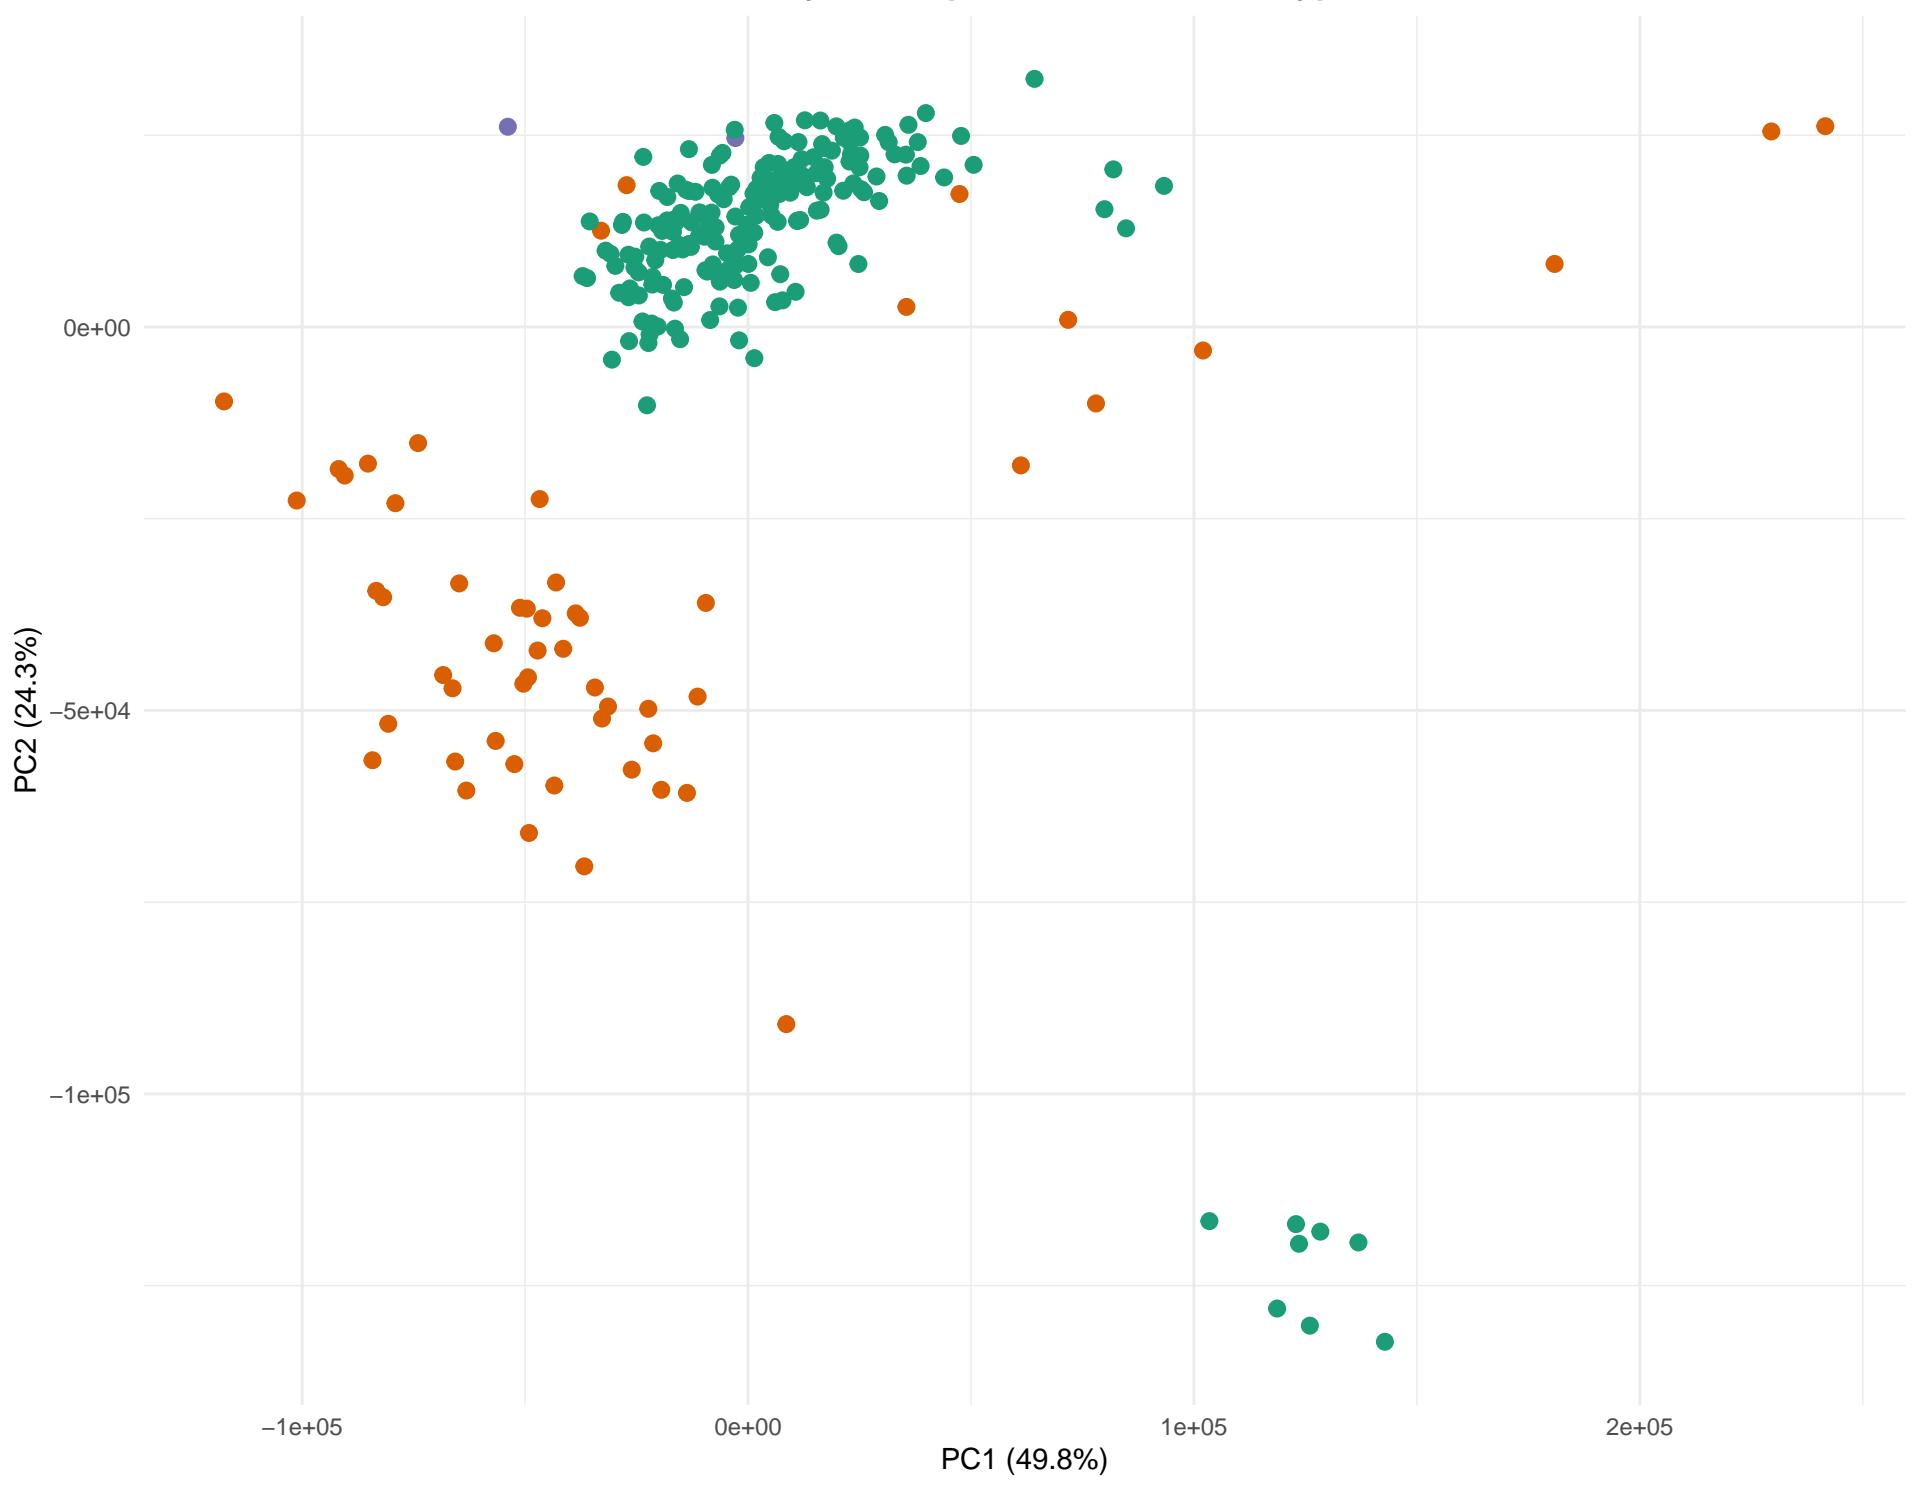

### Monocyte PCA por harmonized EpiRR status

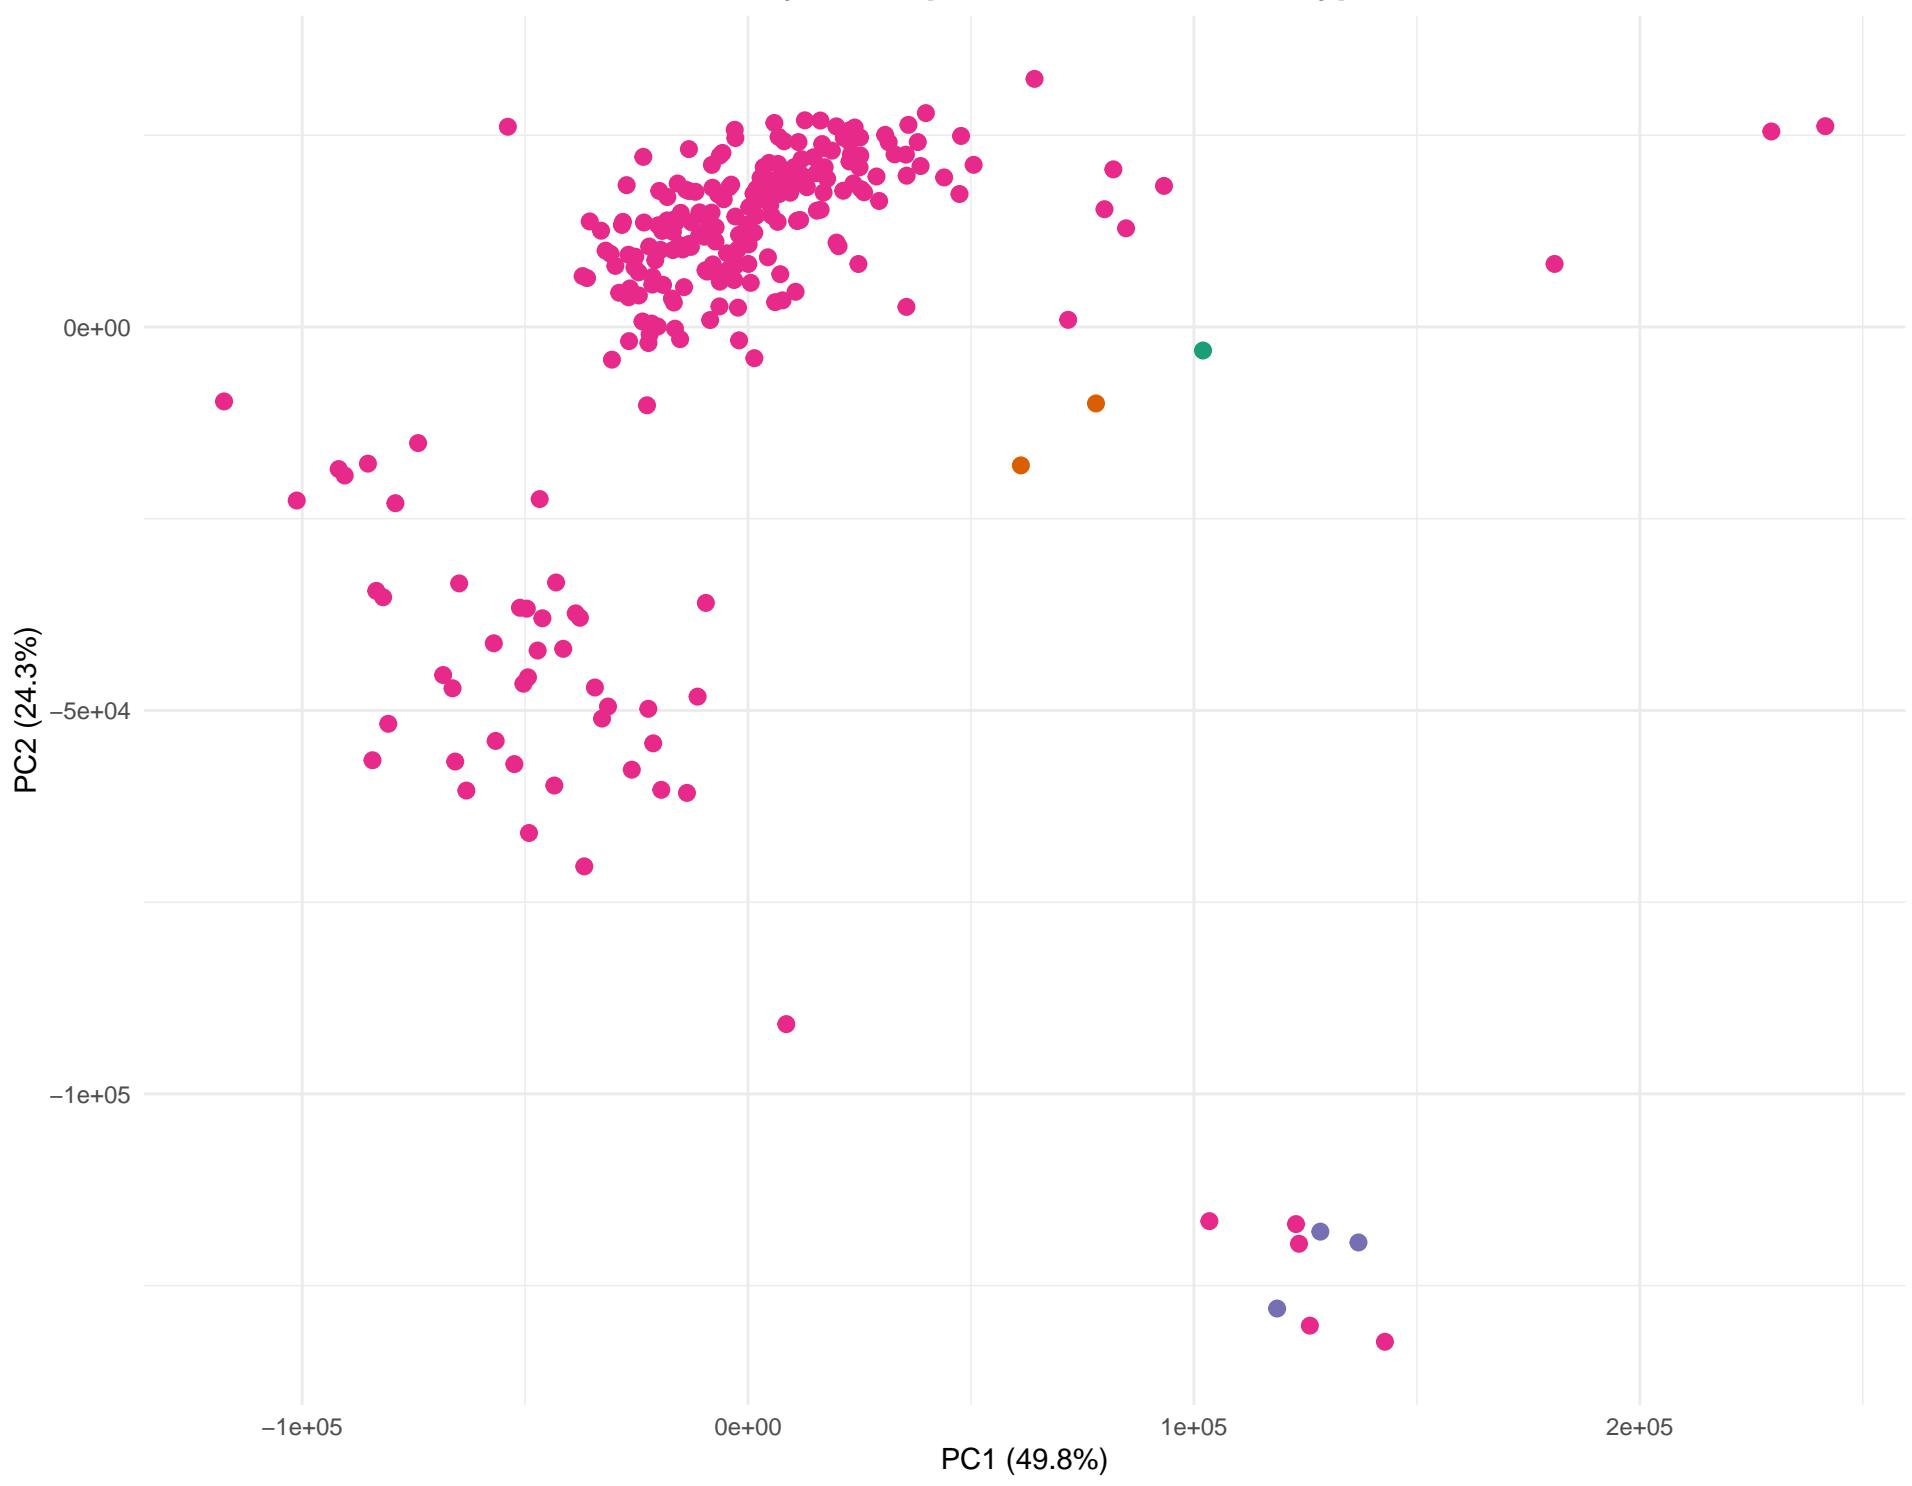

### Monocyte PCA por epiATLAS status

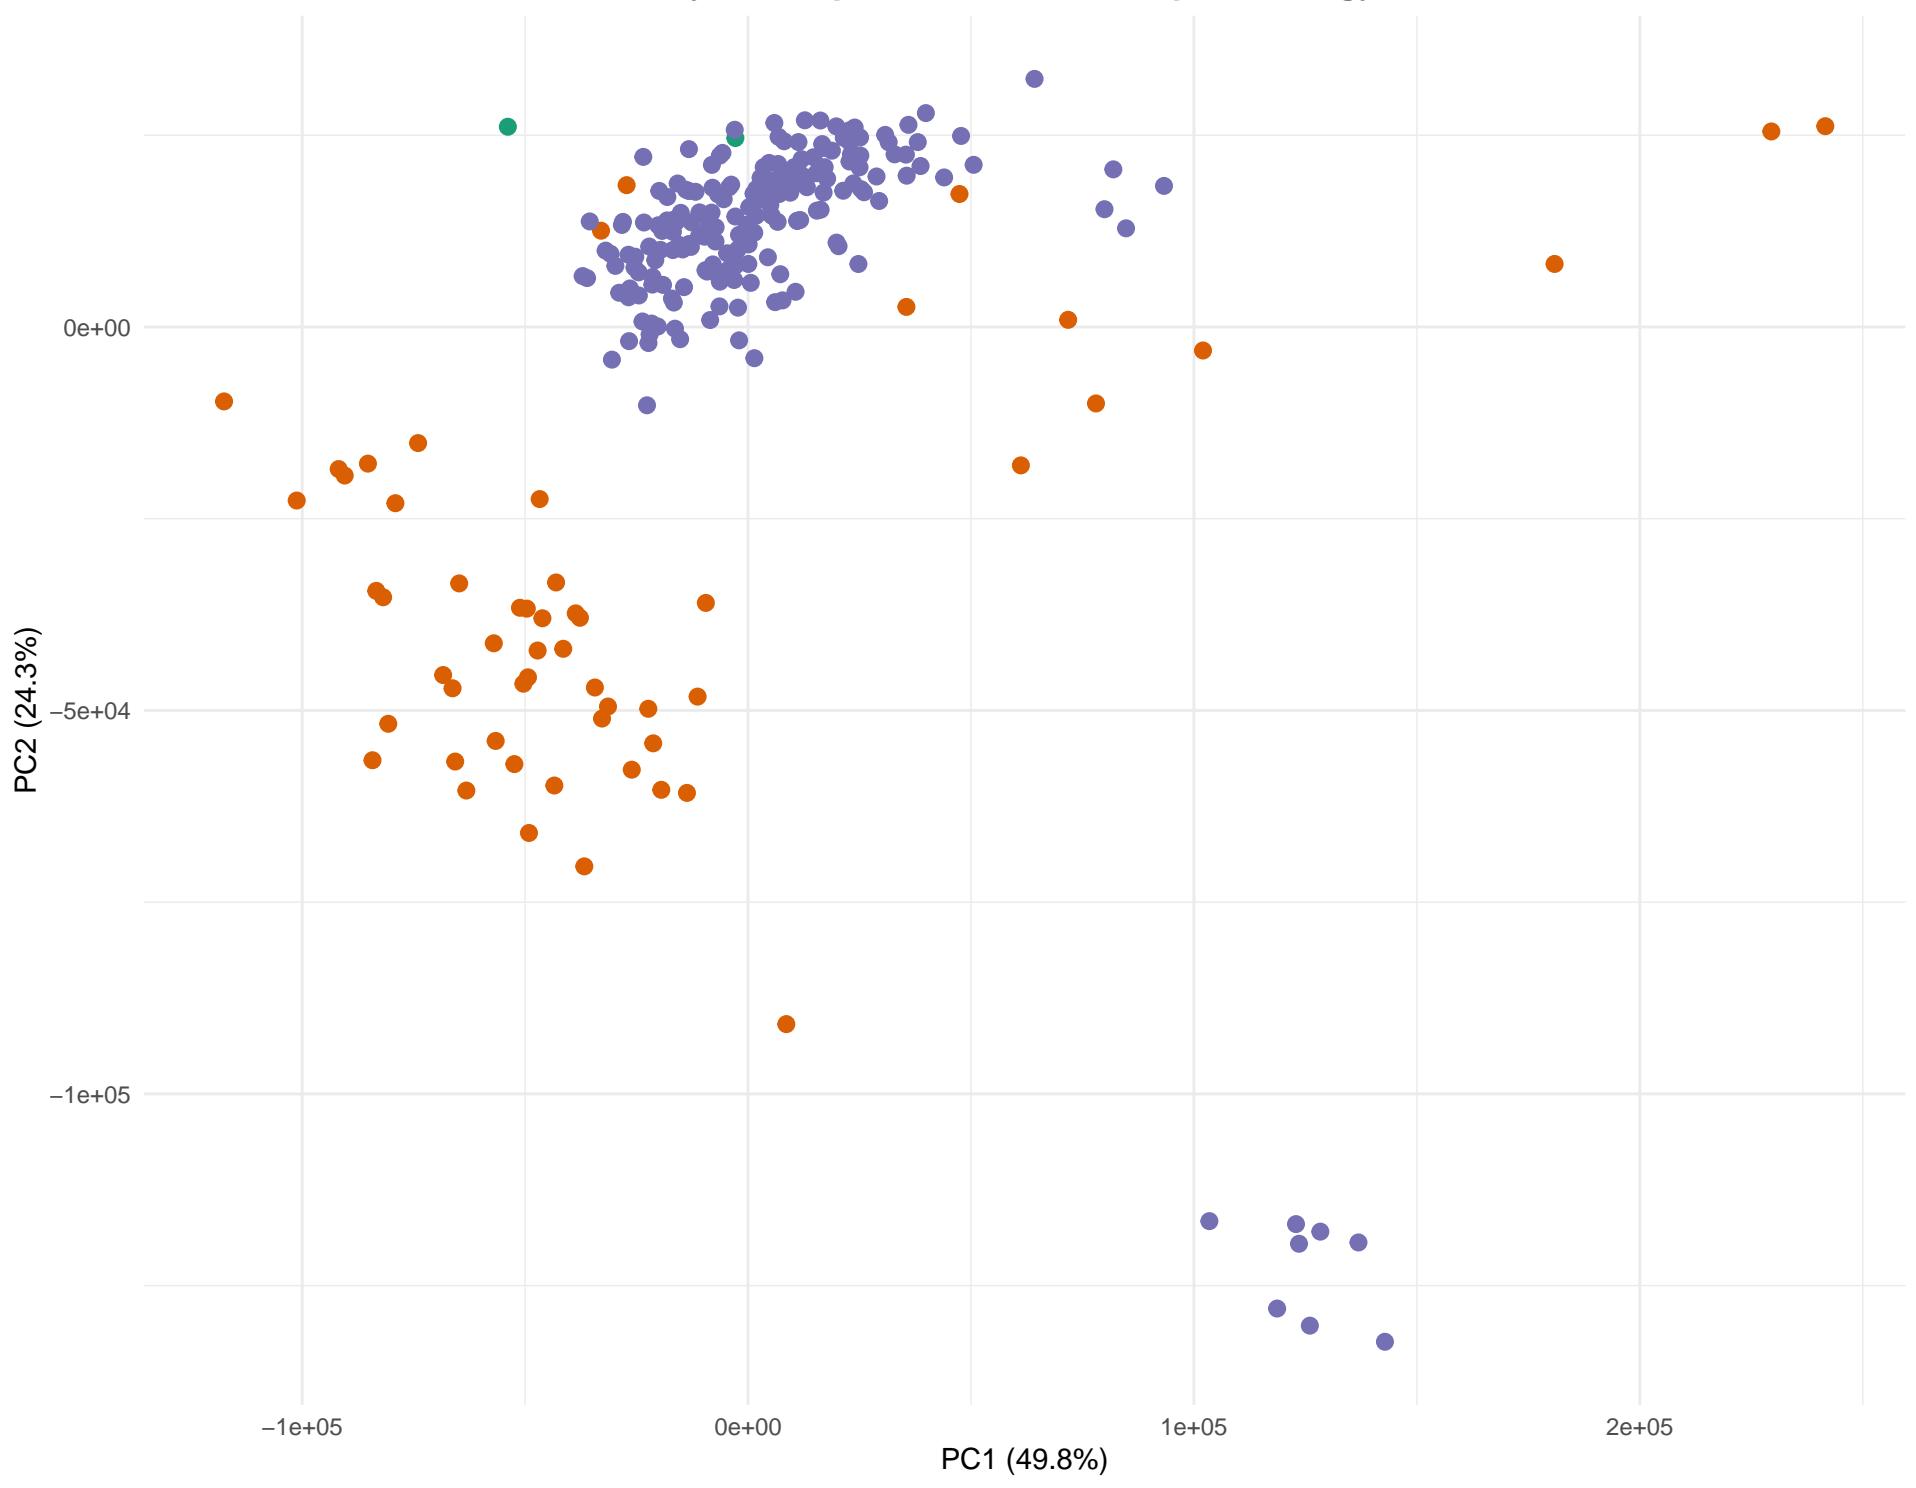

### Monocyte PCA por harmonized cell type

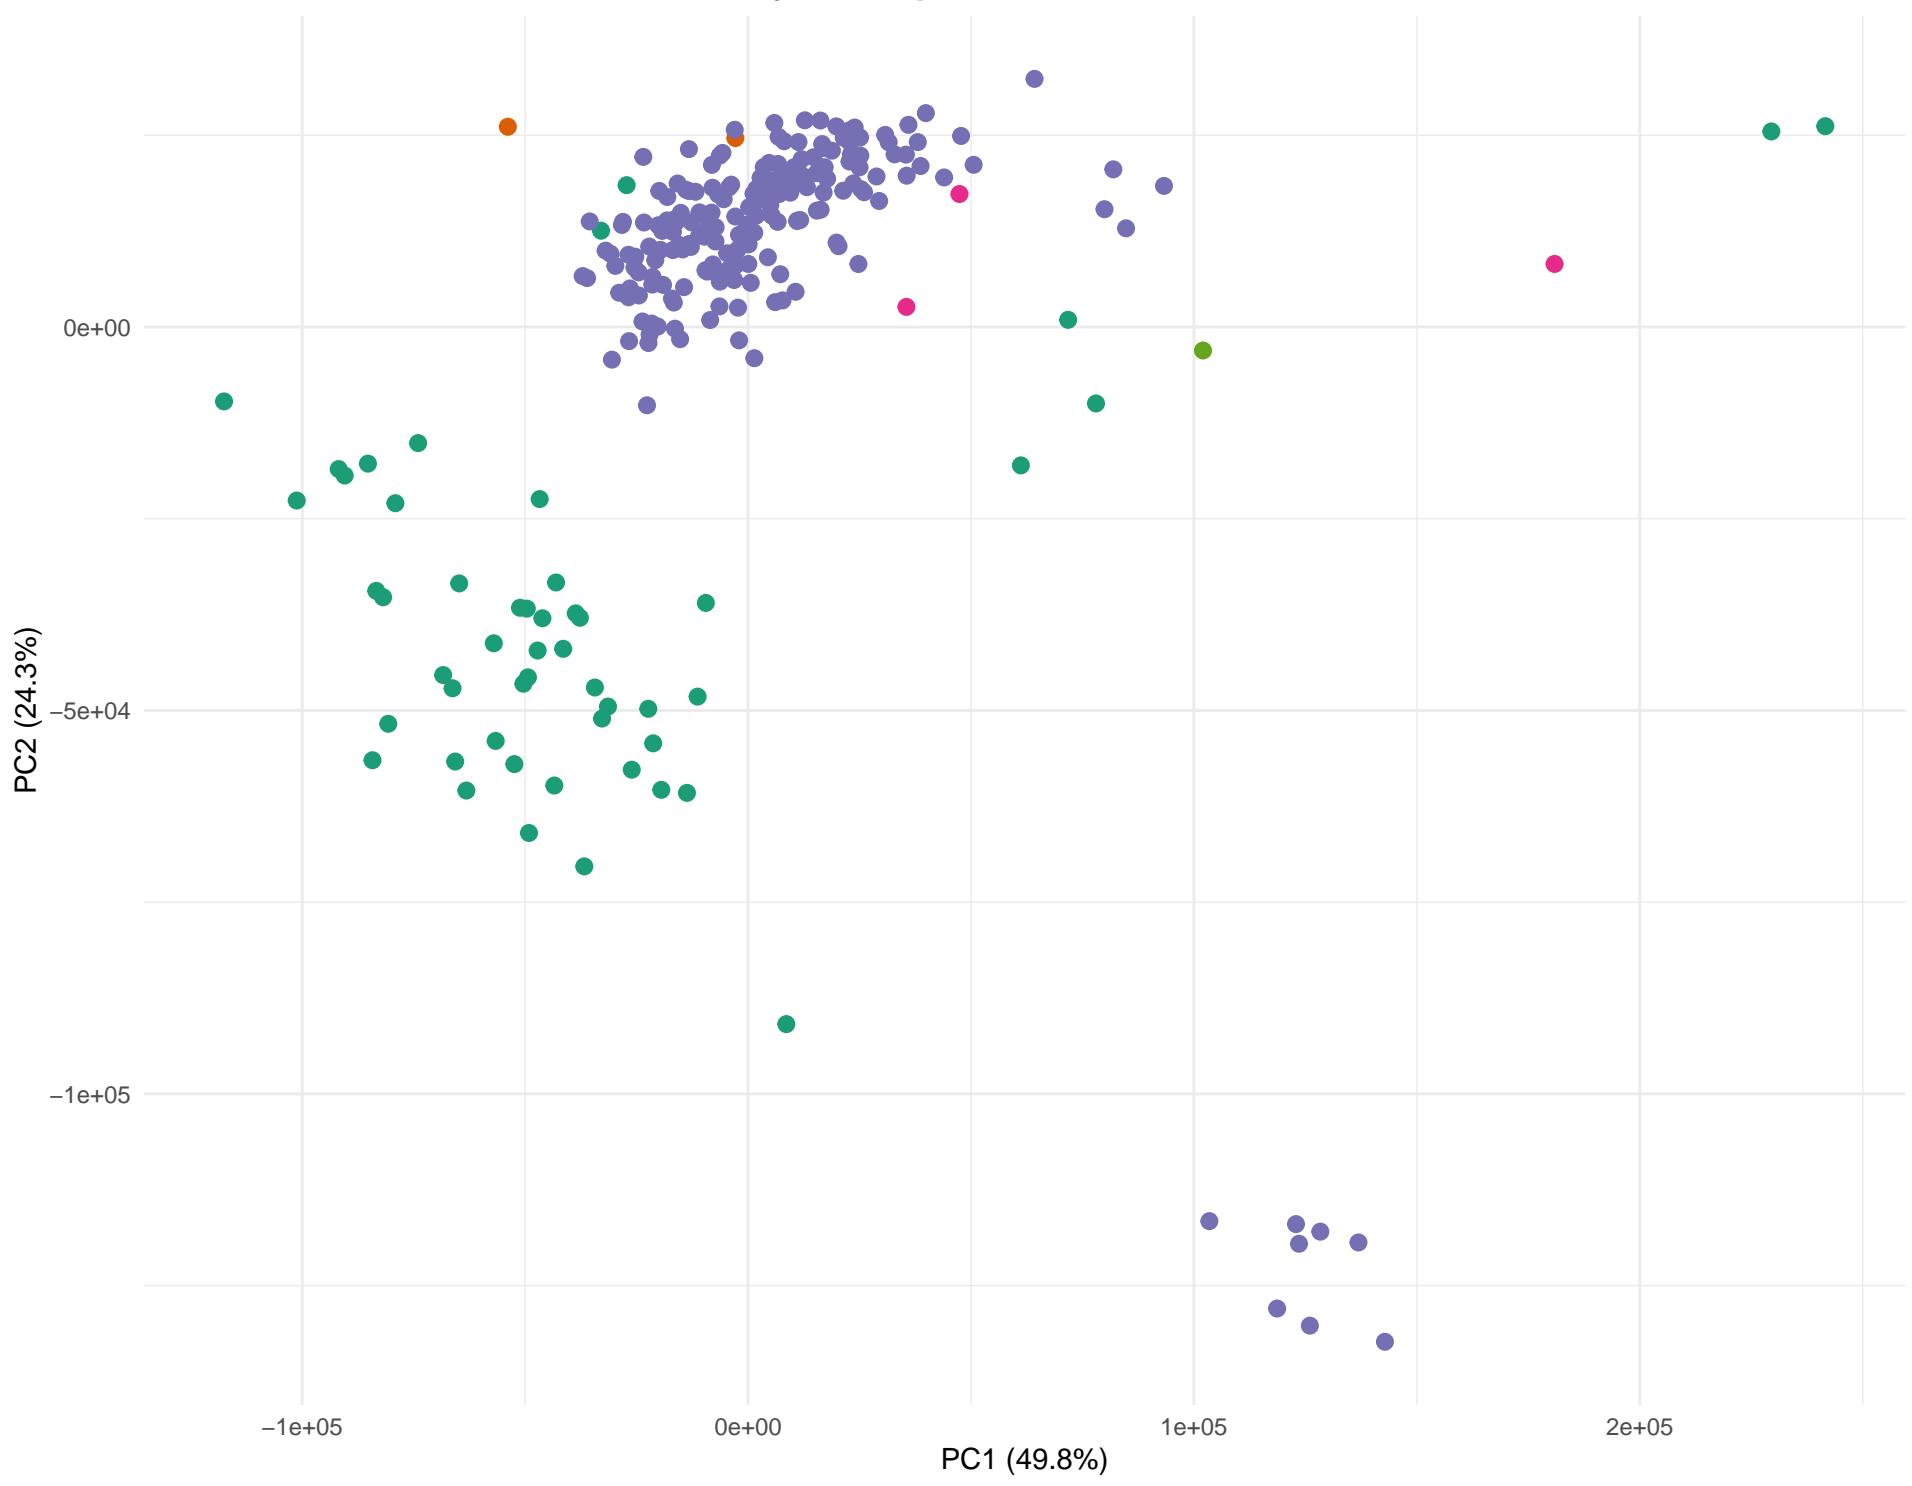

### Monocyte PCA por harmonized tissue type

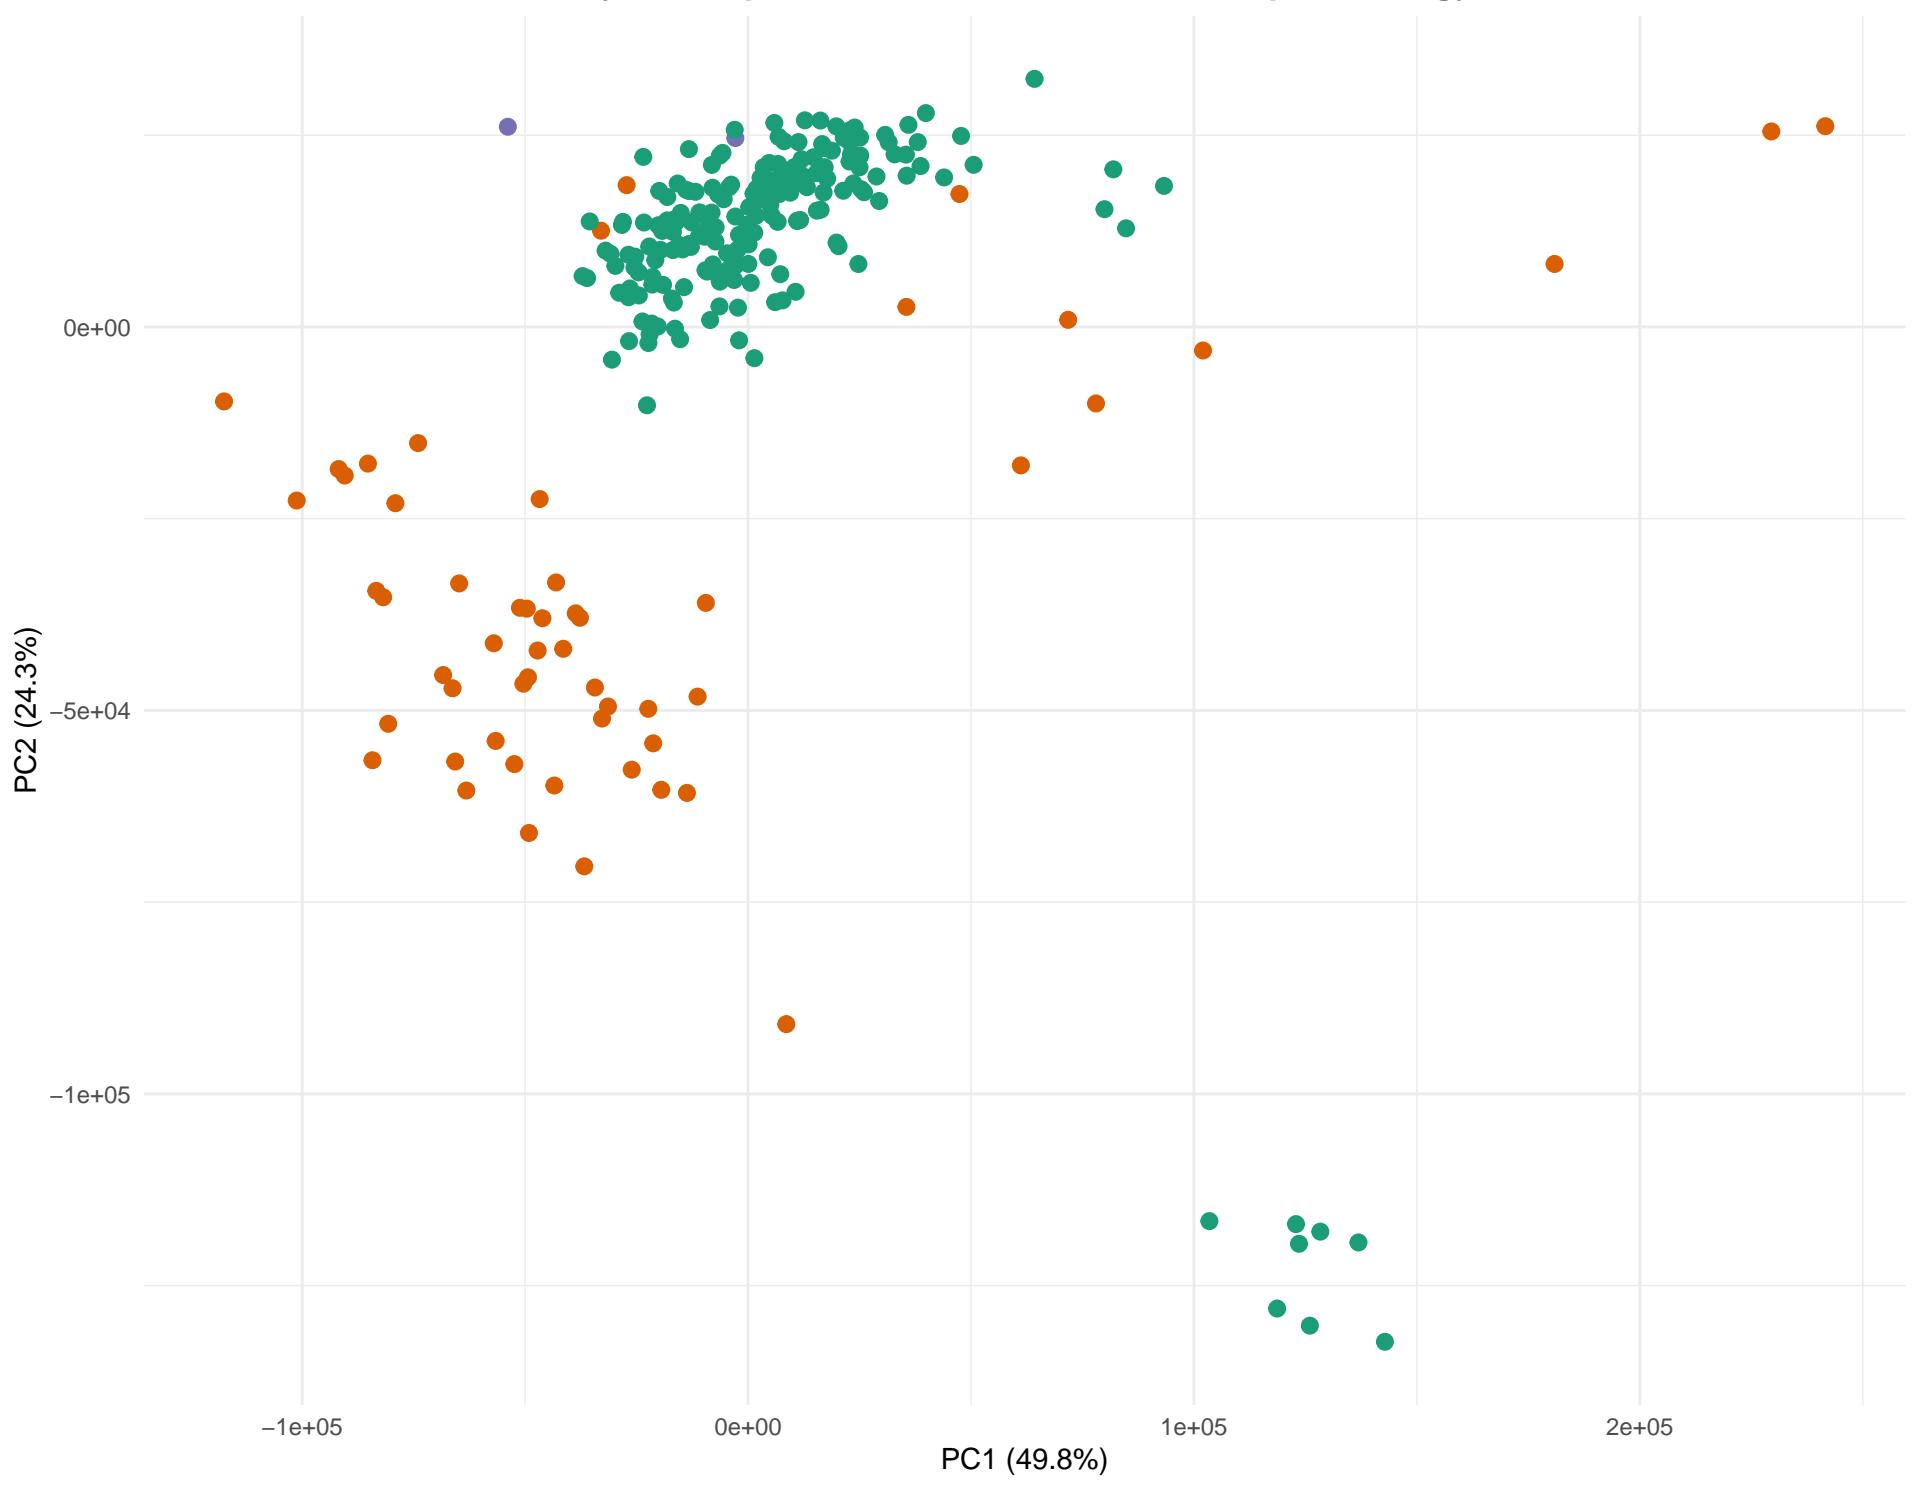

Monocyte PCA por harmonized sample ontology curie

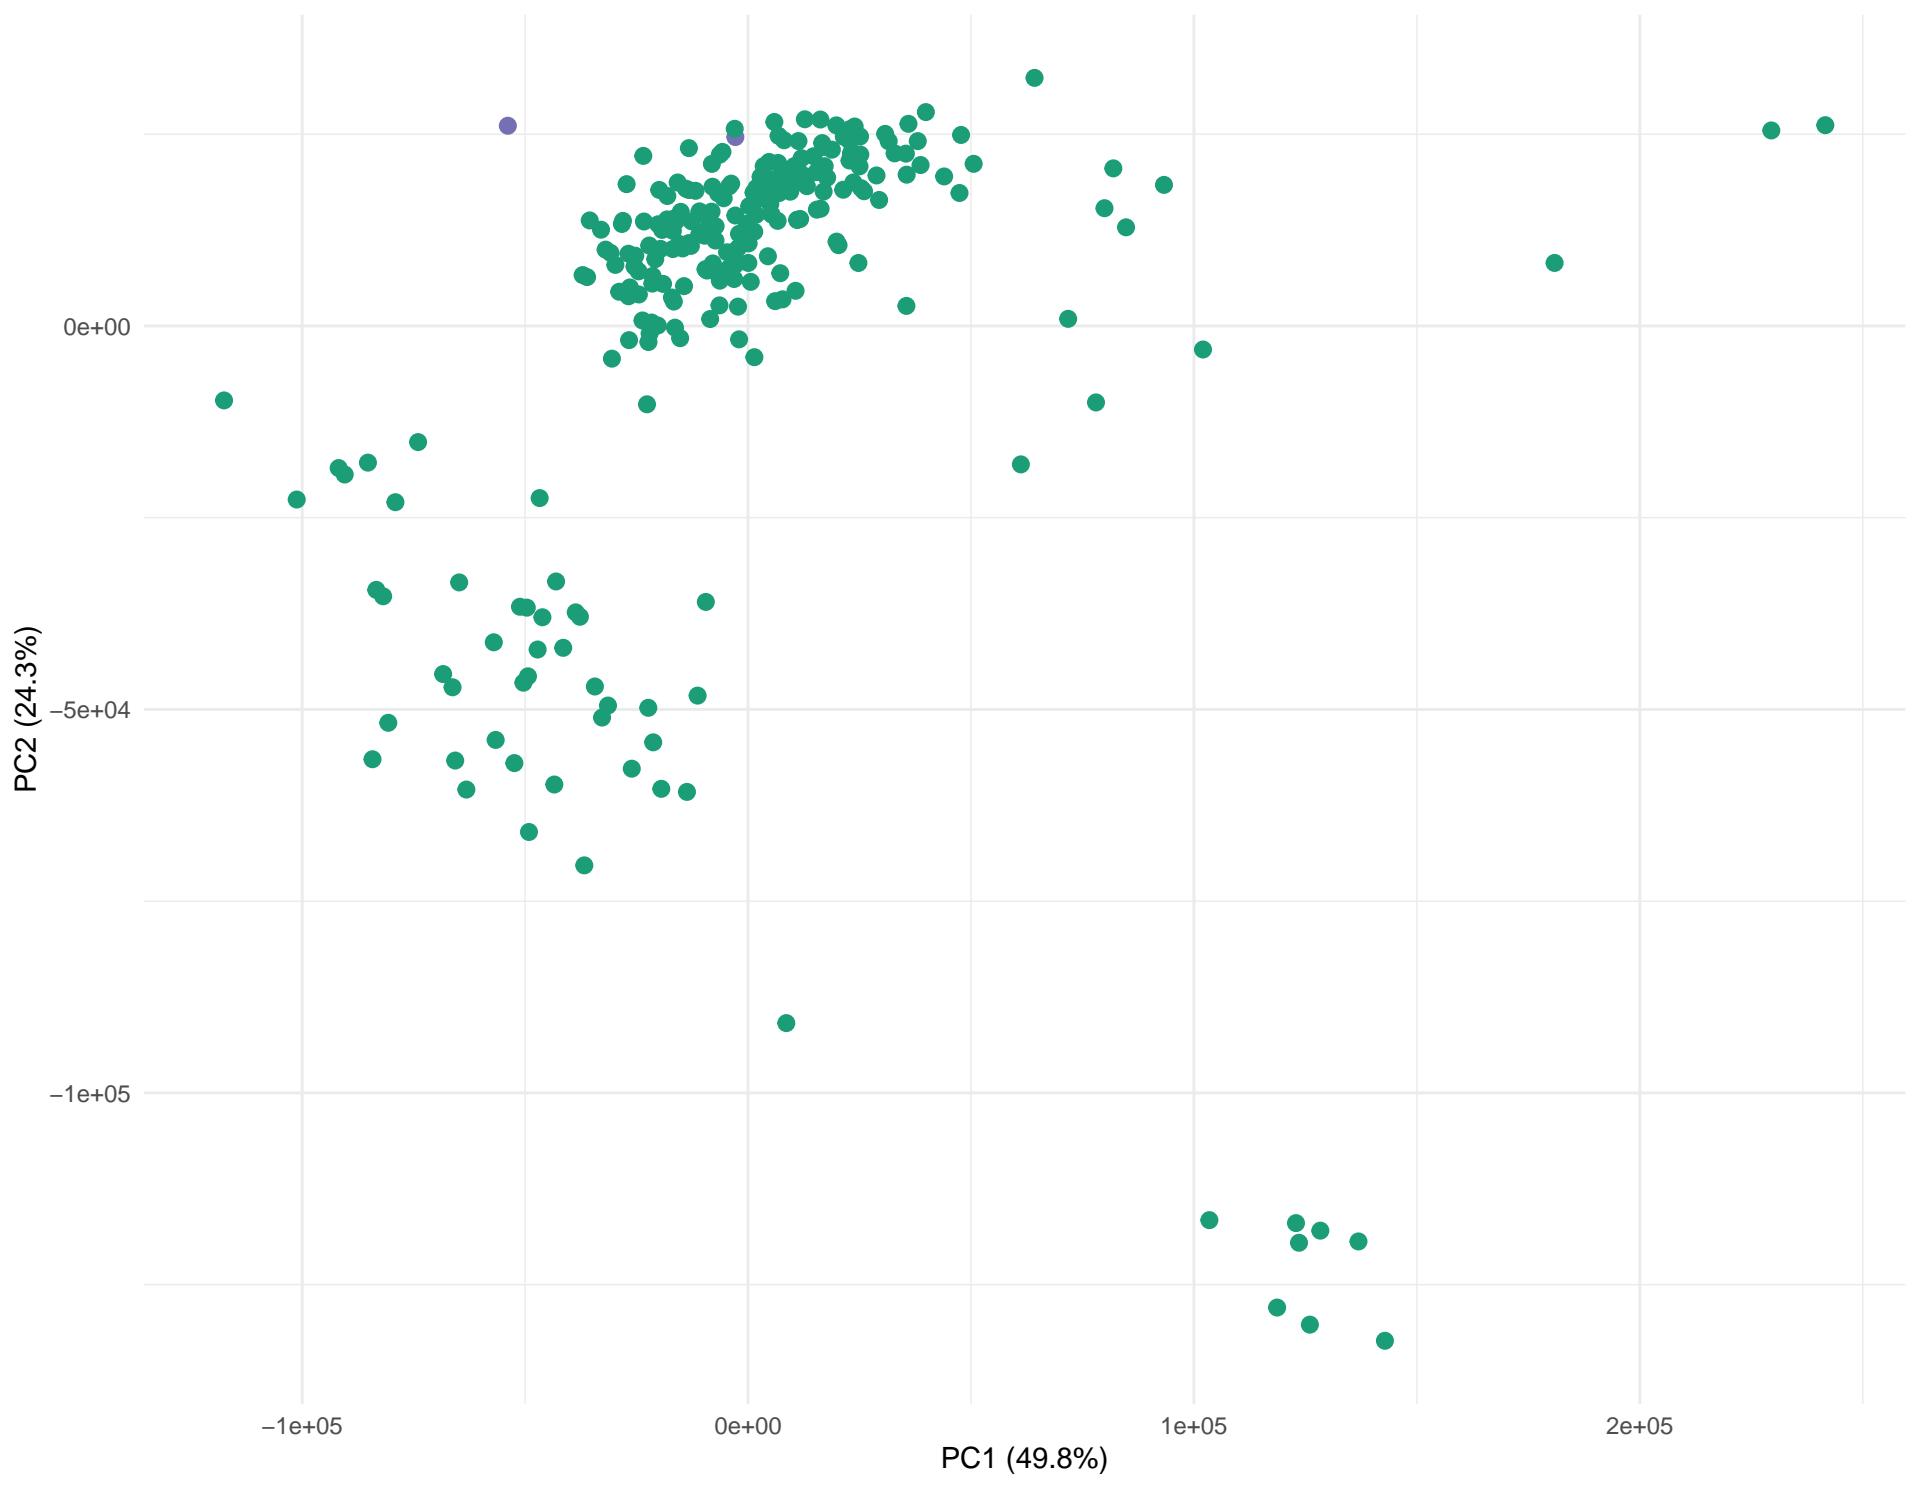

### Monocyte PCA por harmonized cell markers

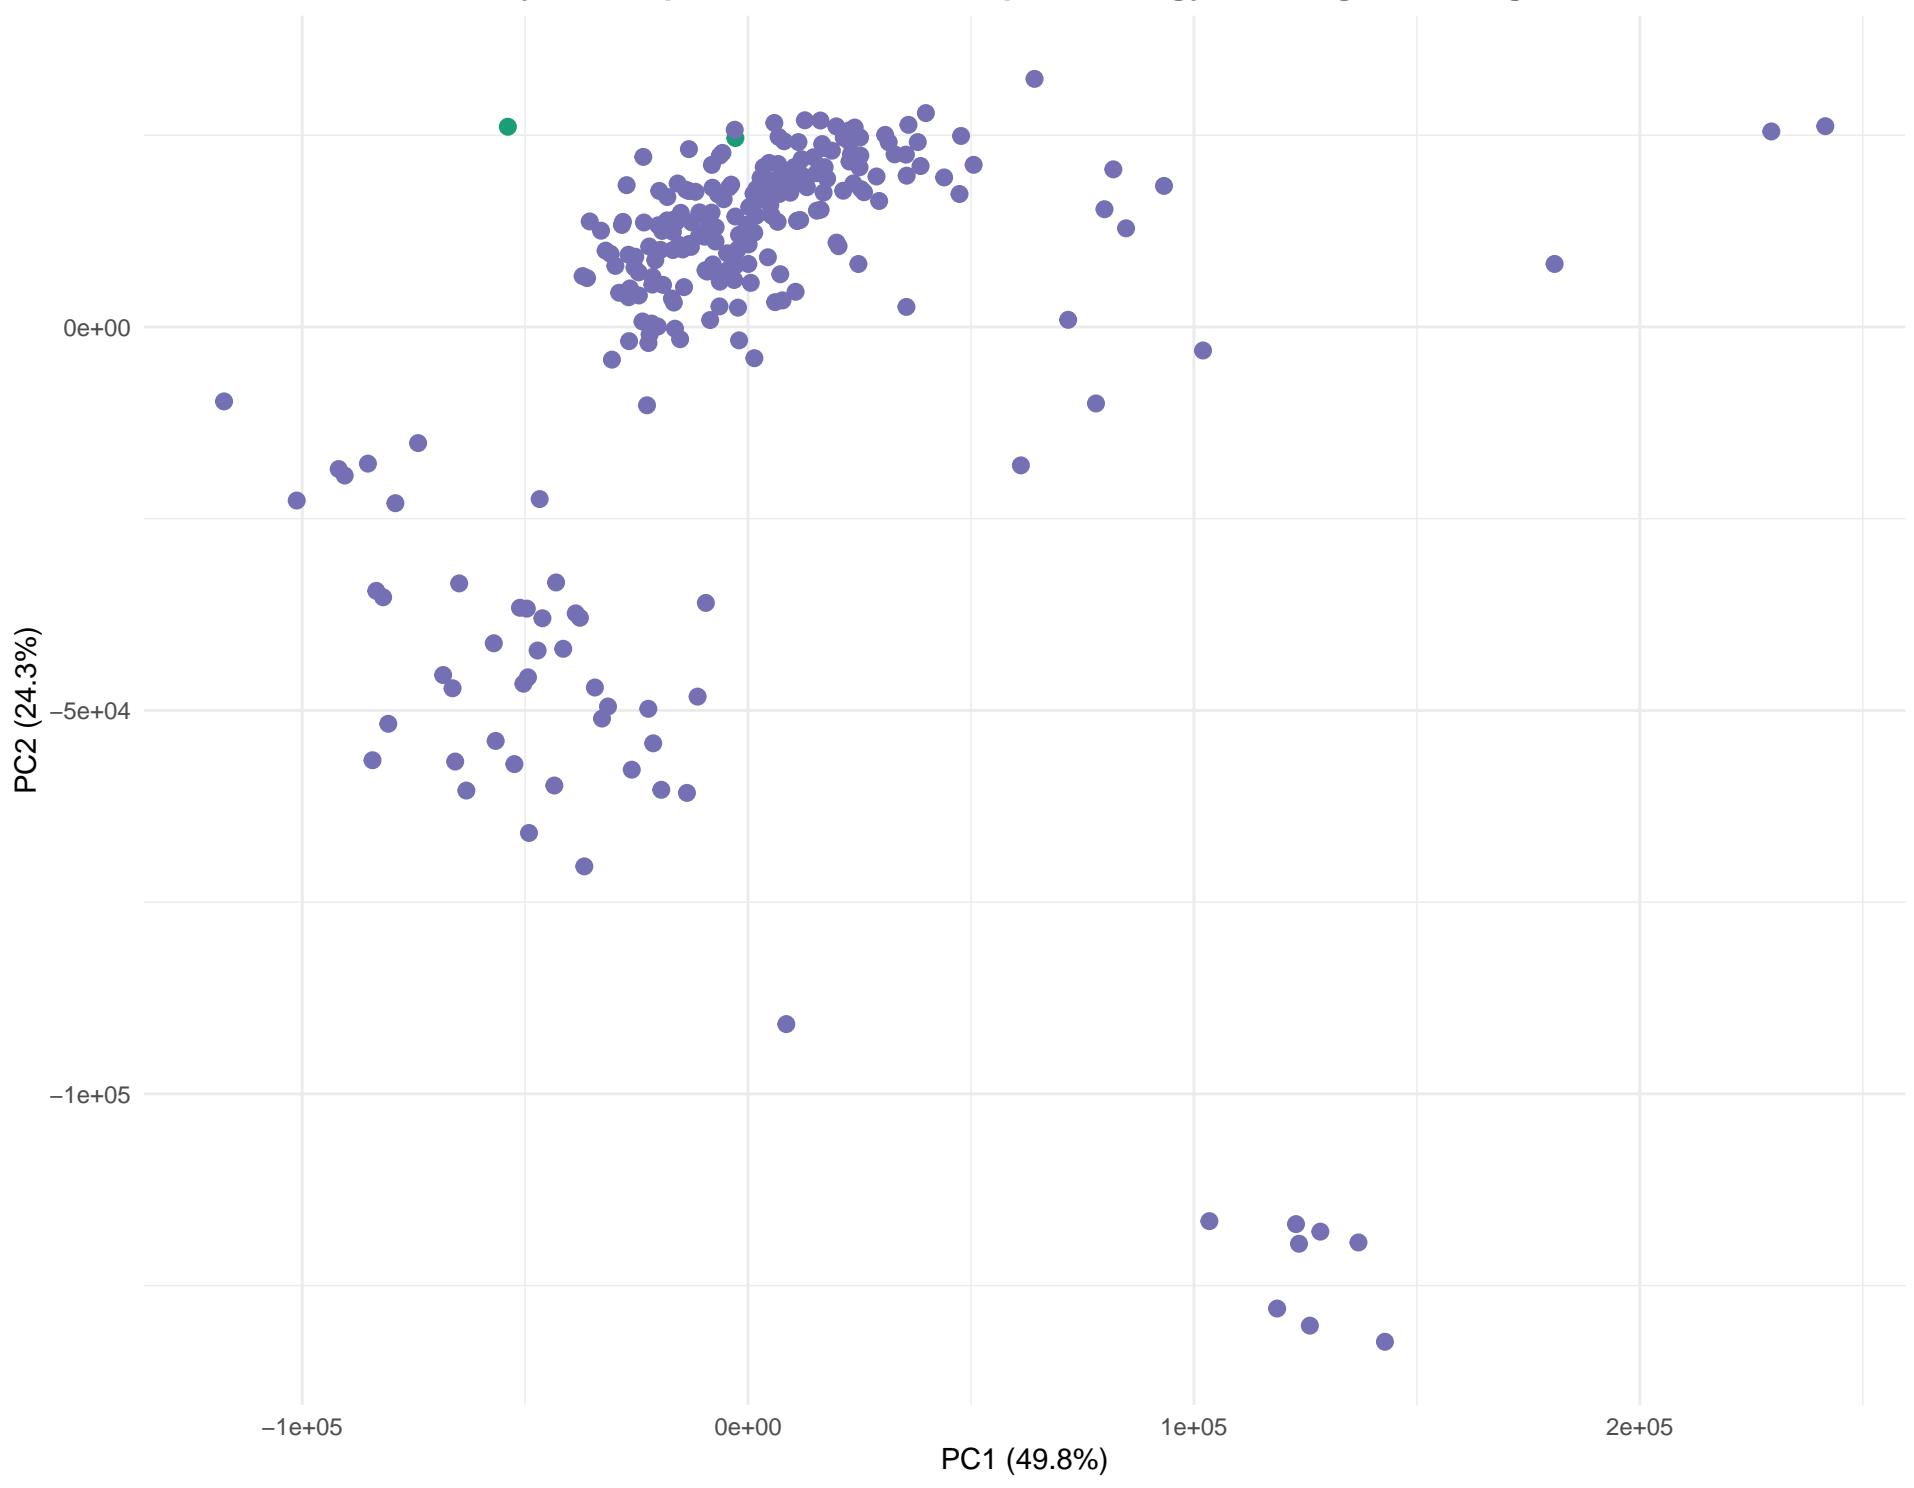

Monocyte PCA por automated harmonized sample ontology term

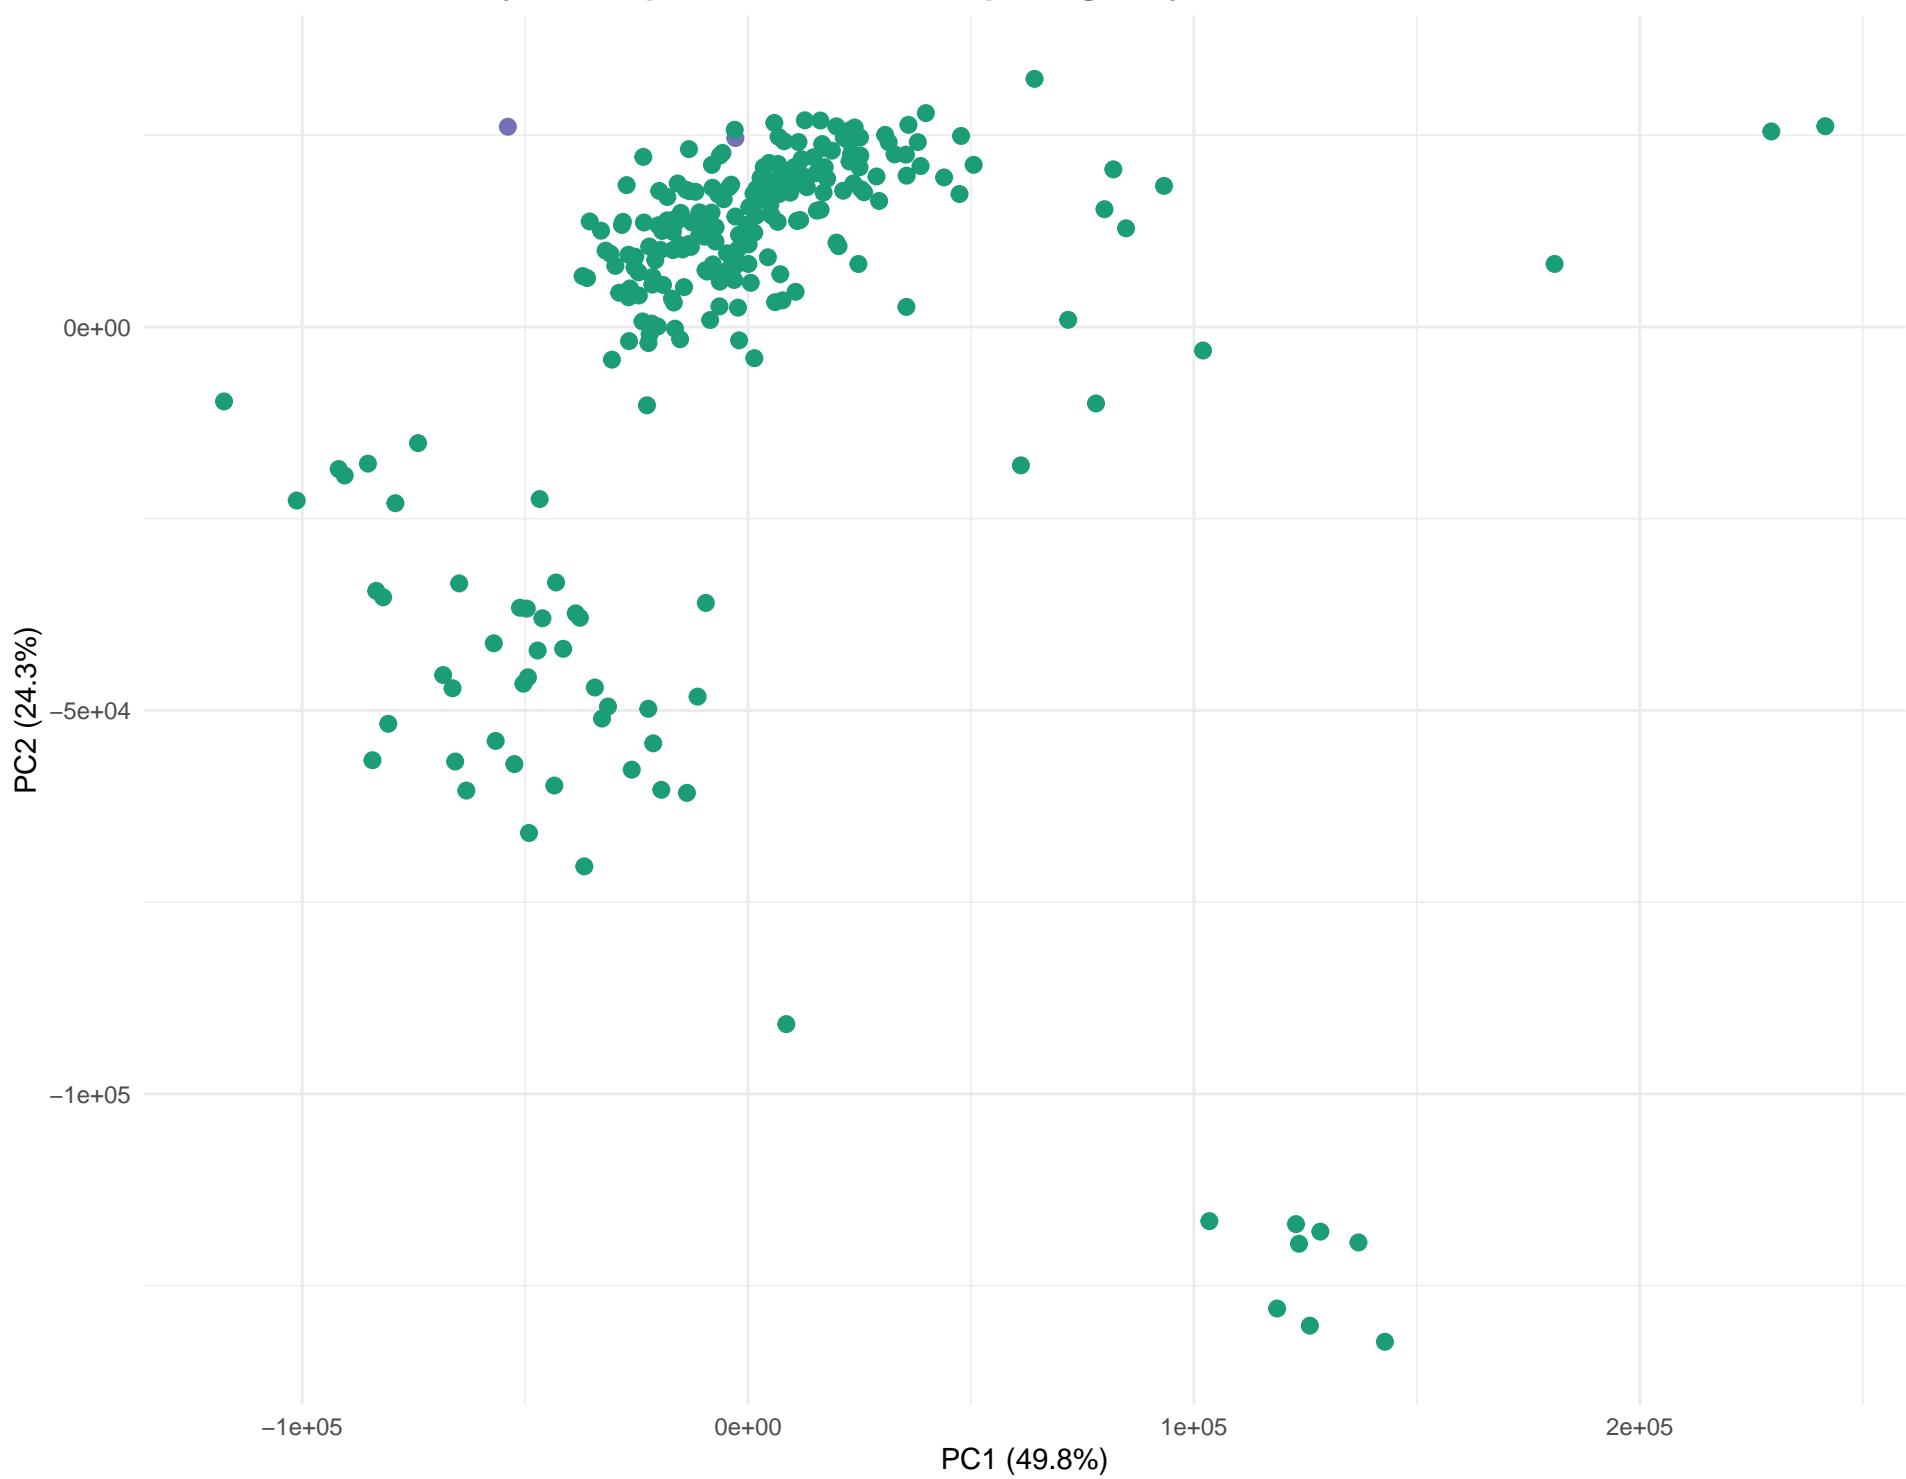

Monocyte PCA por harmonized sample ontology term high order fig1

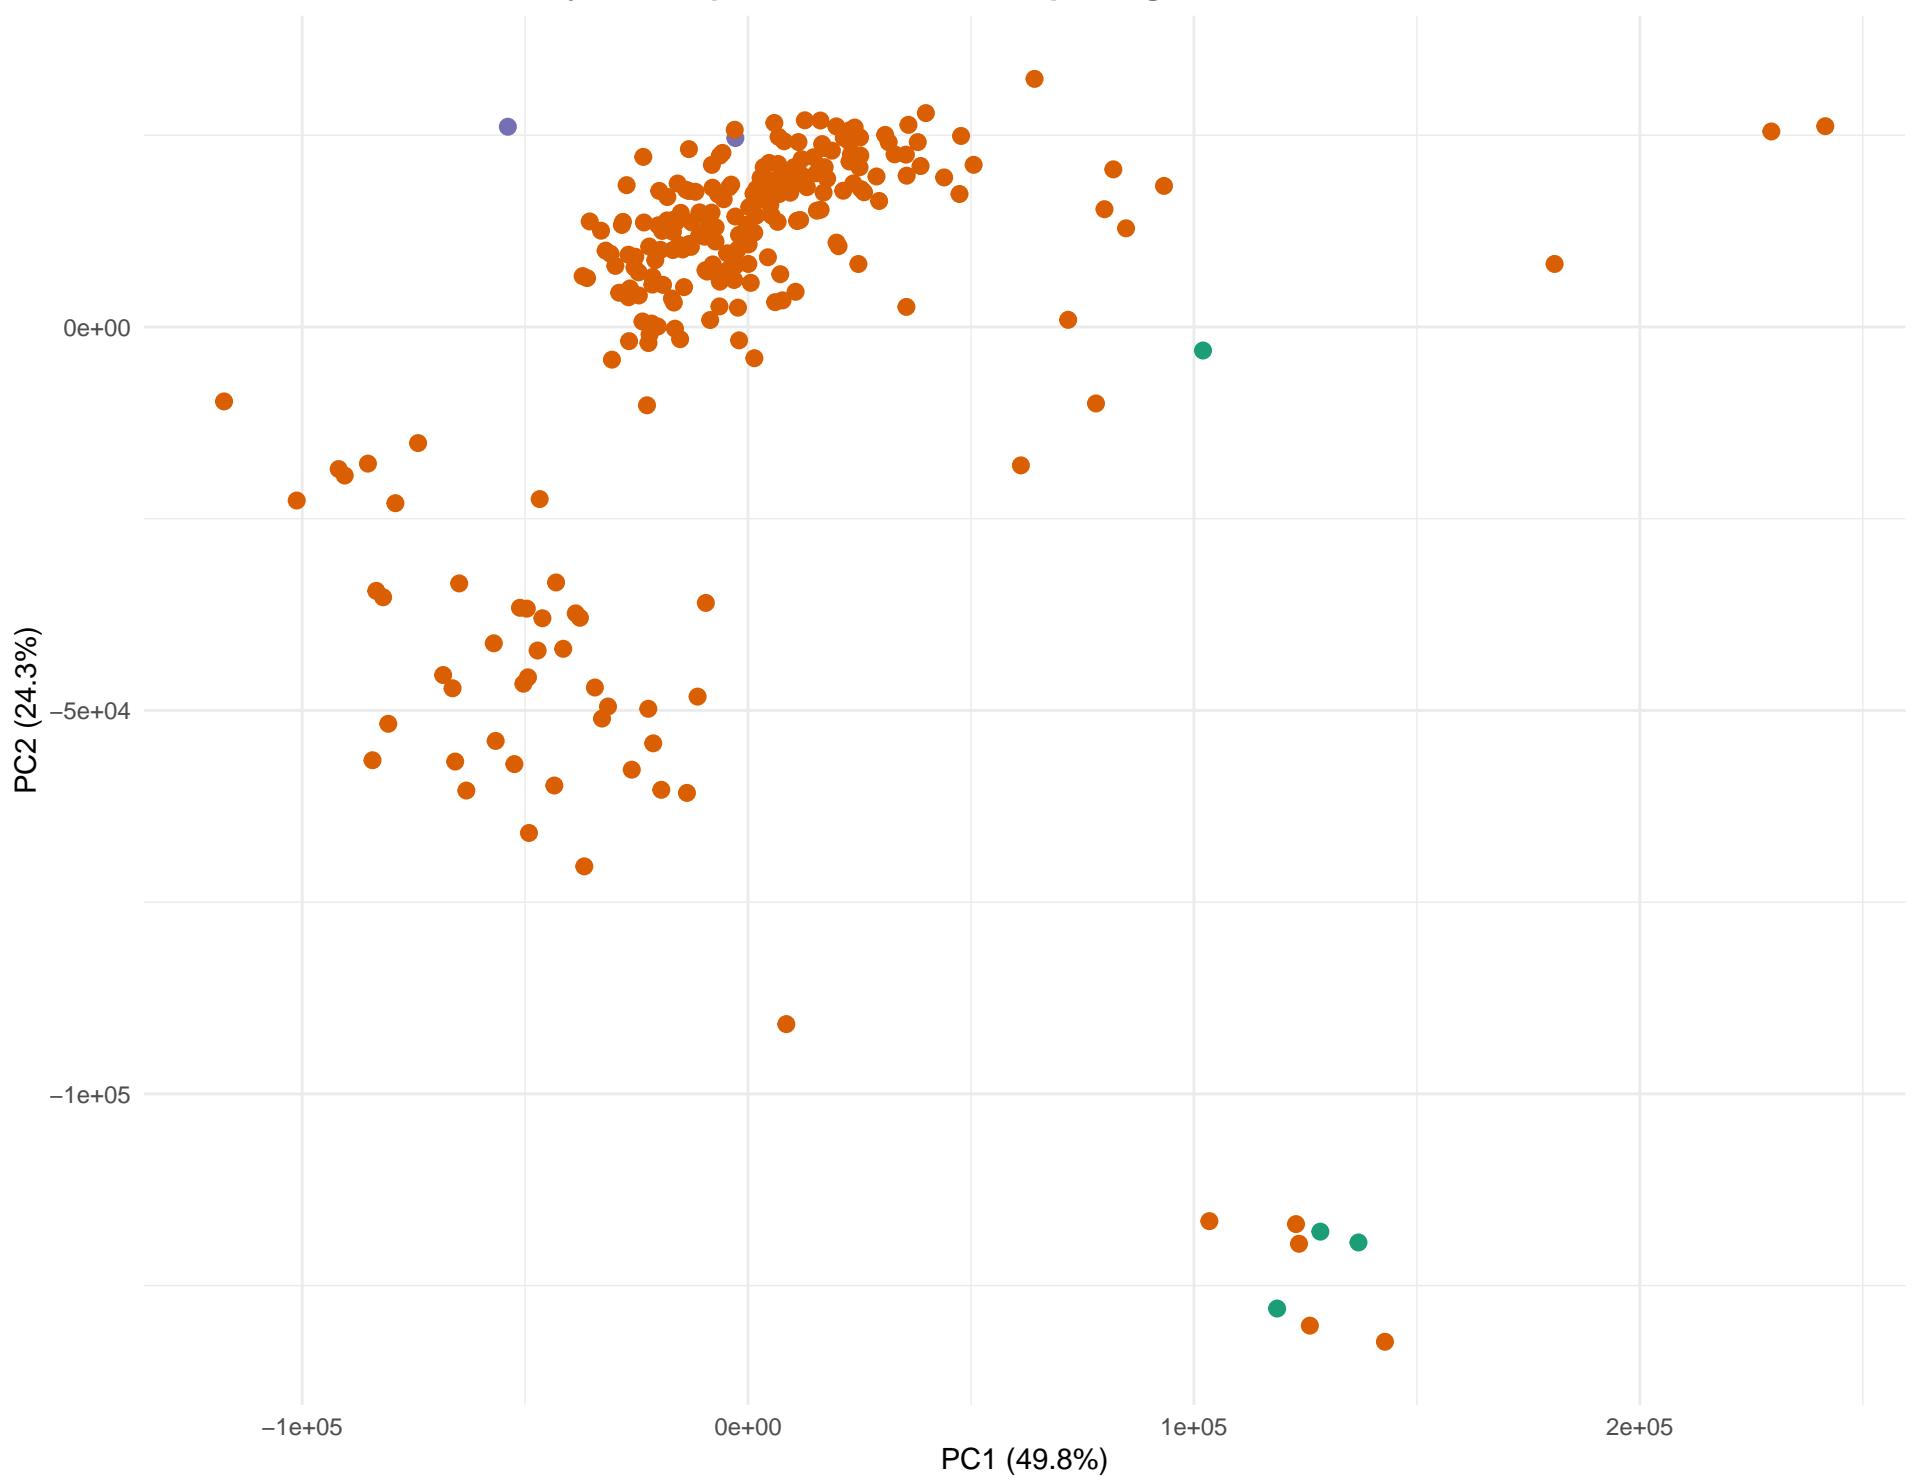

Monocyte PCA por harmonized sample ontology term high order fig1 color

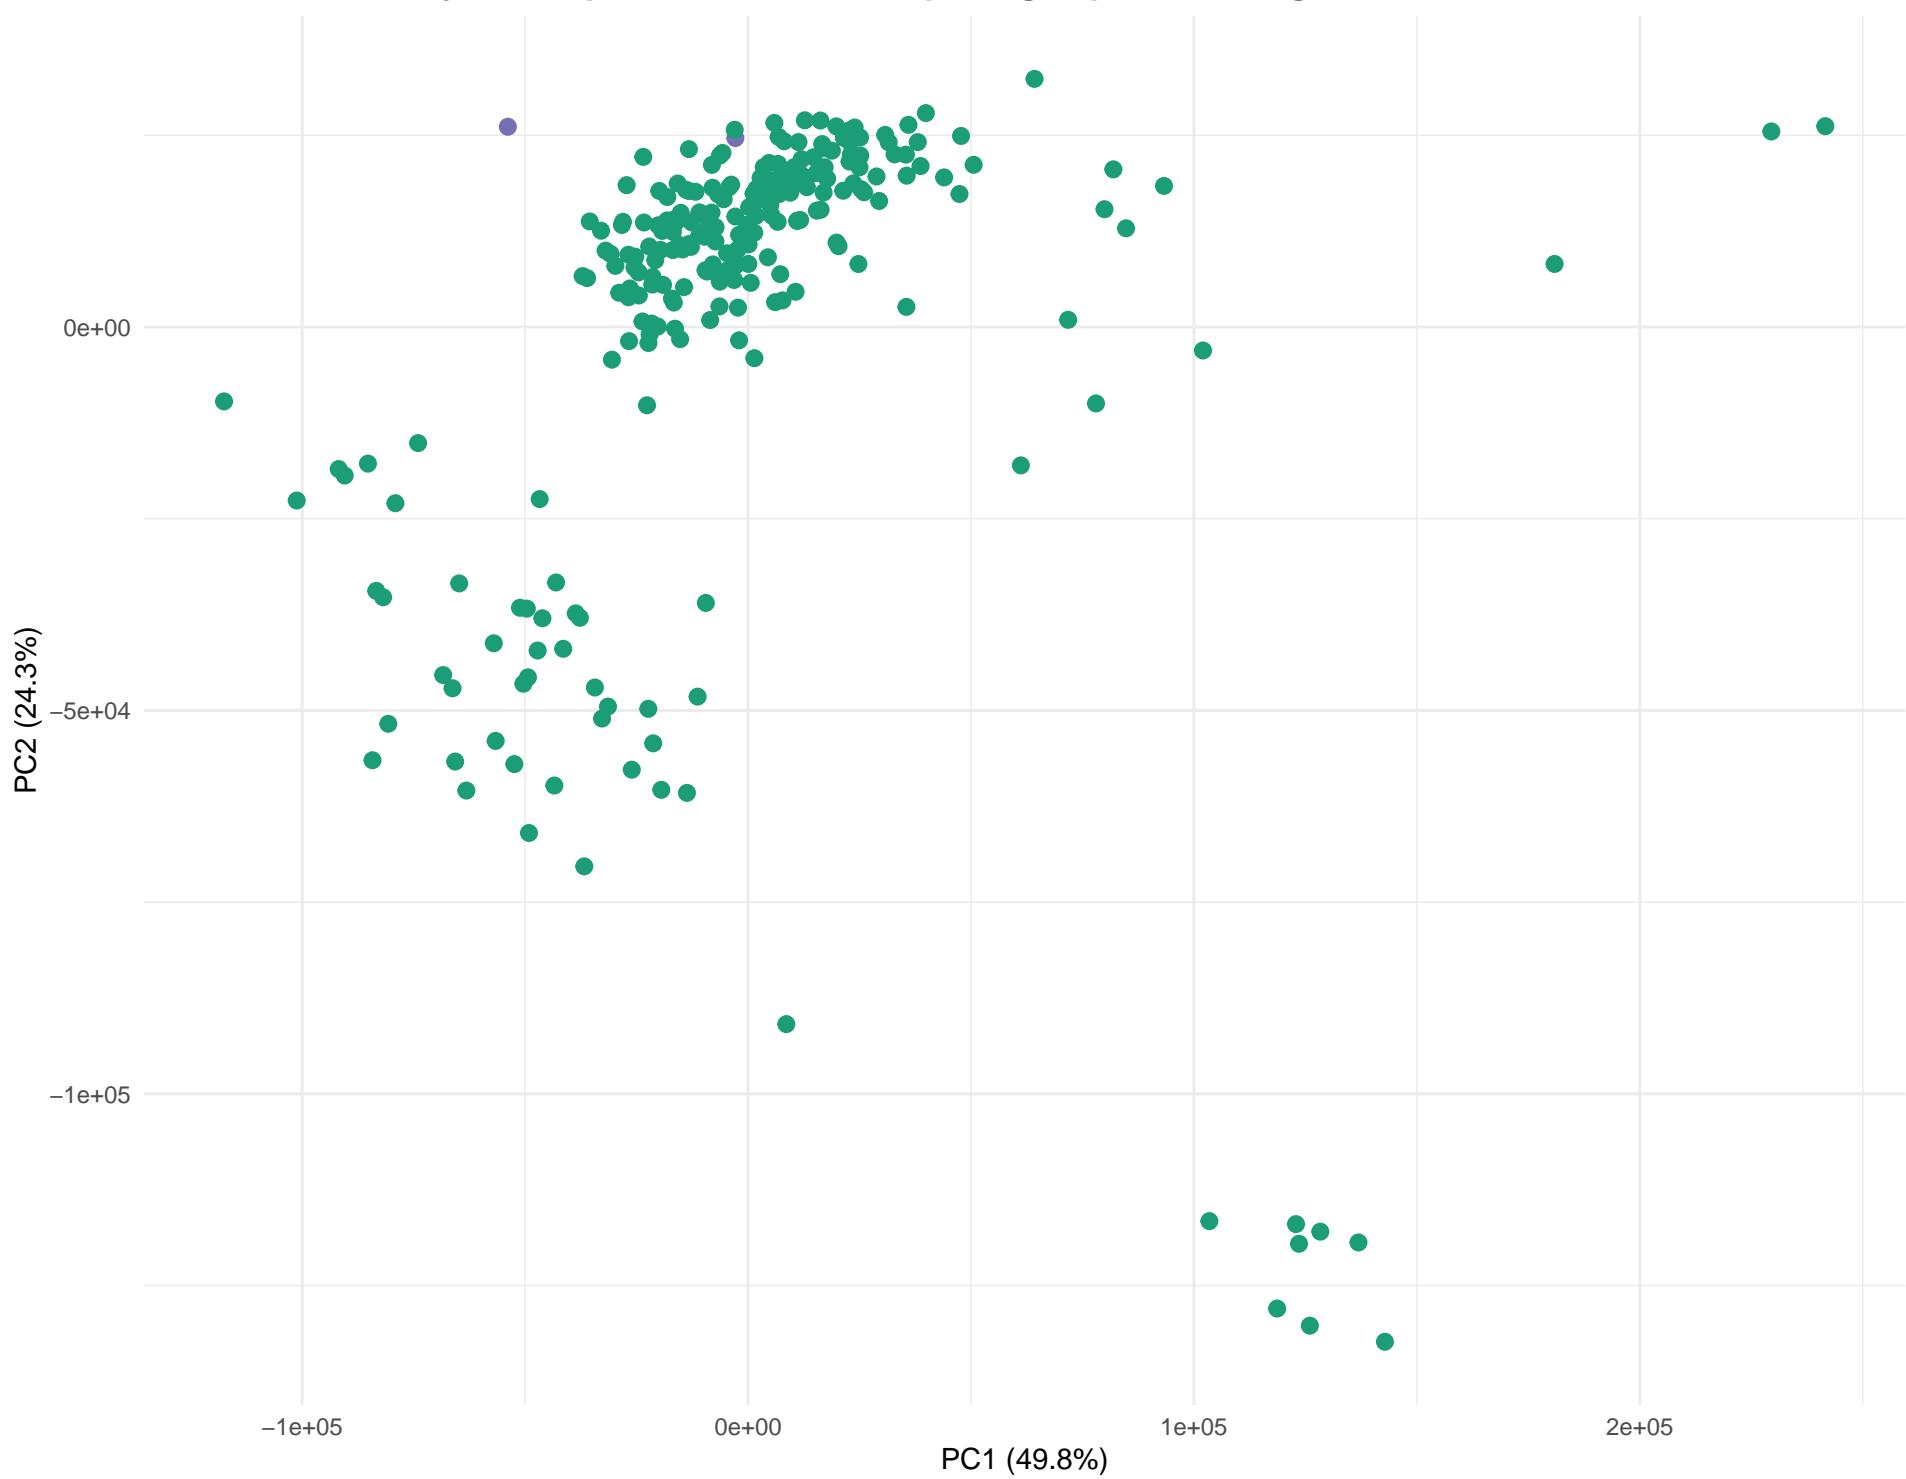

Monocyte PCA por harmonized sample organ system order AnetaMikulasova

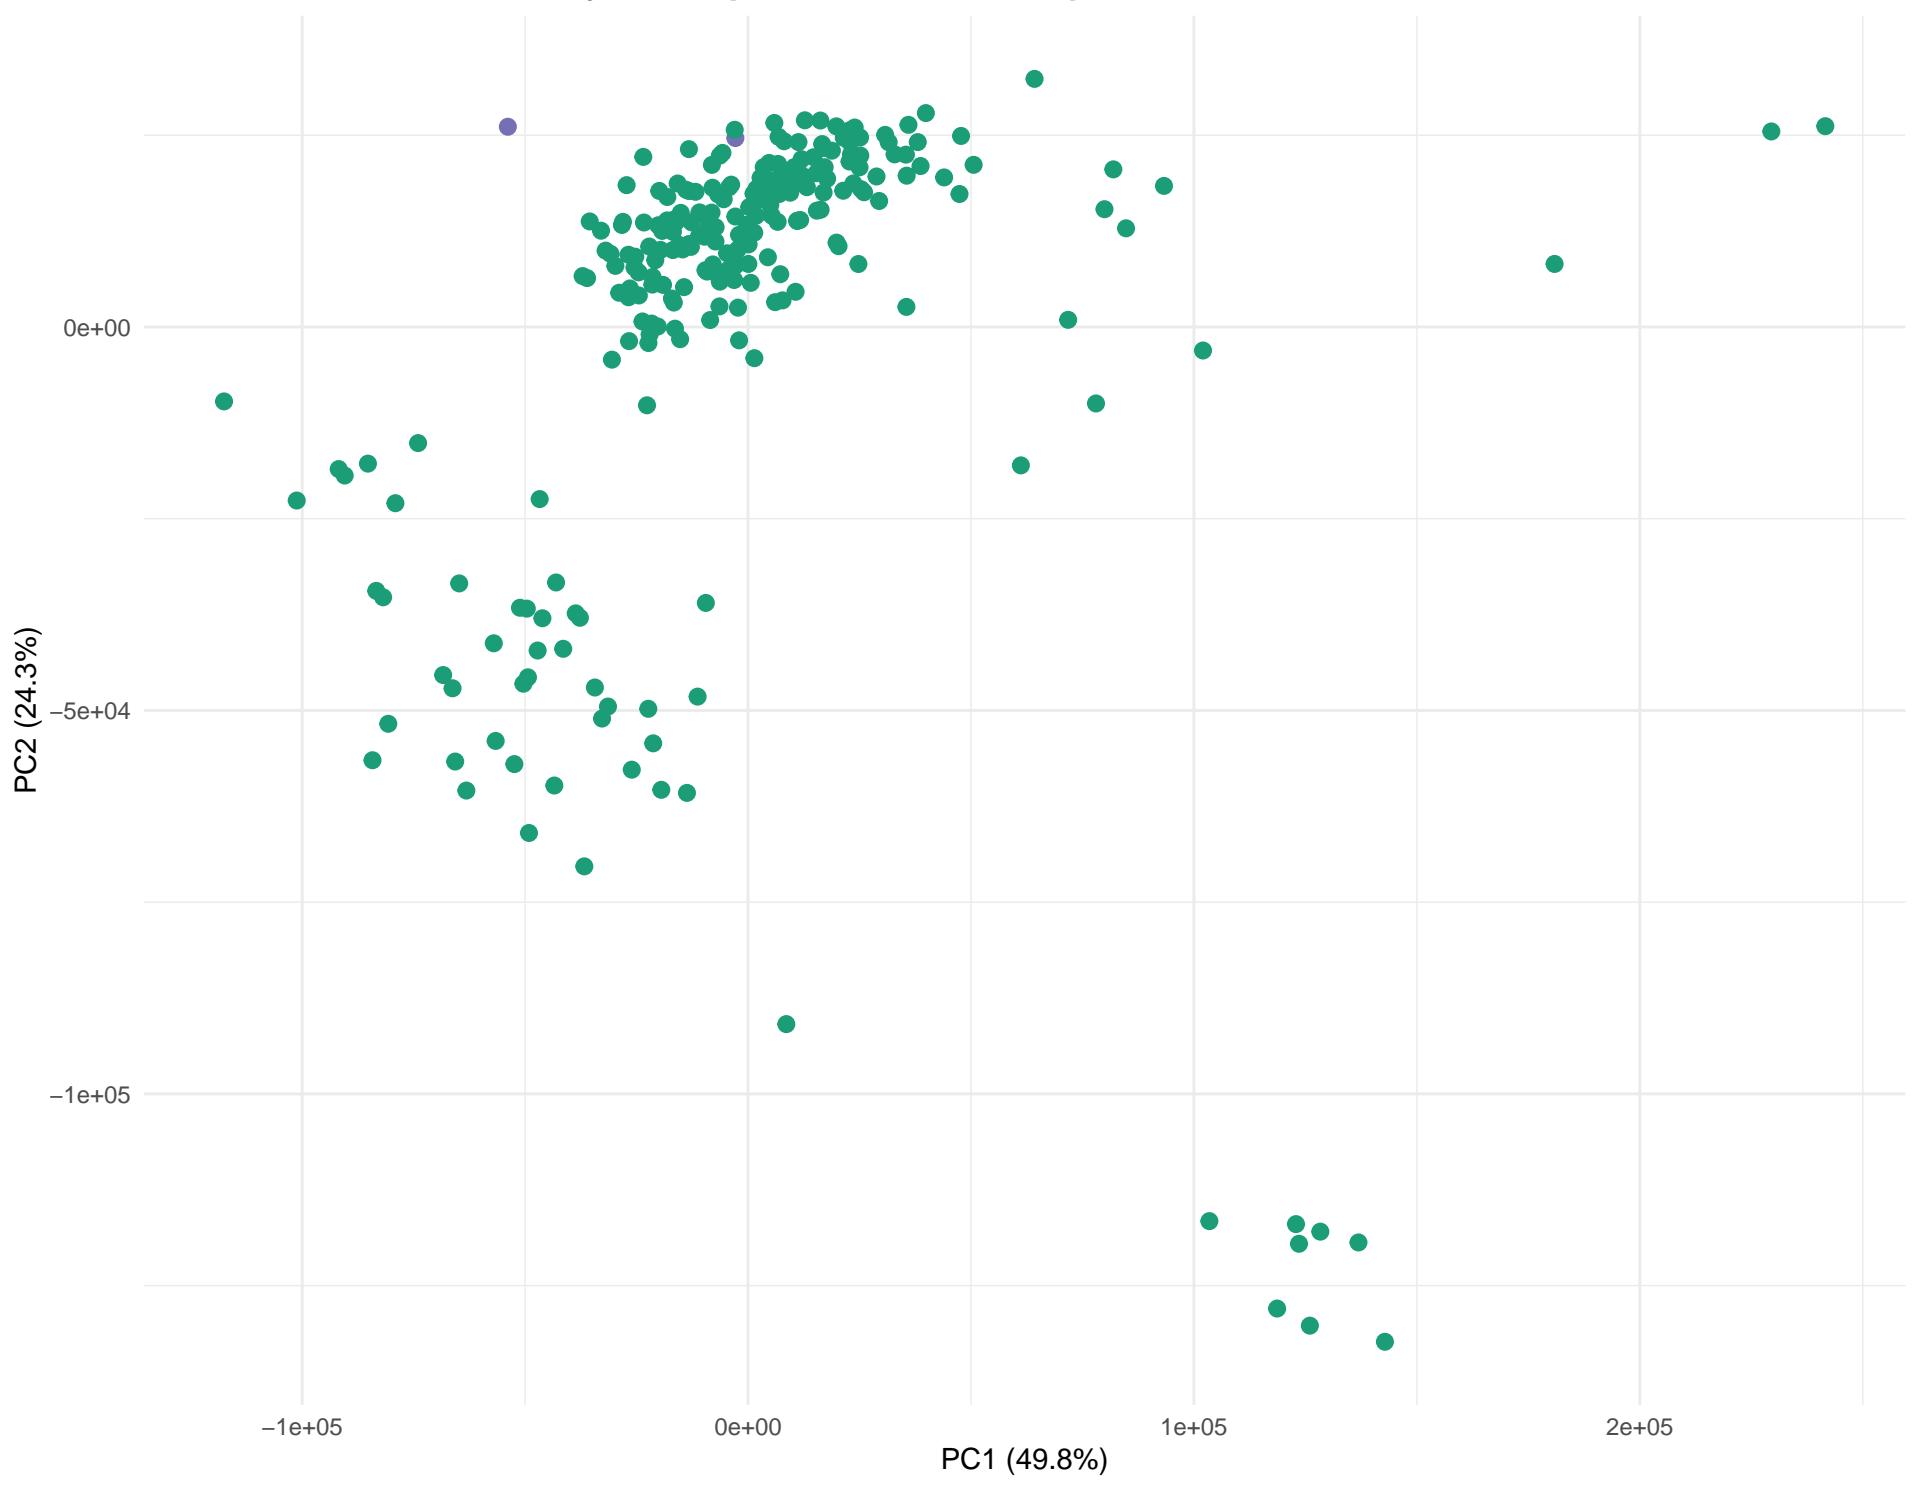

Monocyte PCA por harmonized sample organ order AnetaMikulasova

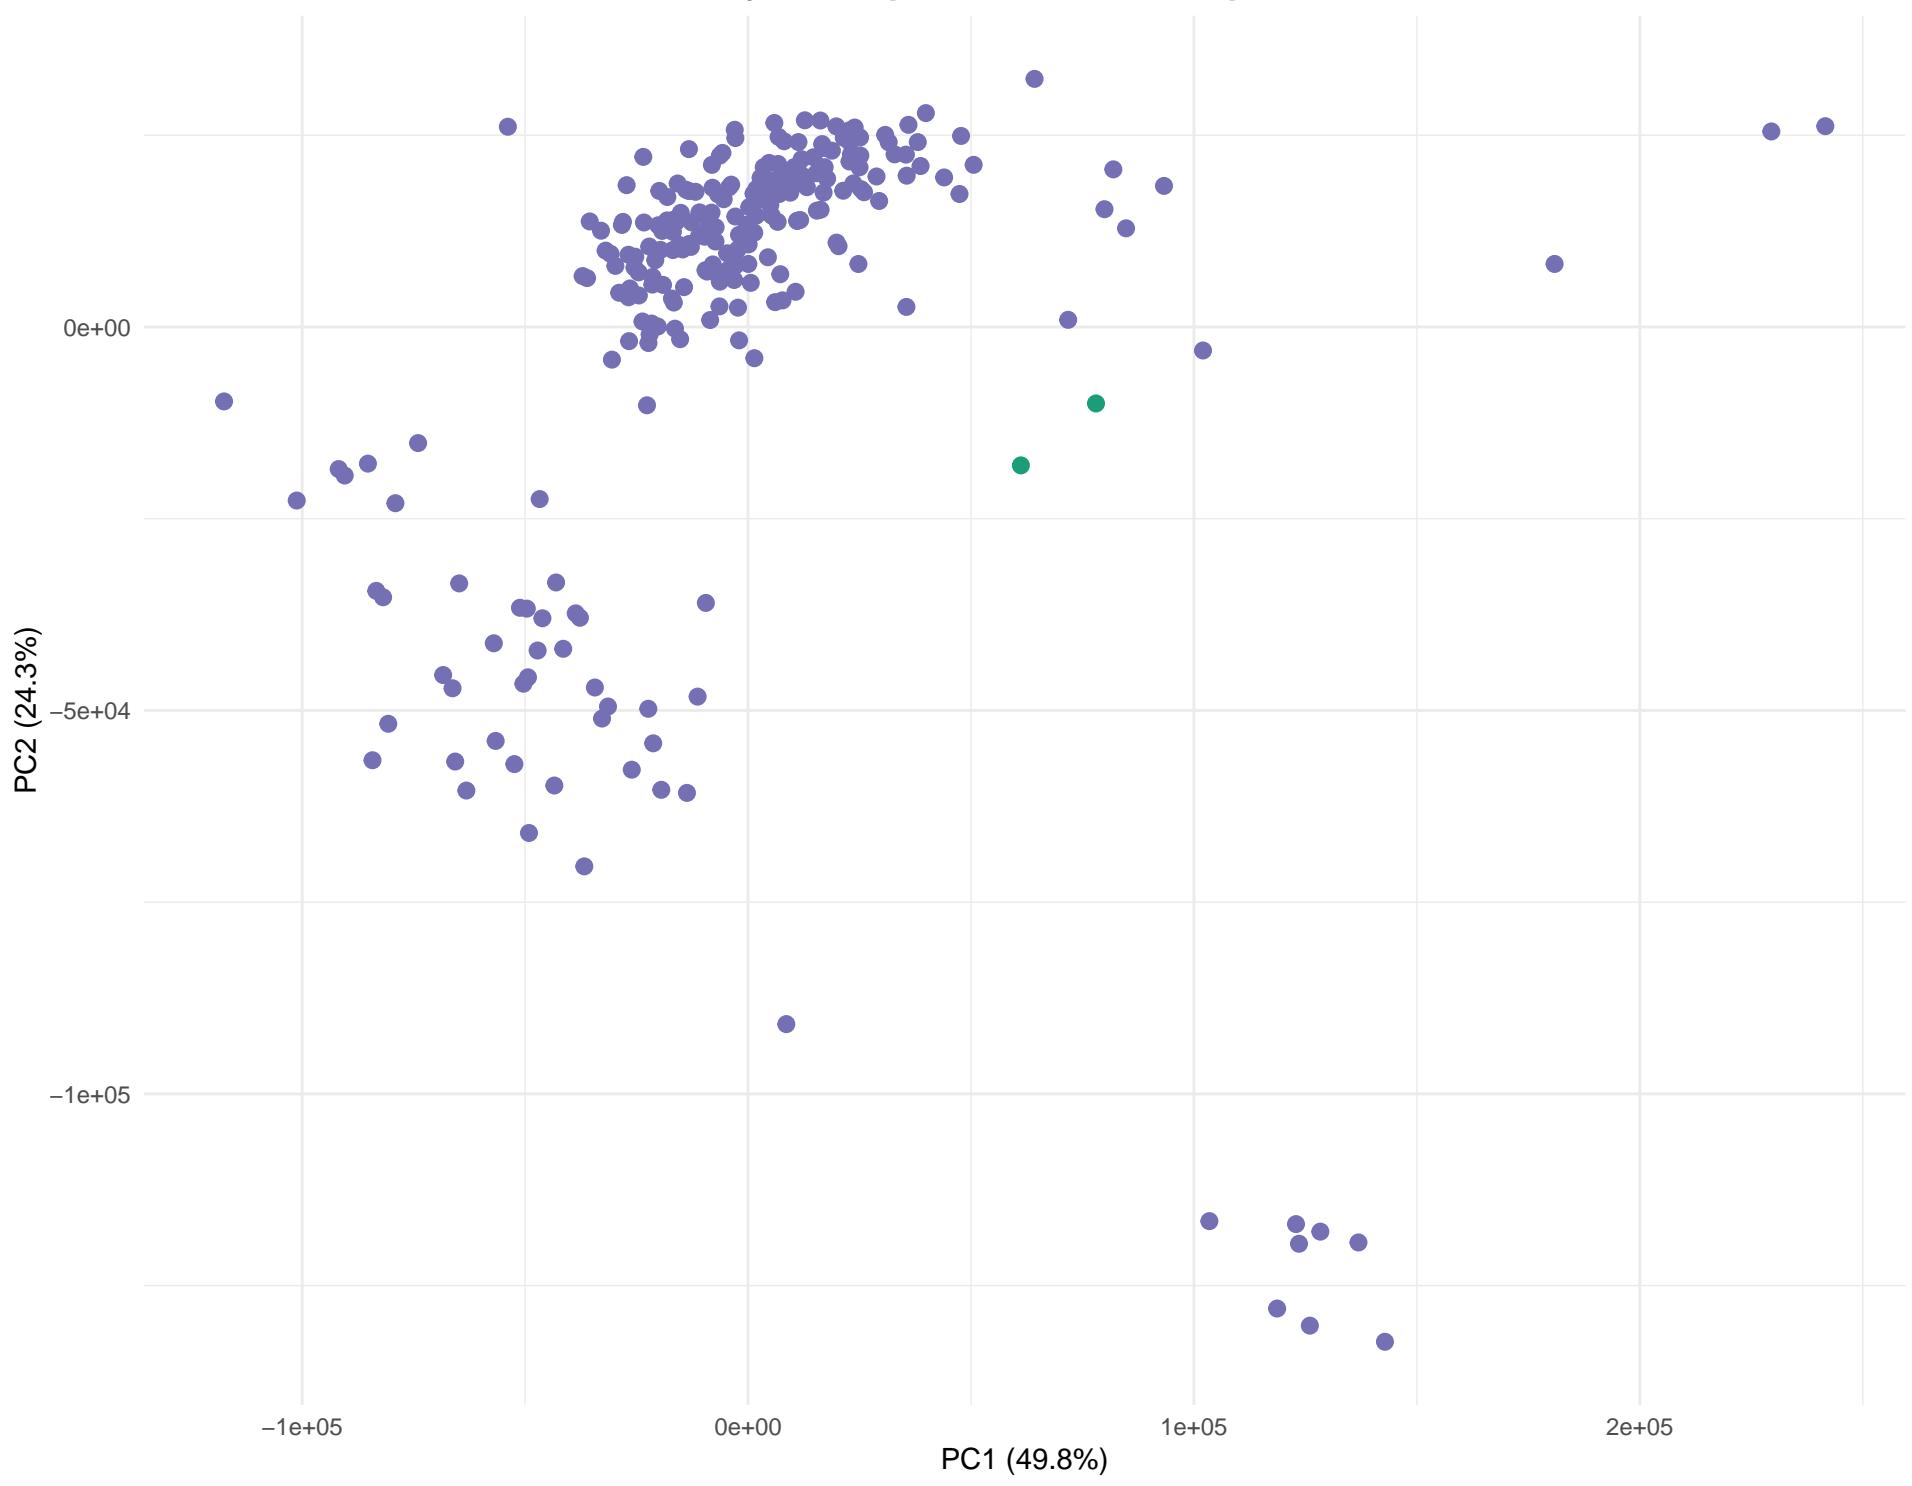

Monocyte PCA por harmonized sample organ part or lineage order AnetaMikulasova

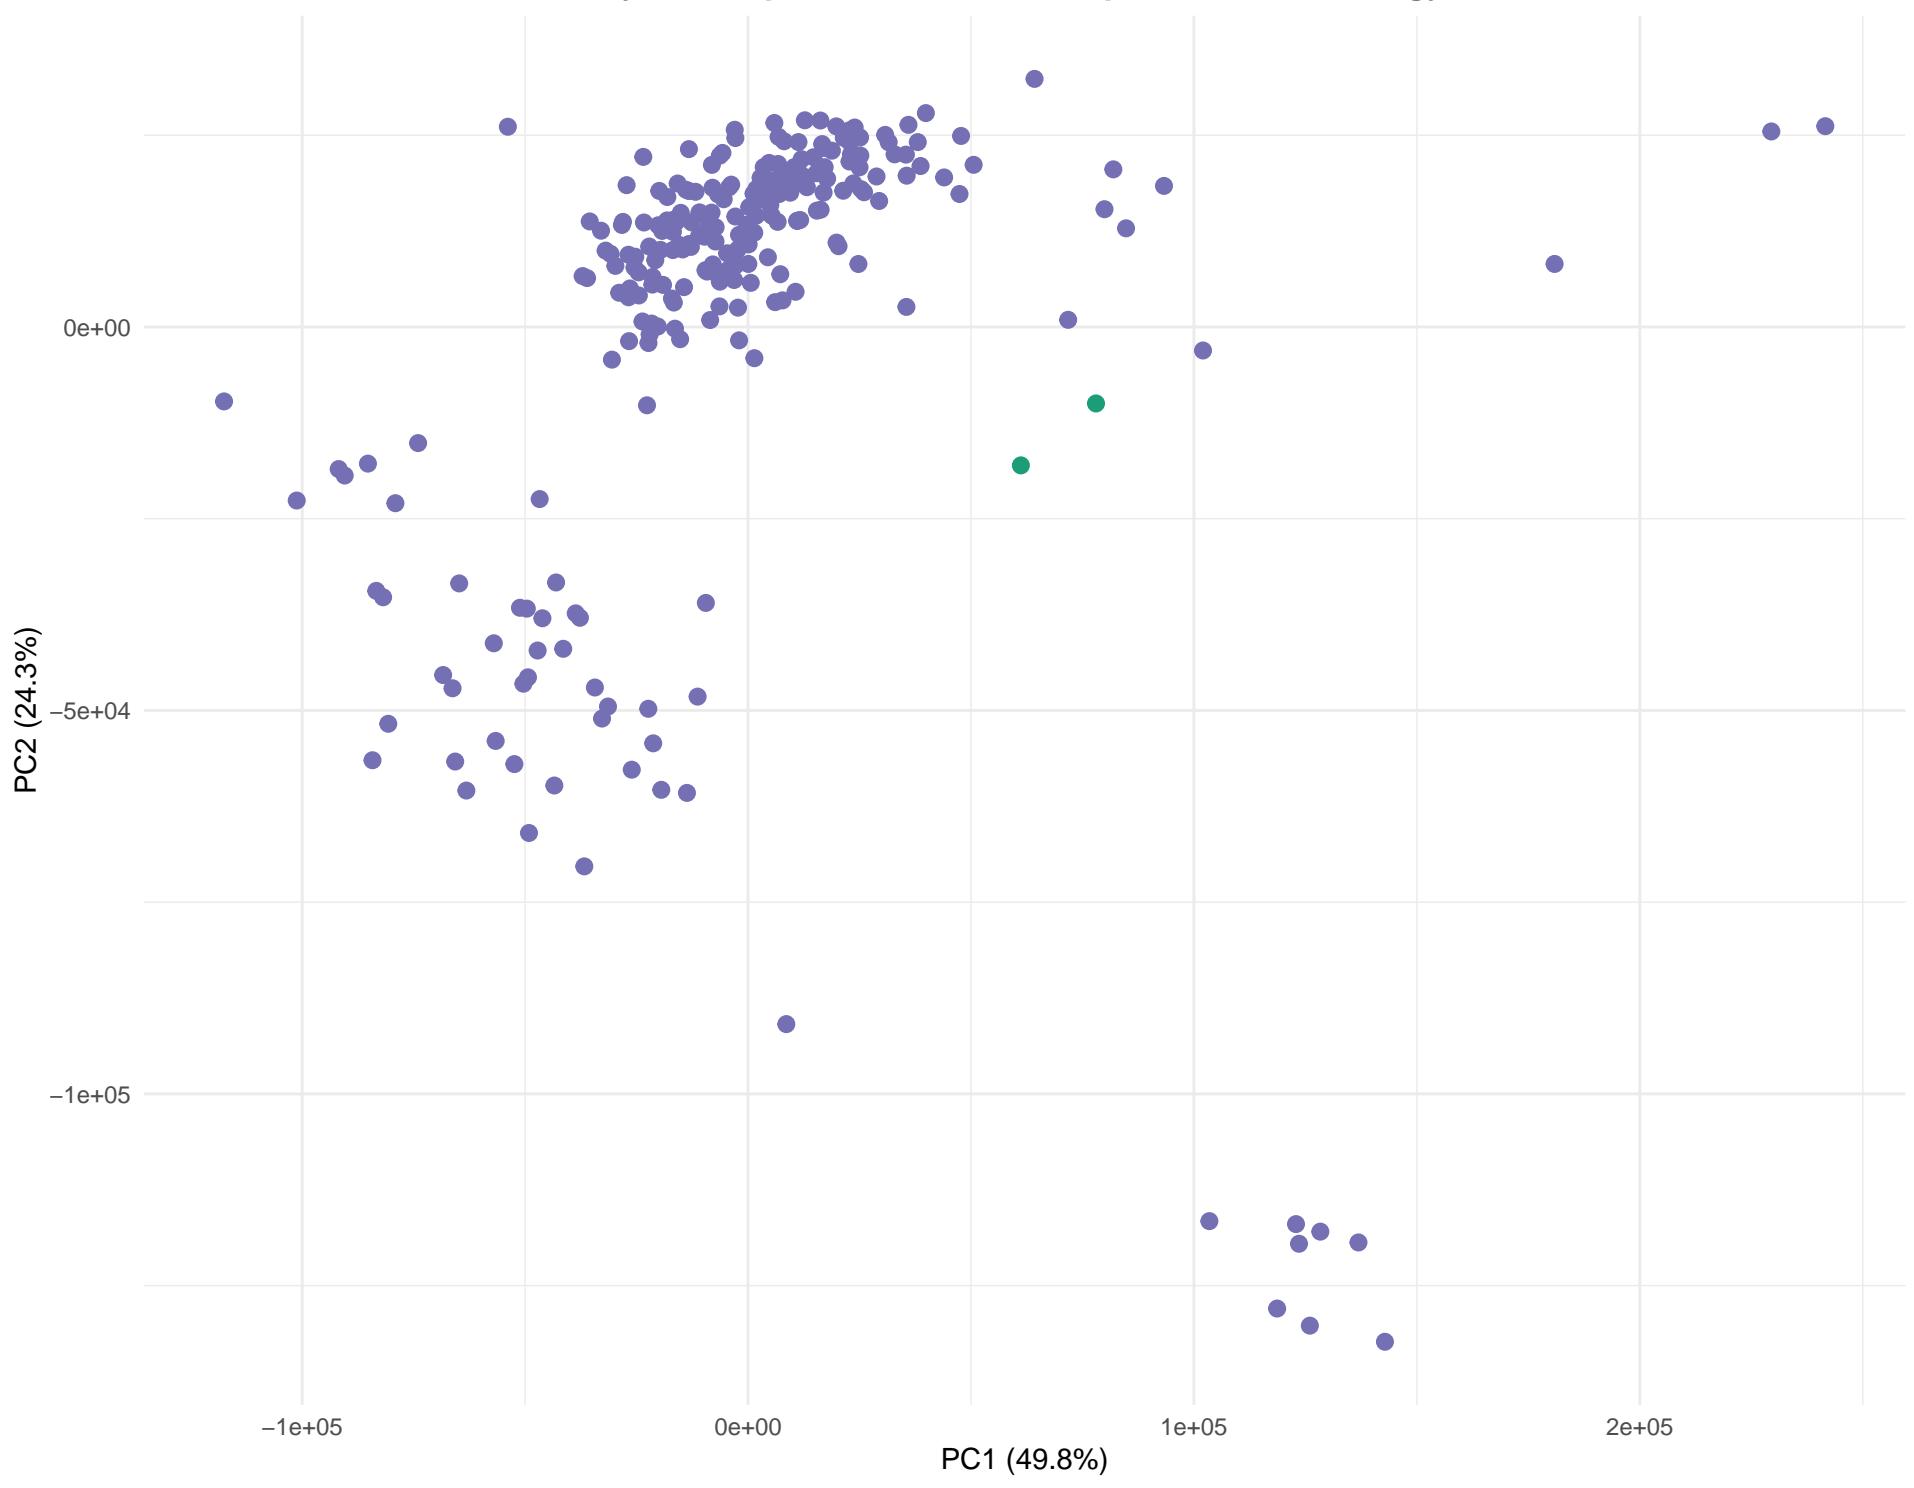

Monocyte PCA por harmonized sample cell order AnetaMikulasova

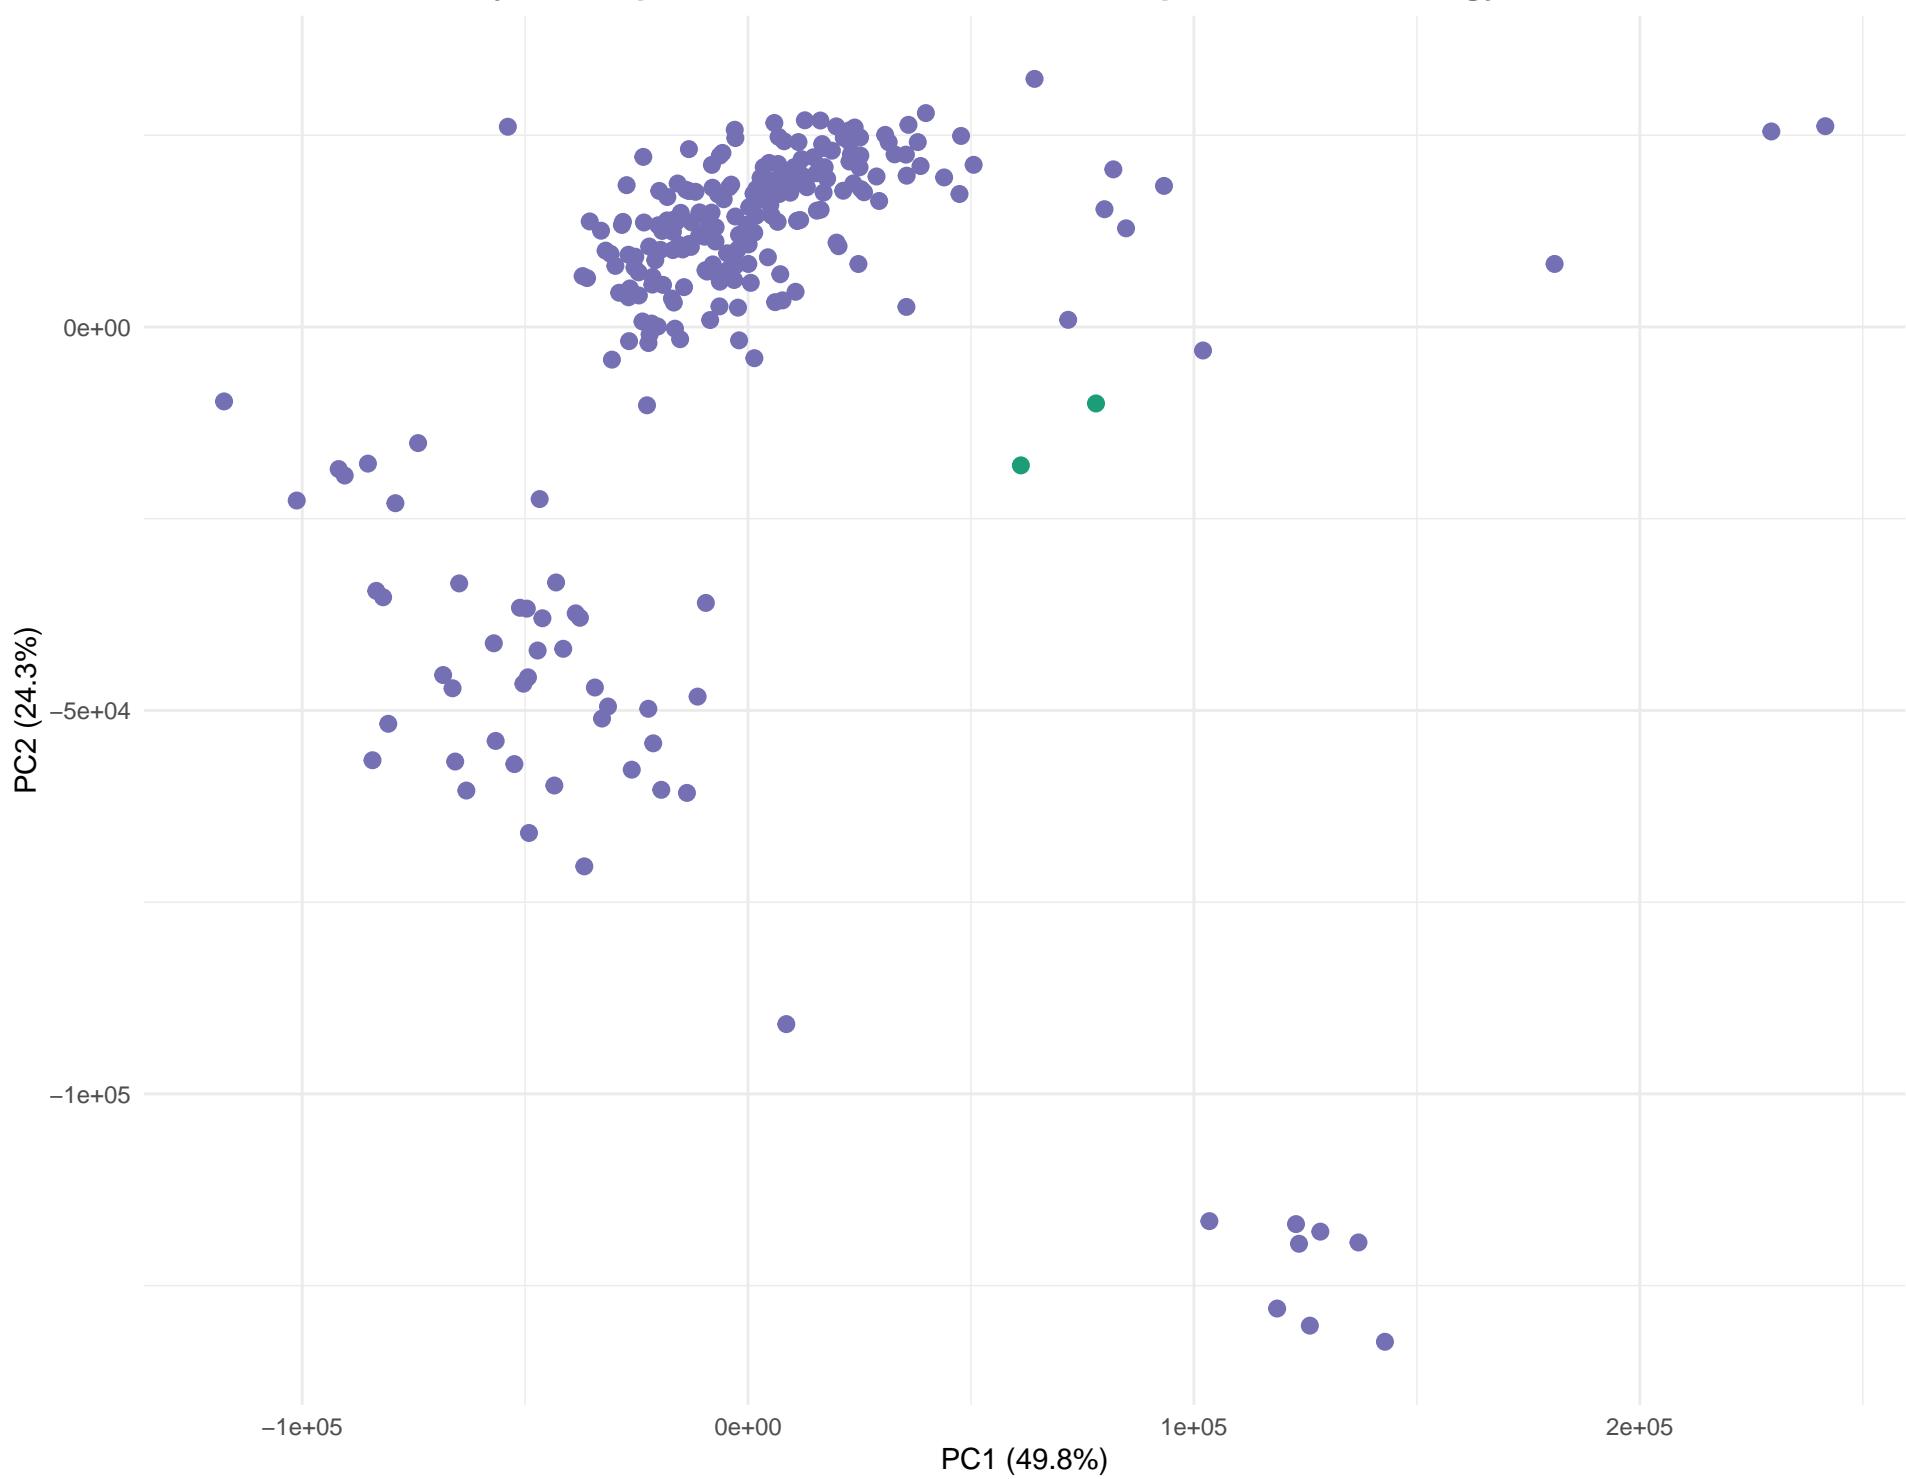

### Monocyte PCA por harmonized sample disease

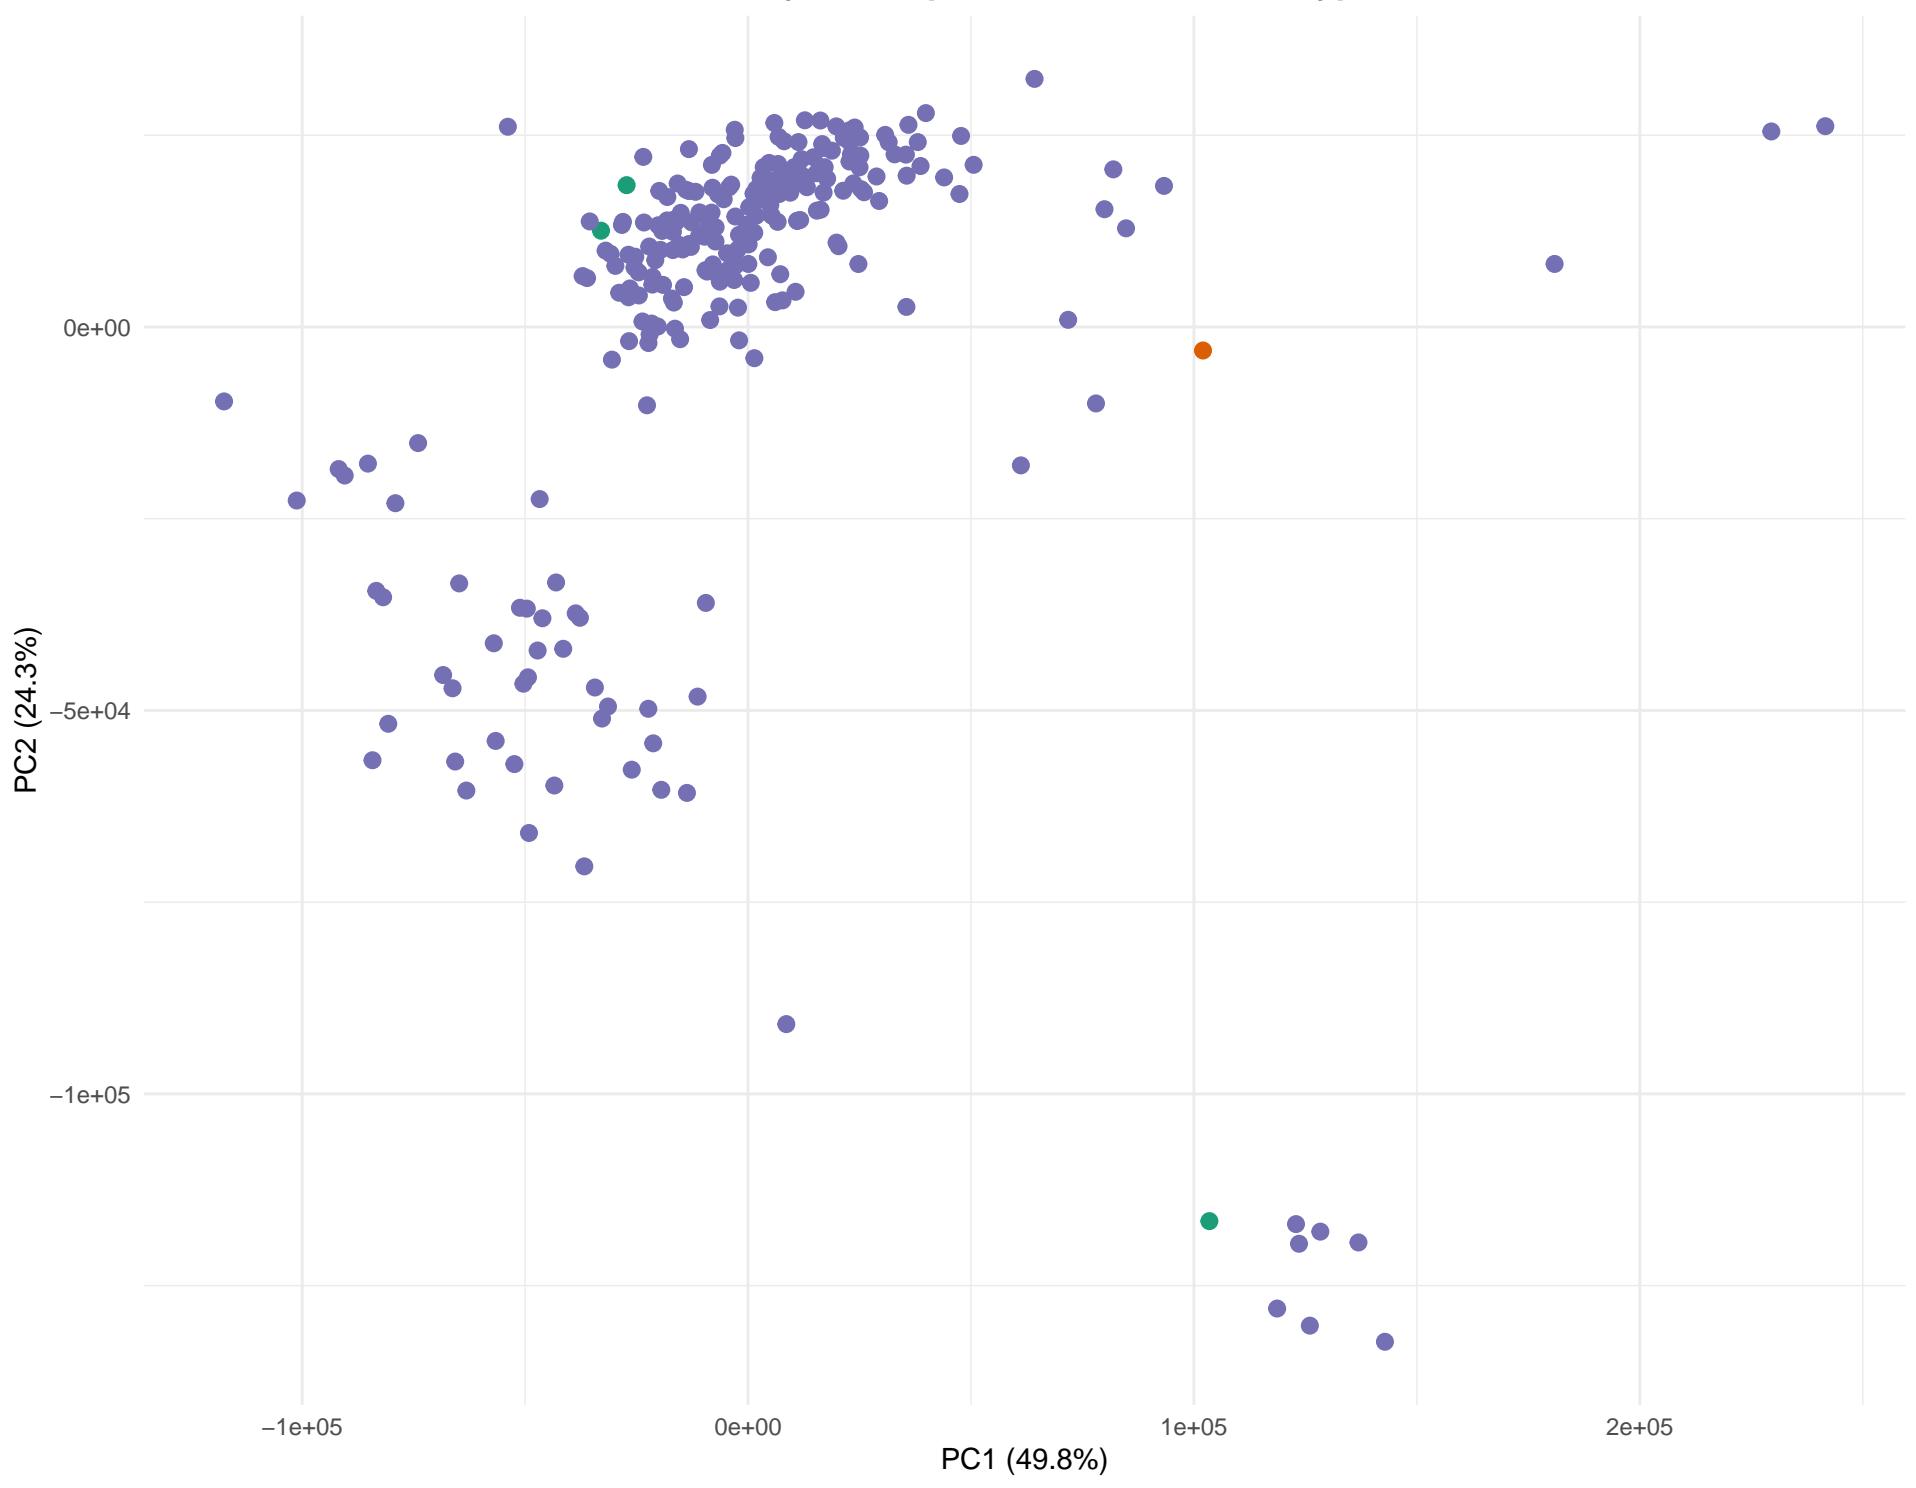

### Monocyte PCA por harmonized sample disease ontology curie

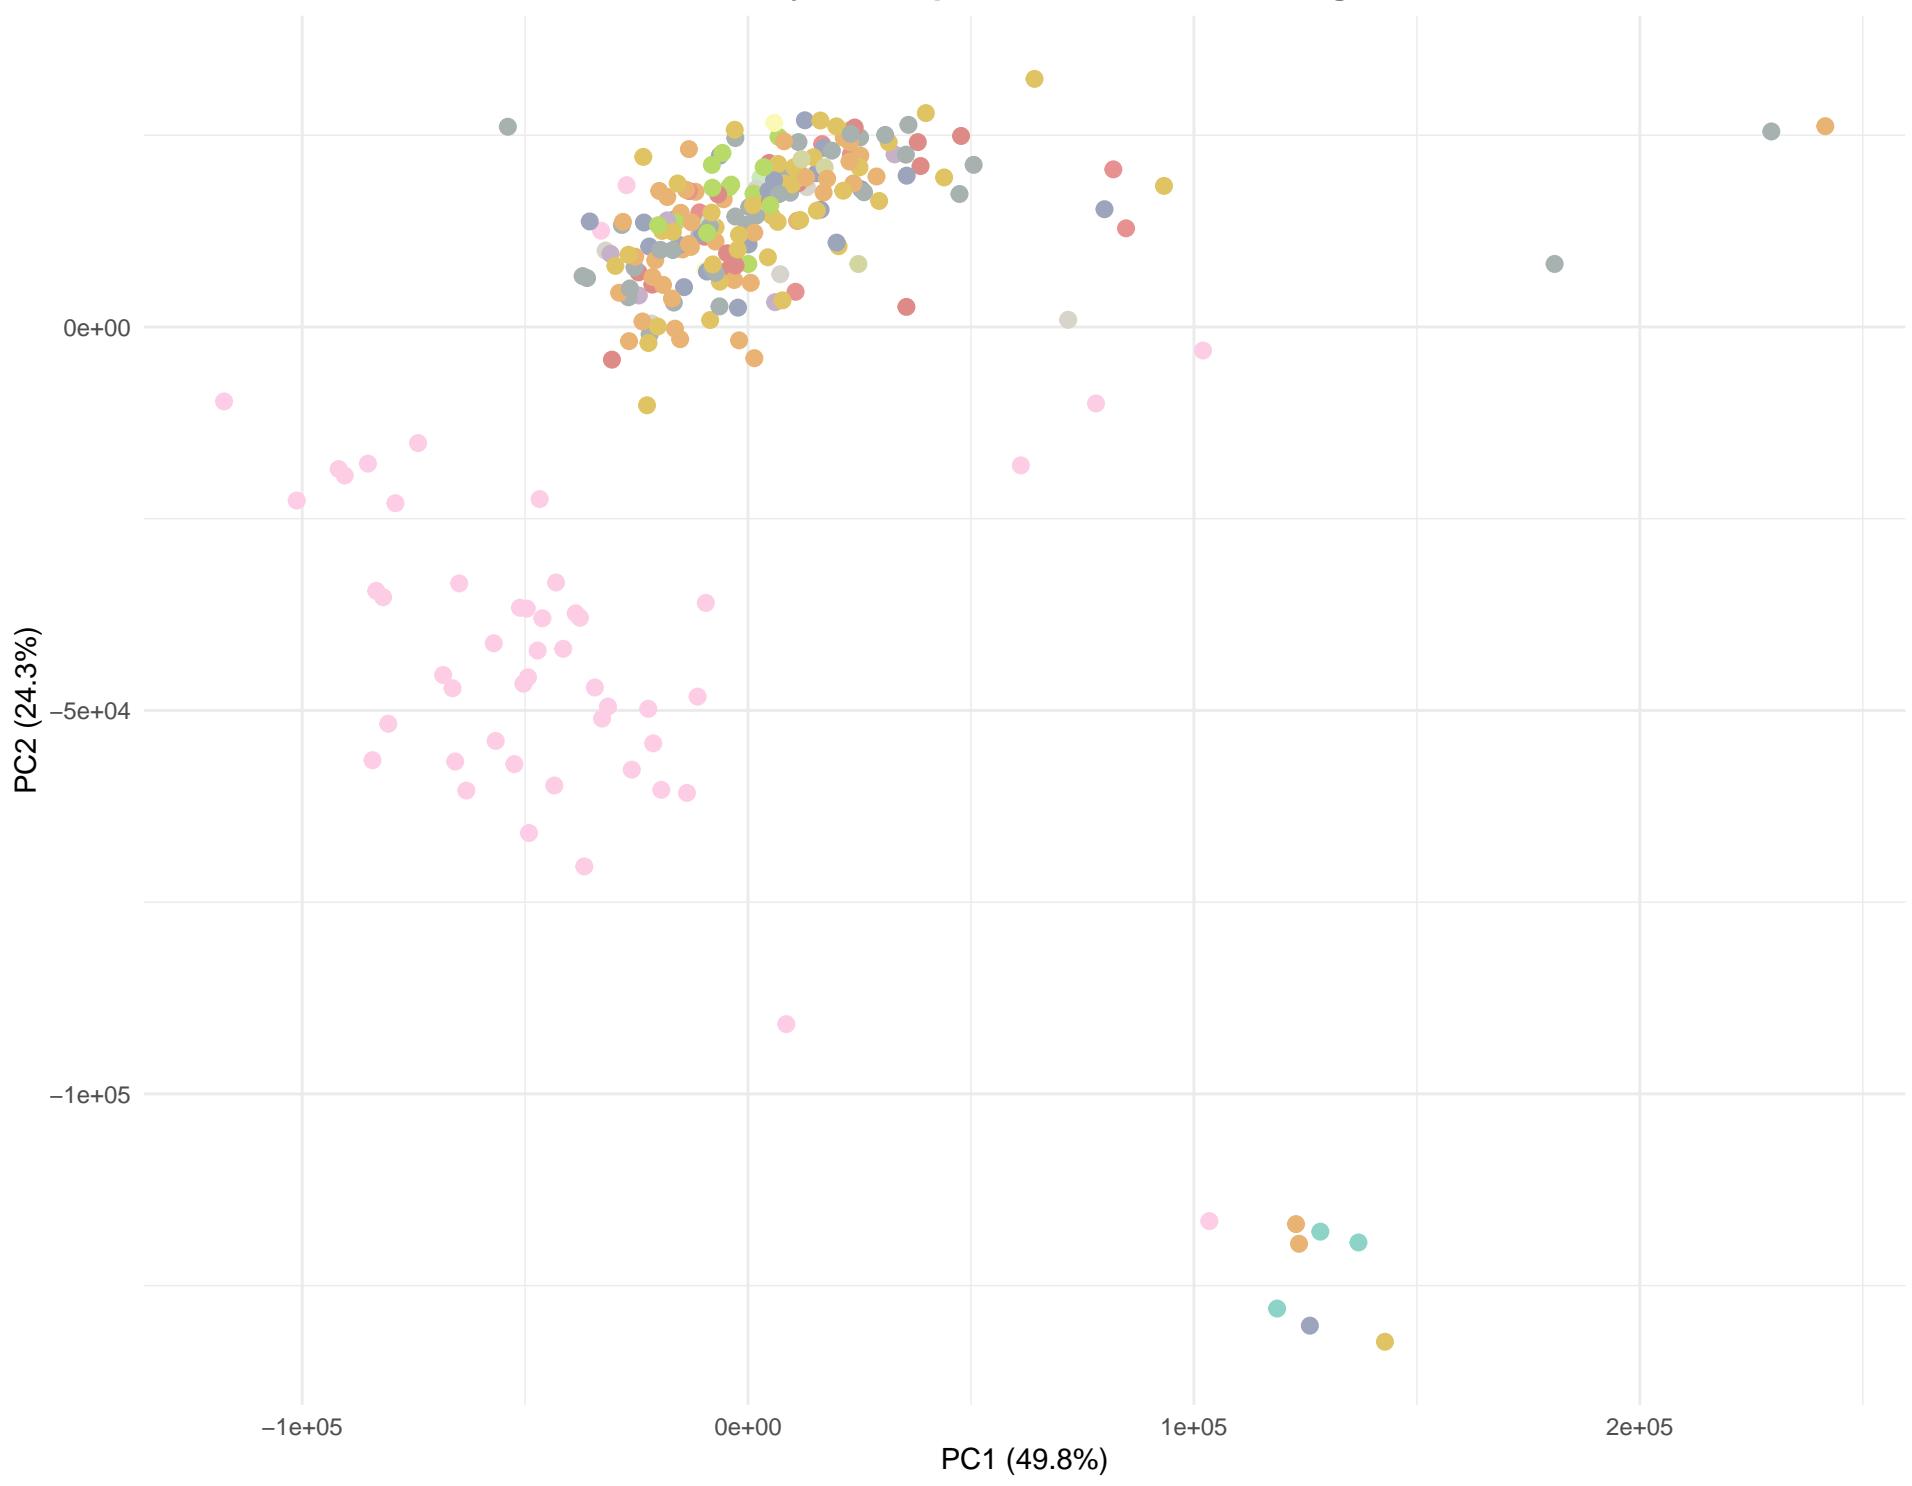

Monocyte PCA por automated harmonized sample disease ontology curie ncit

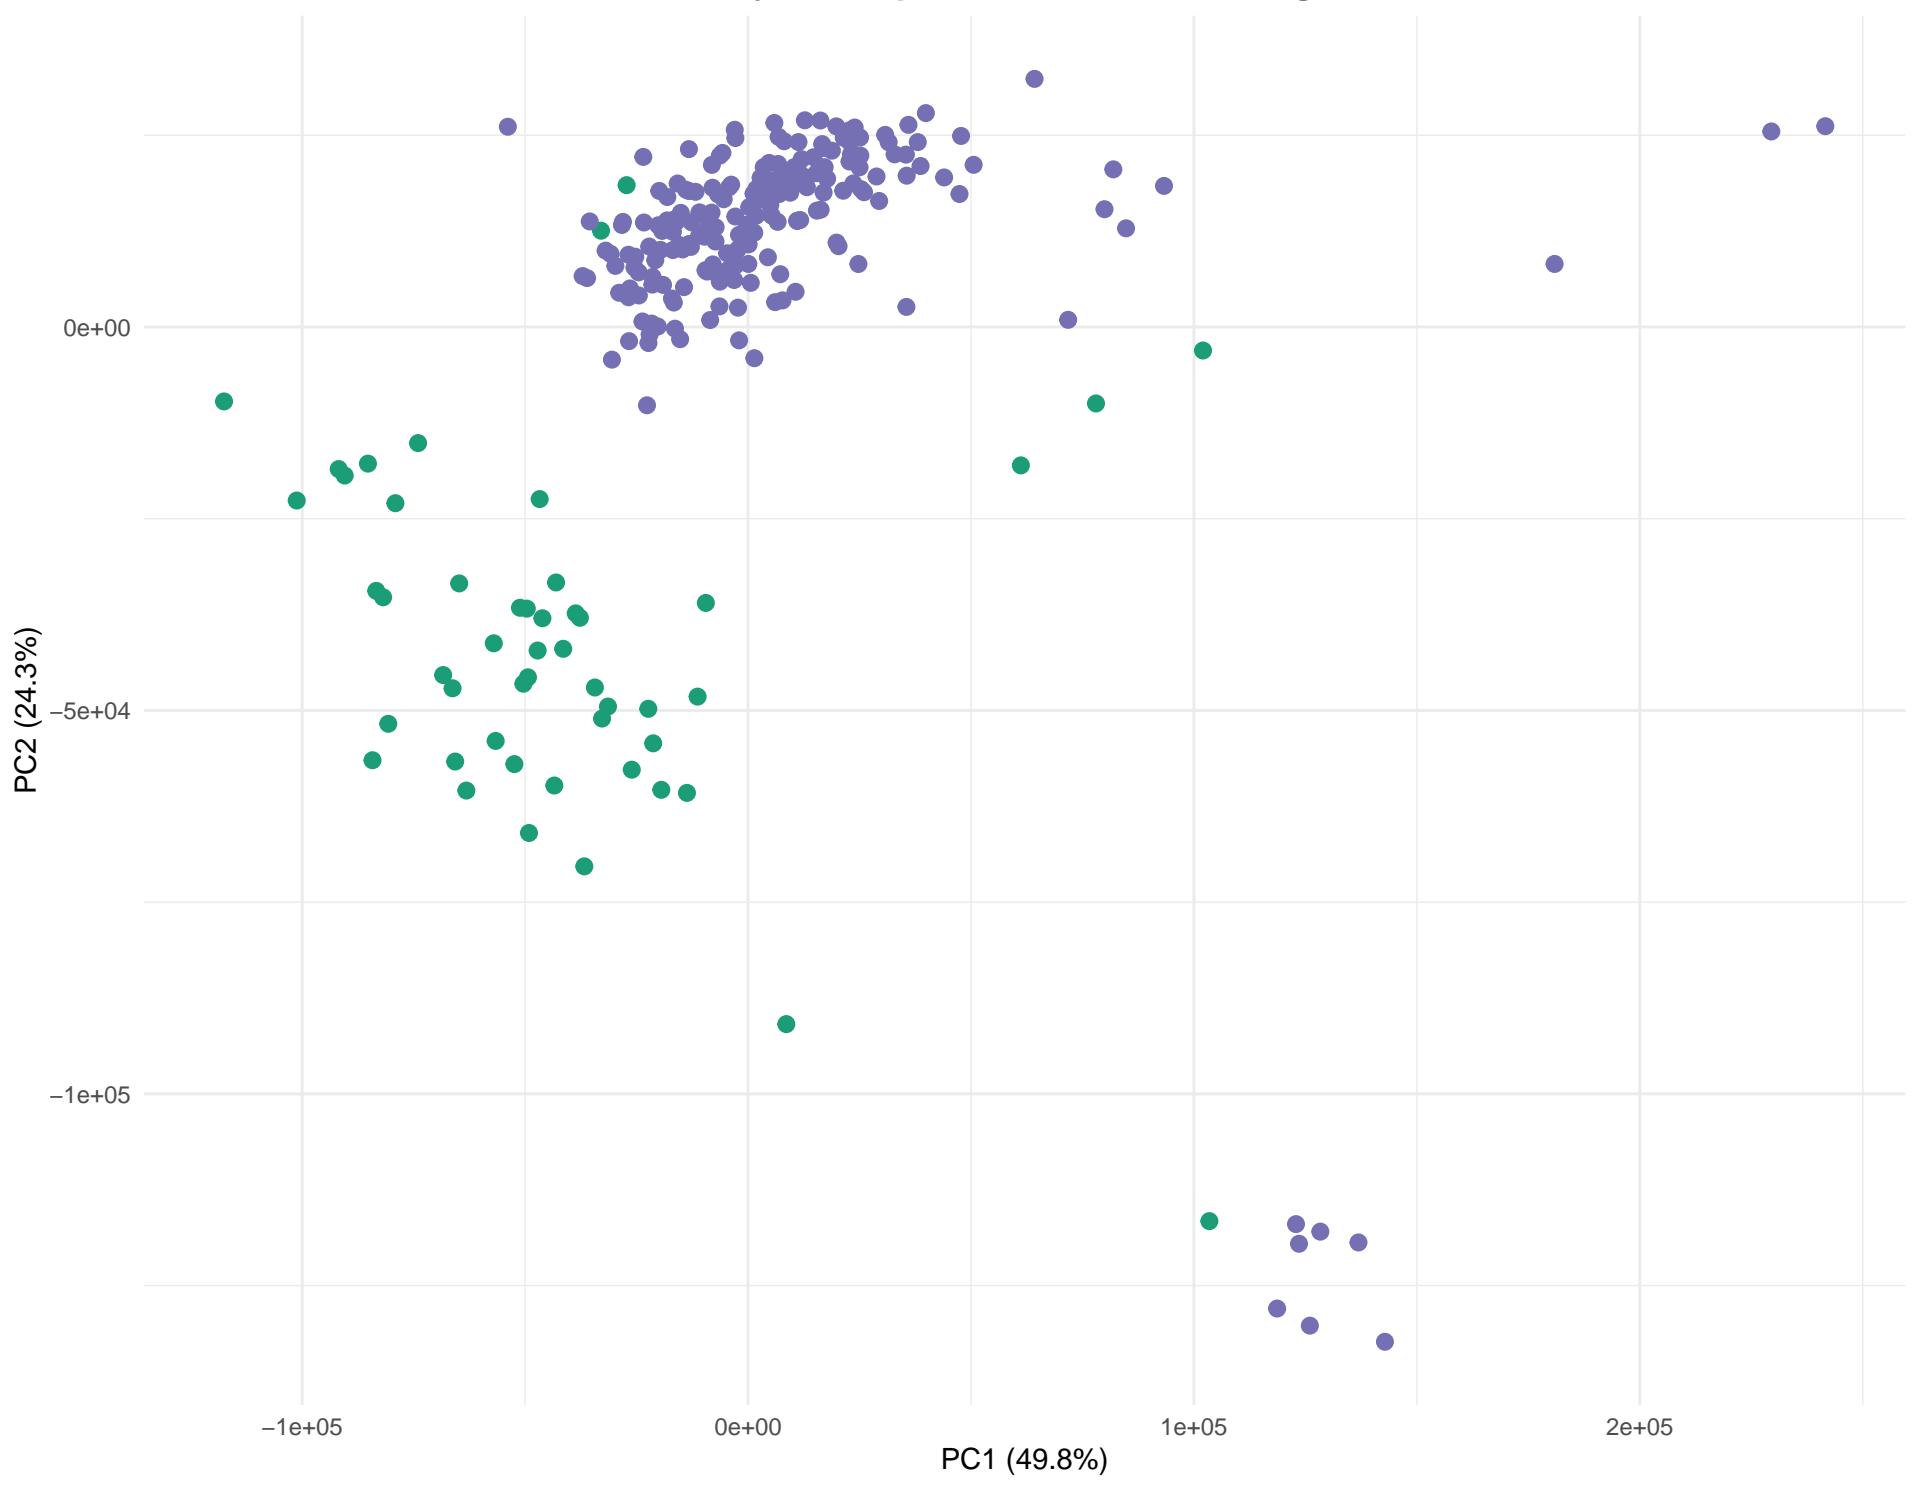

# Monocyte PCA por harmonized donor type

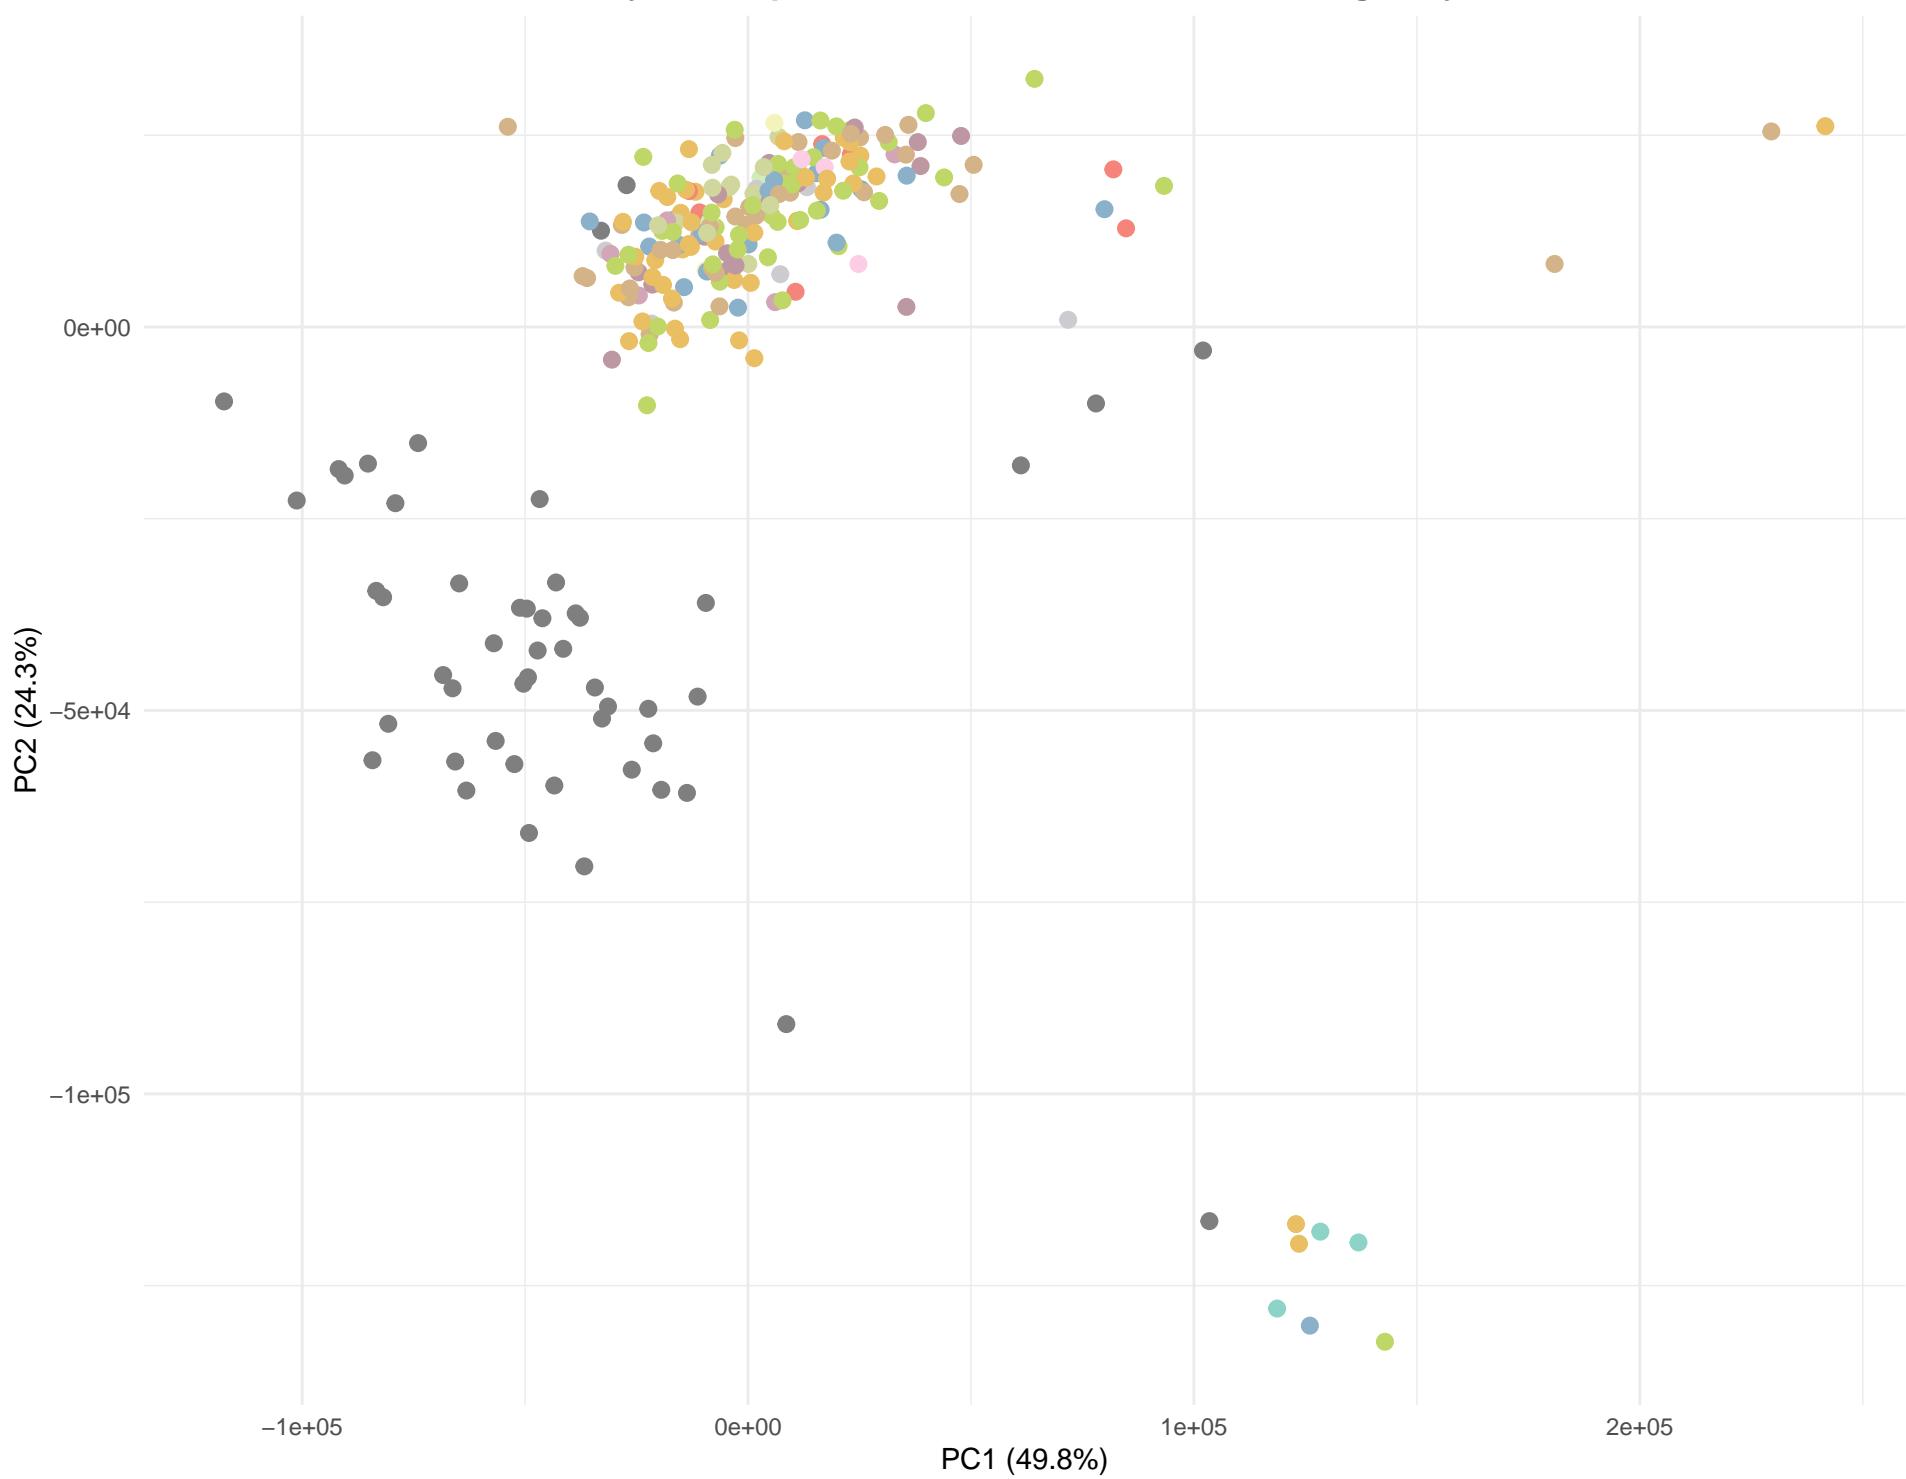

# Monocyte PCA por harmonized donor age

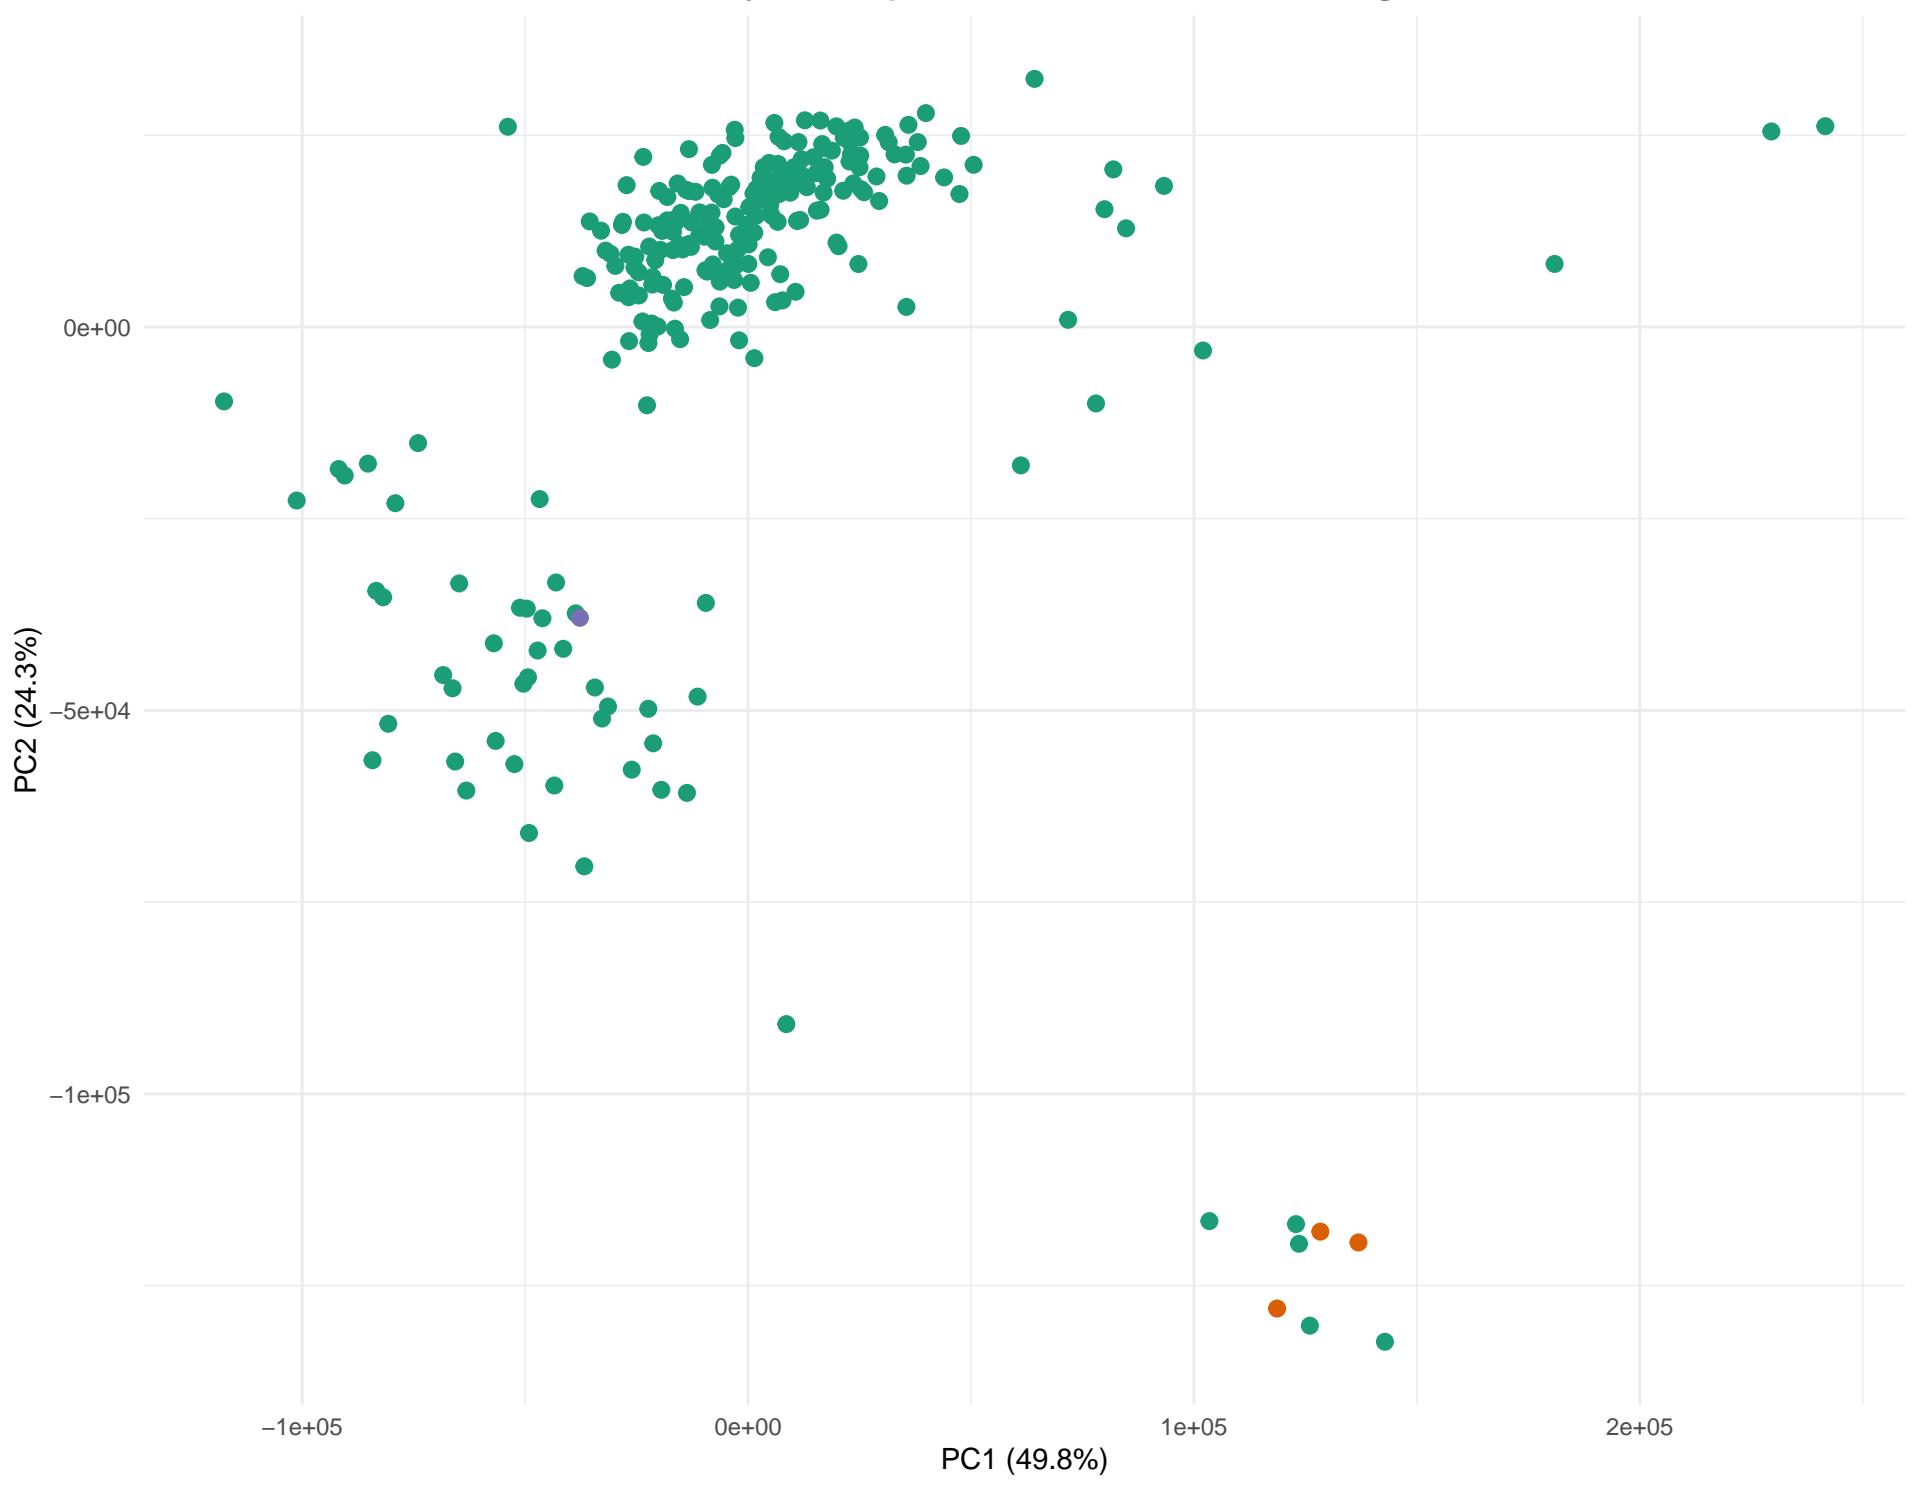

Monocyte PCA por harmonized donor age unit

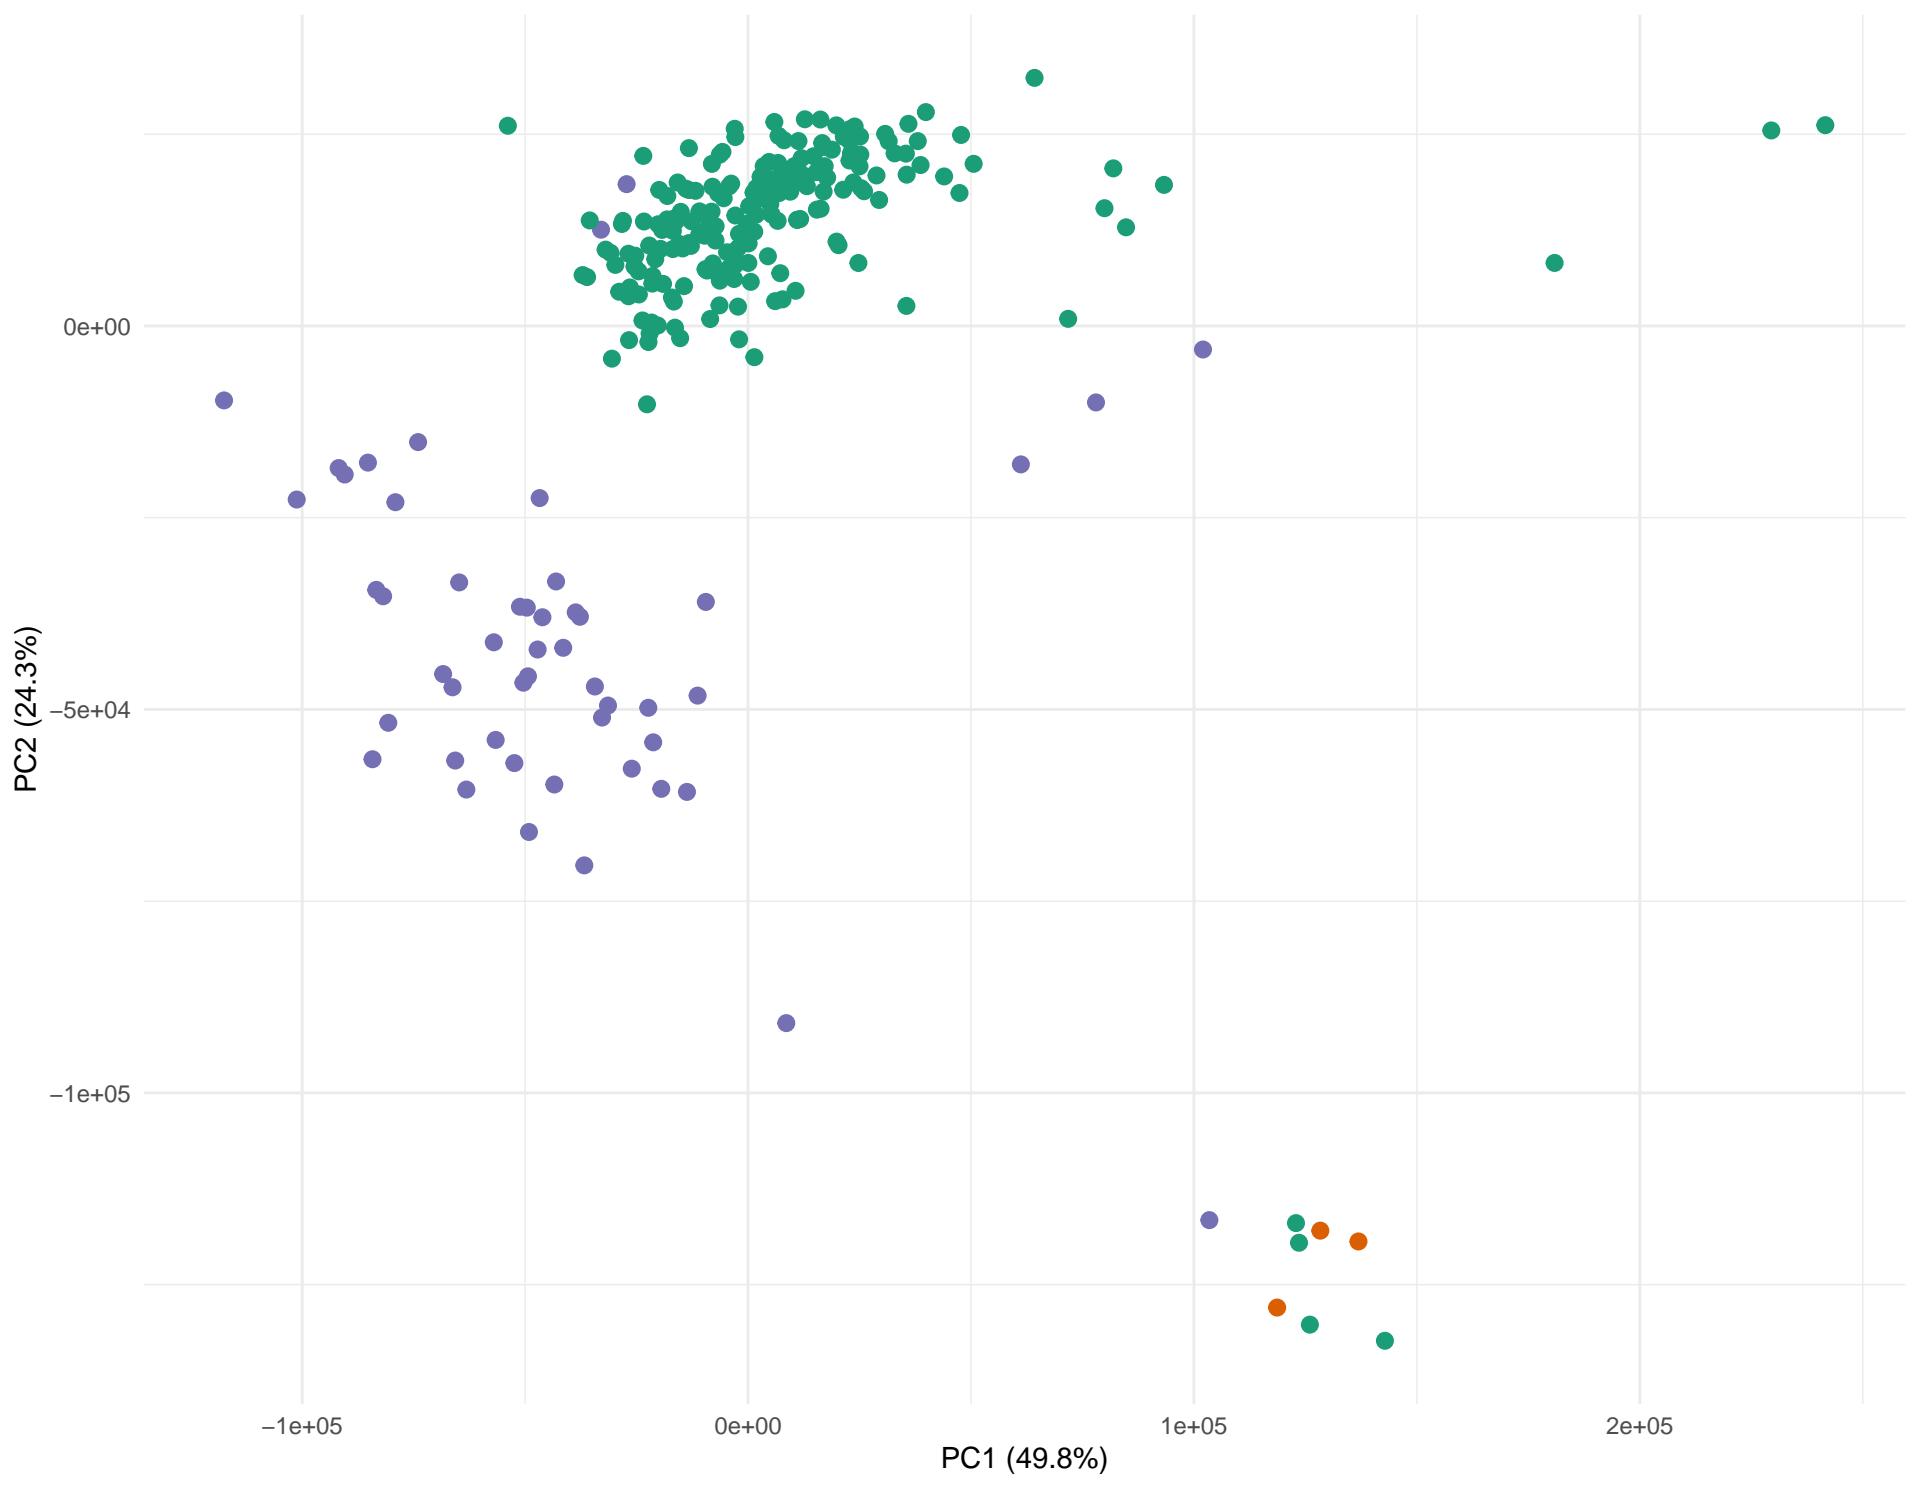

# Monocyte PCA por automated harmonized donor age in years

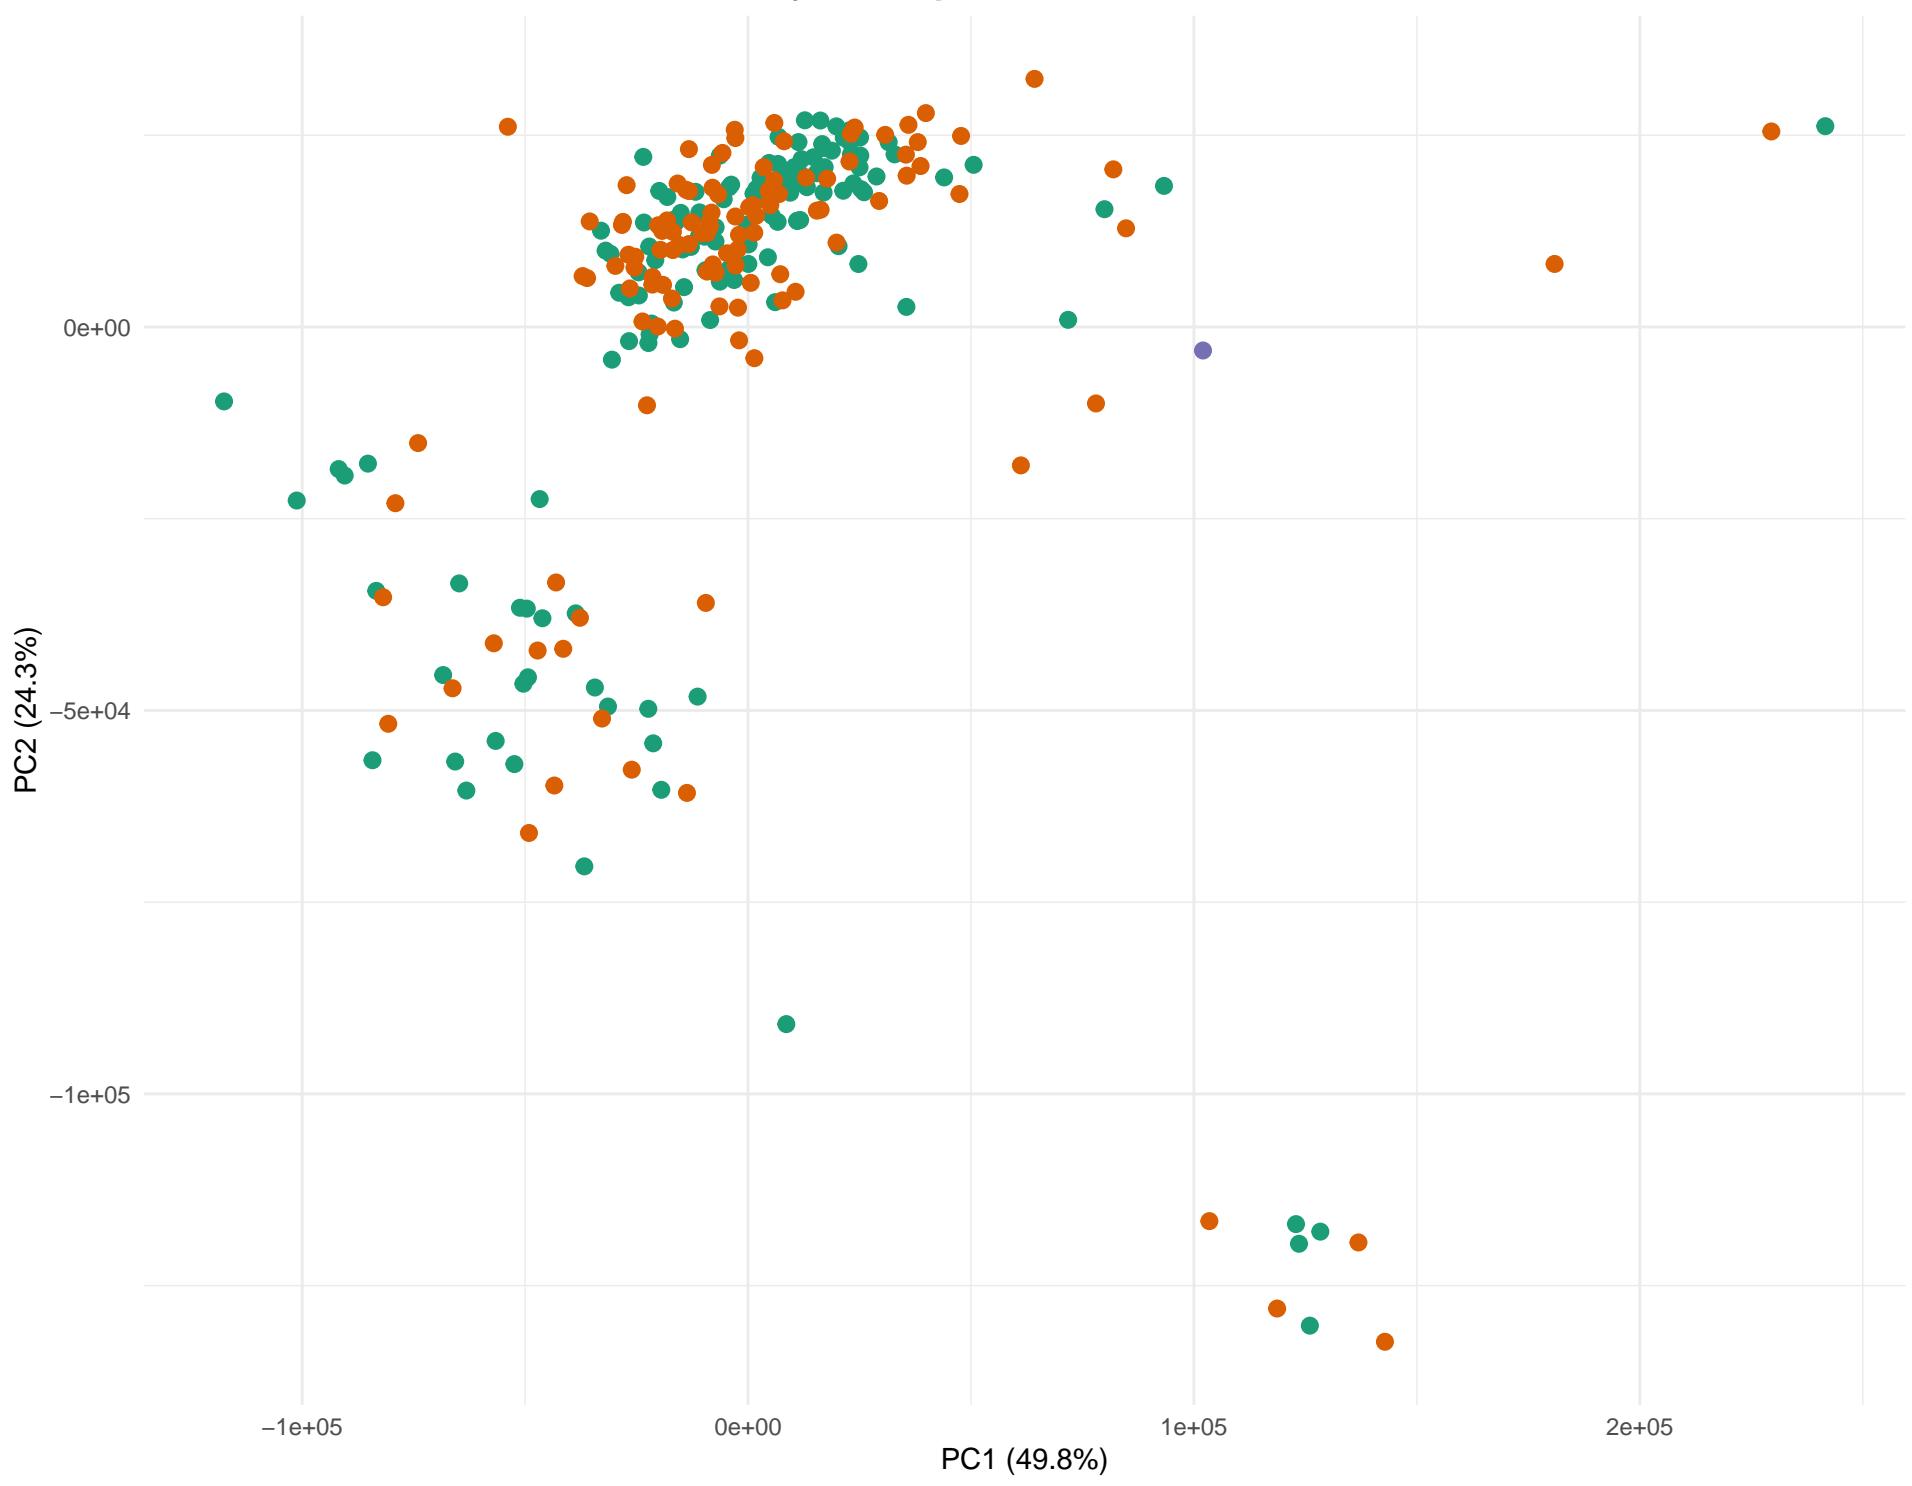

### Monocyte PCA por harmonized donor life stage

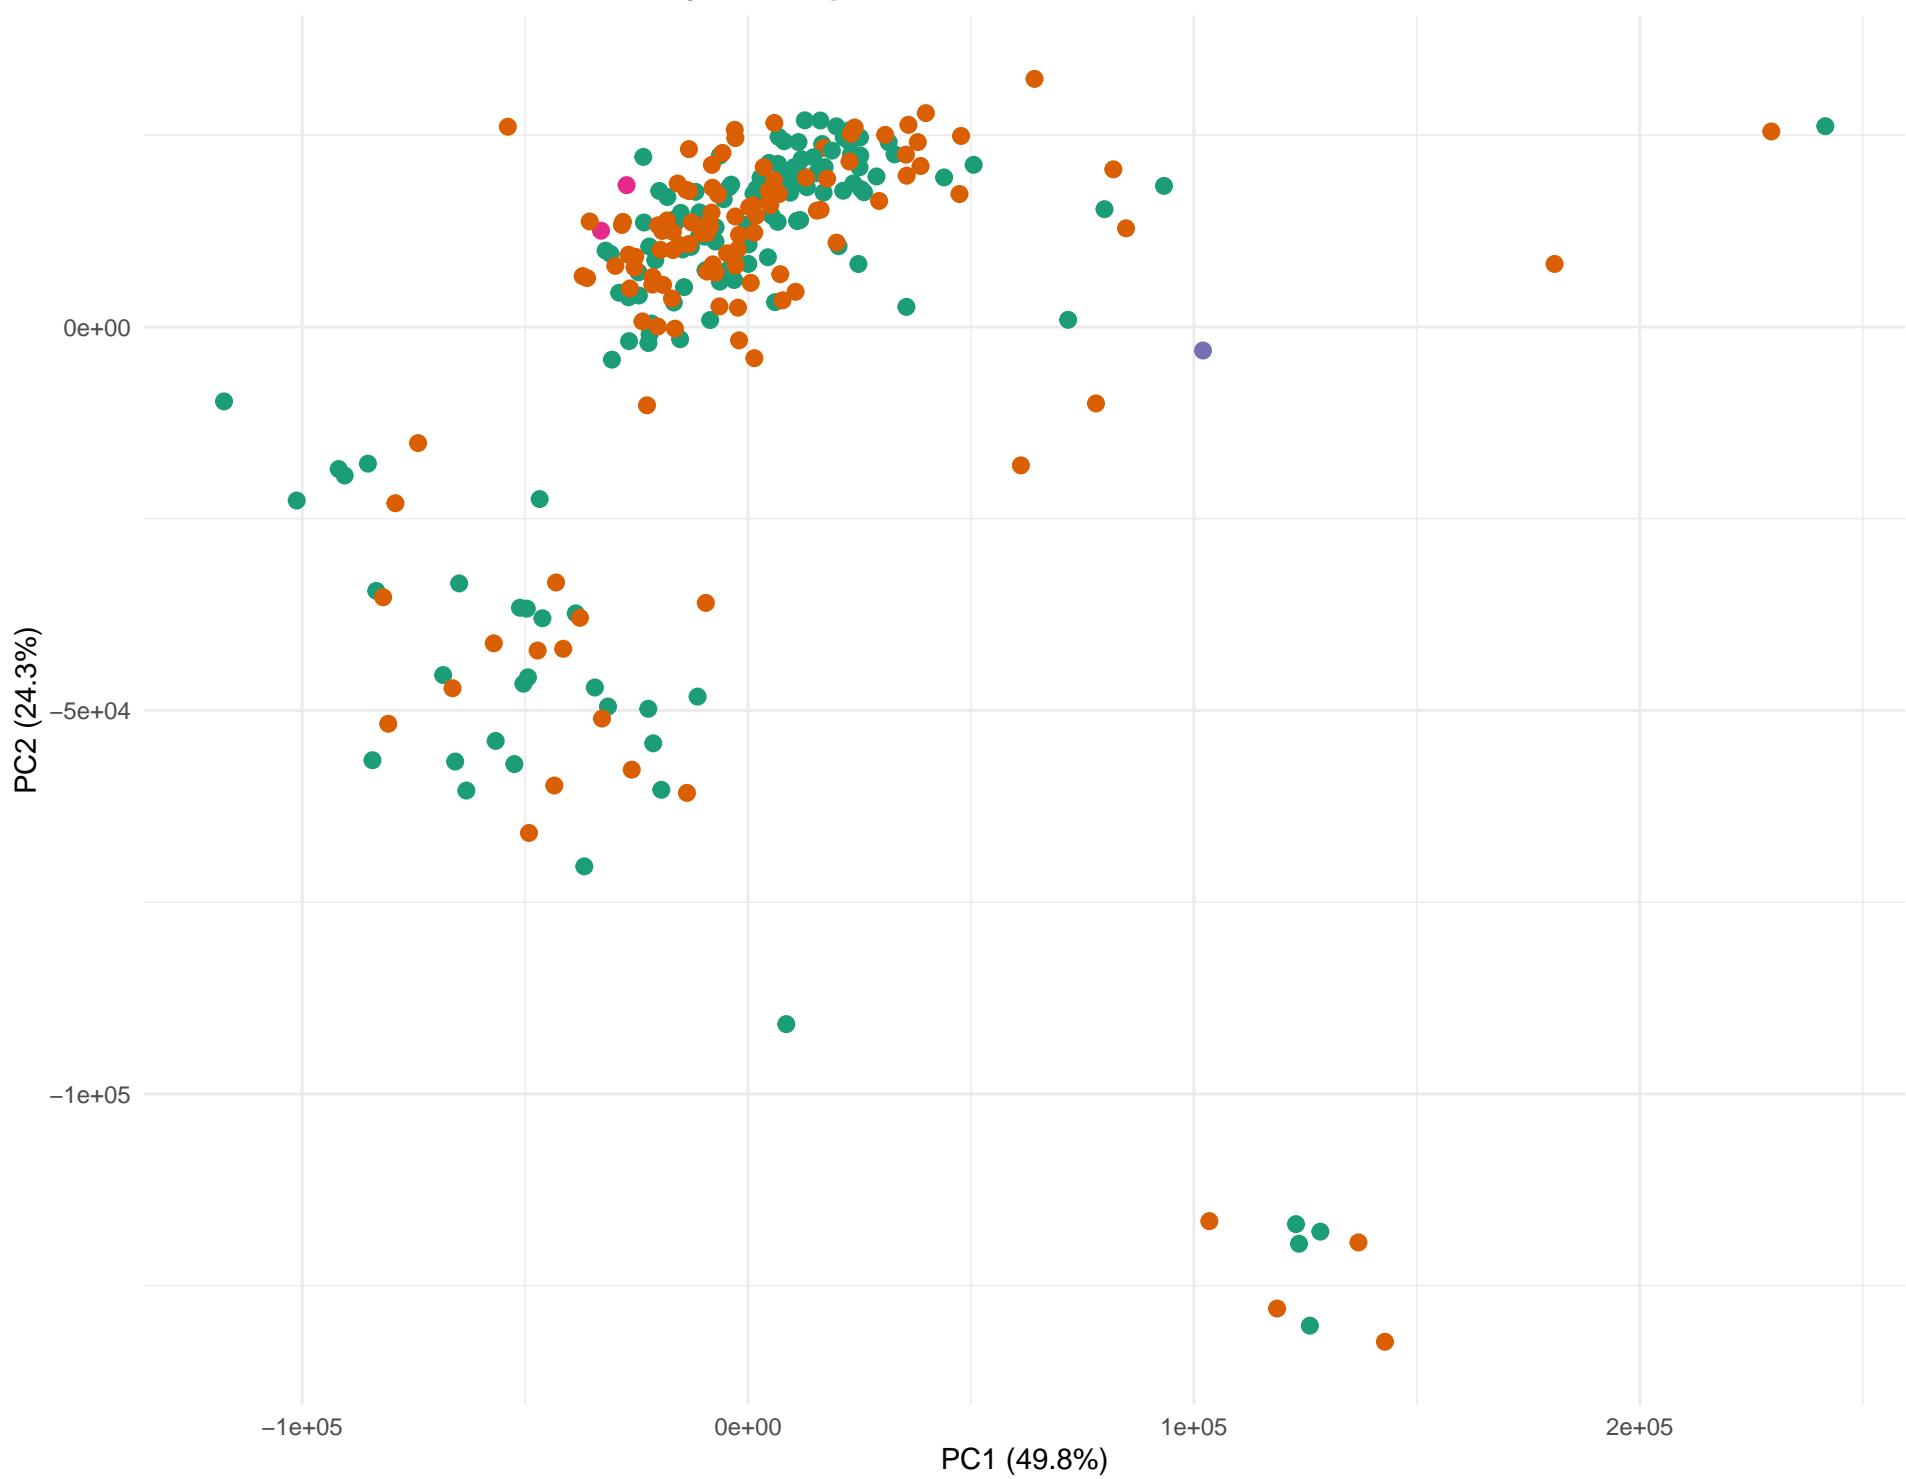

Monocyte PCA por harmonized donor life stage uncorrected

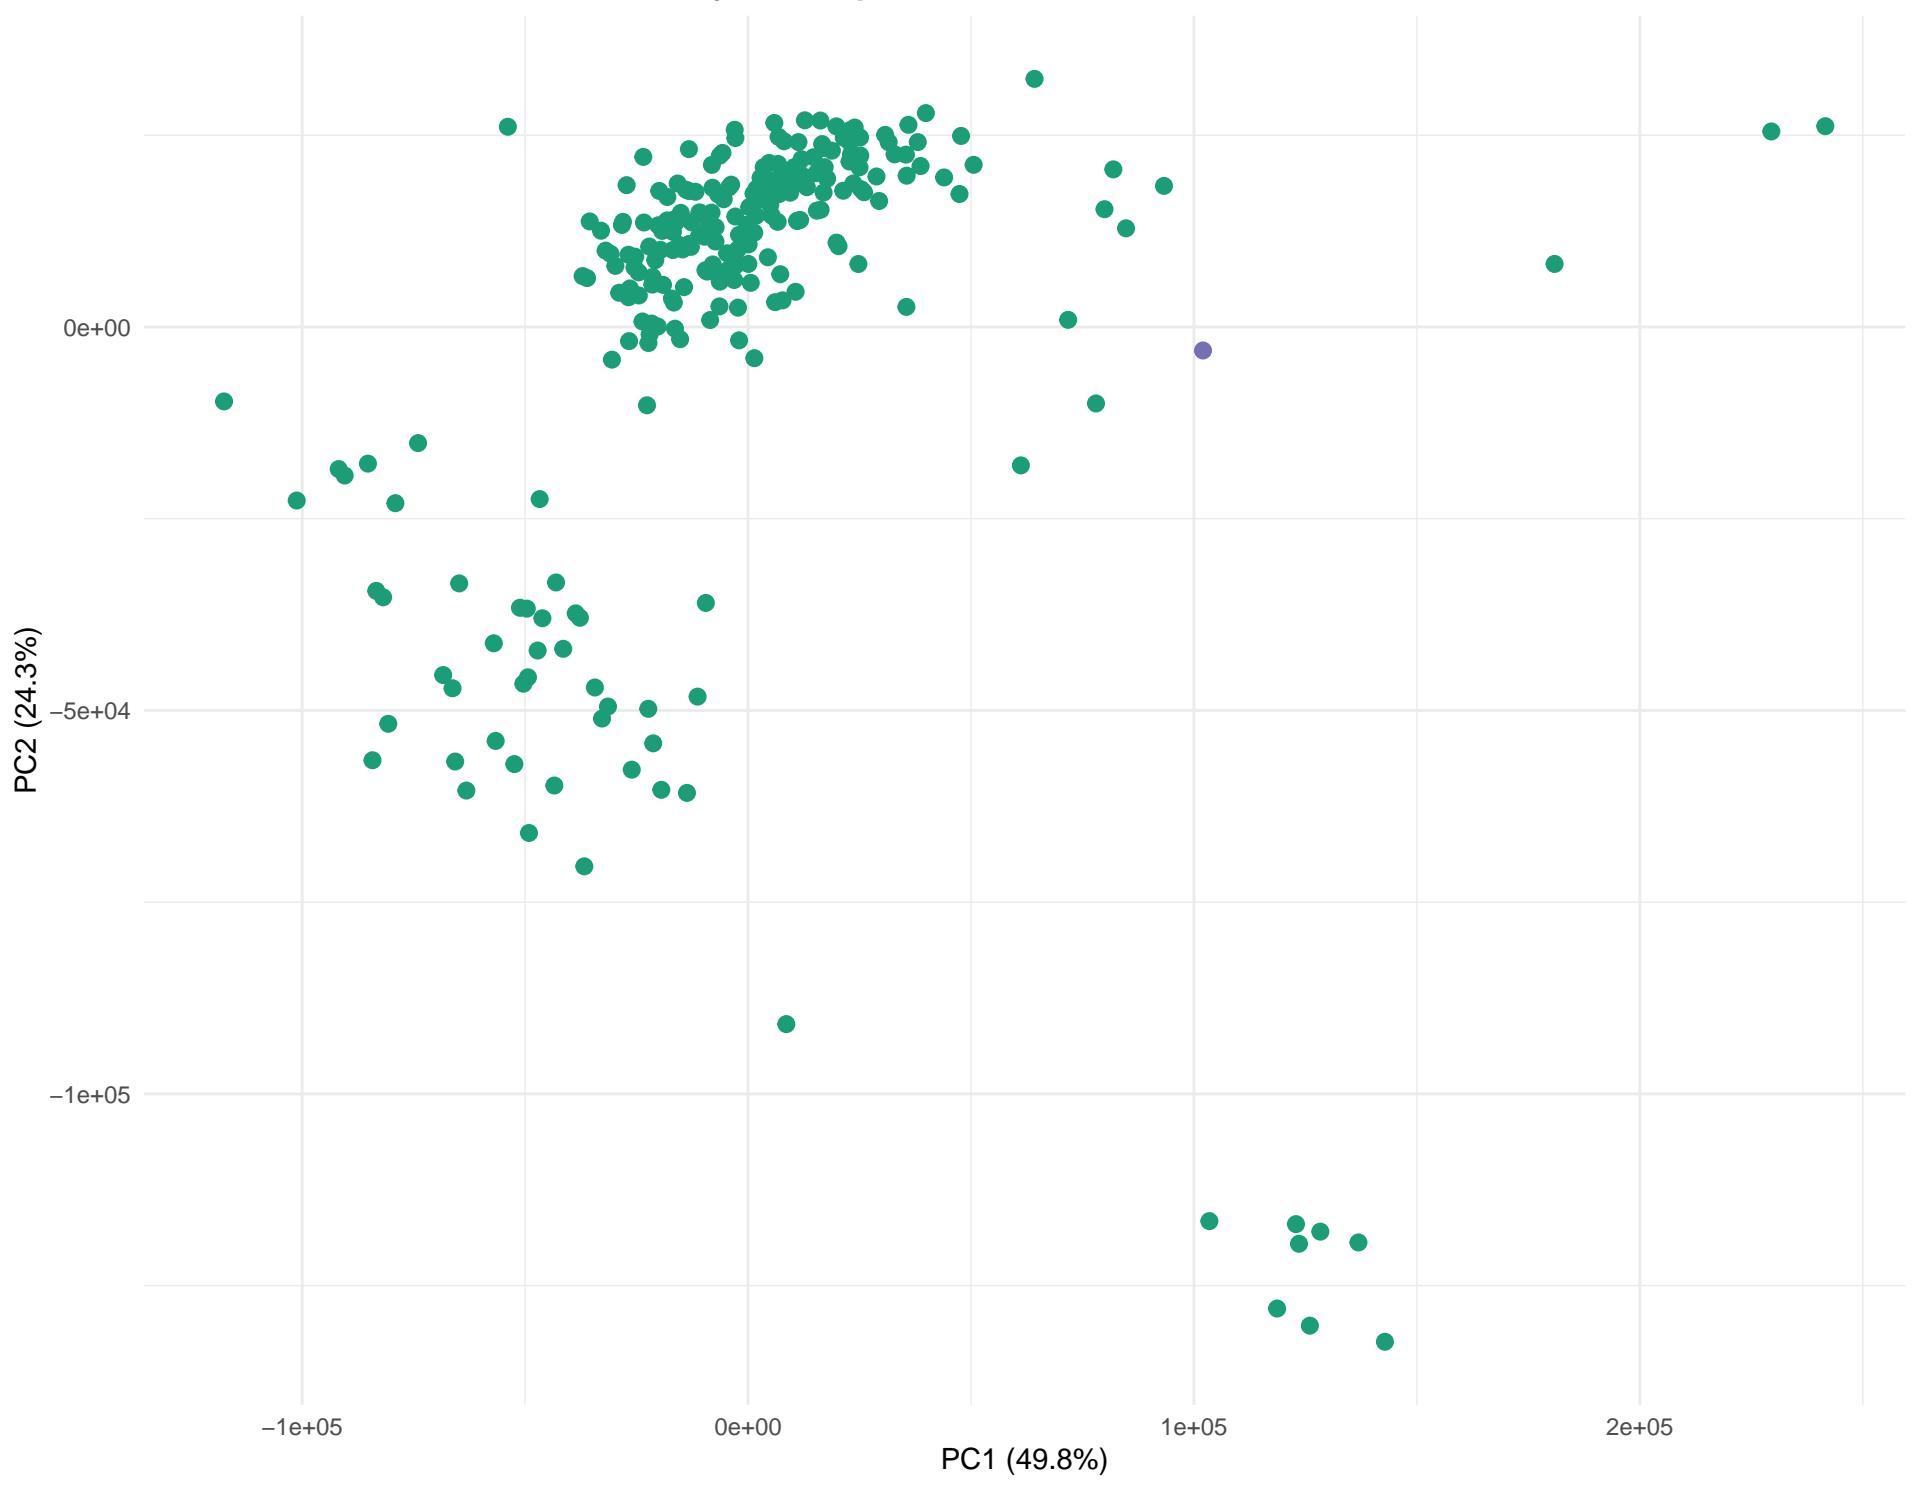

# Monocyte PCA por harmonized donor sex

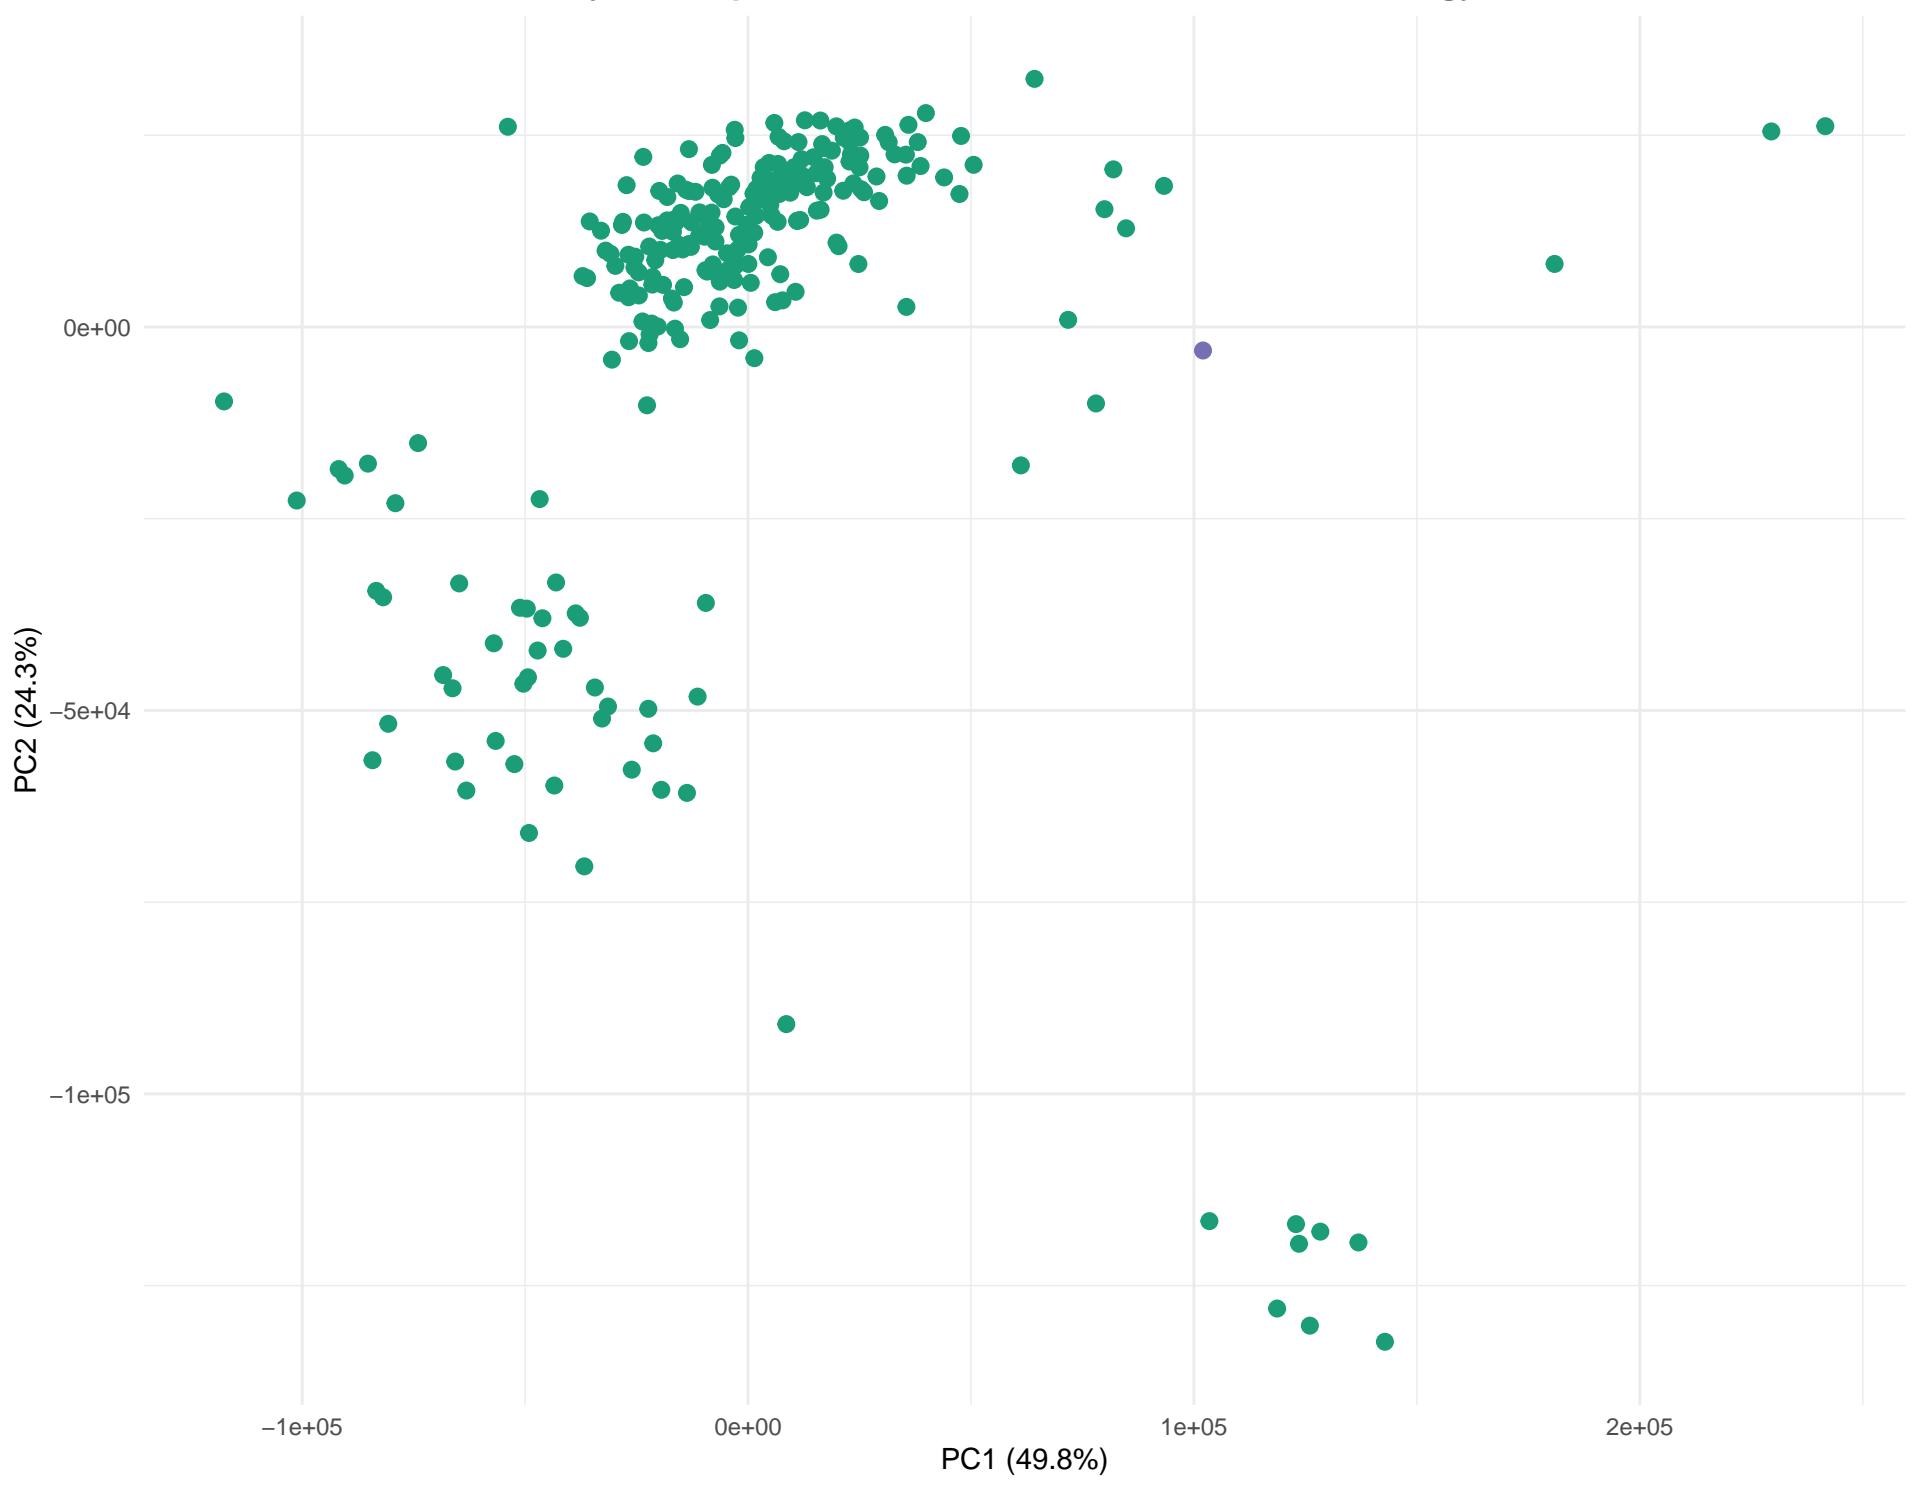

Monocyte PCA por harmonized donor sex uncorrected

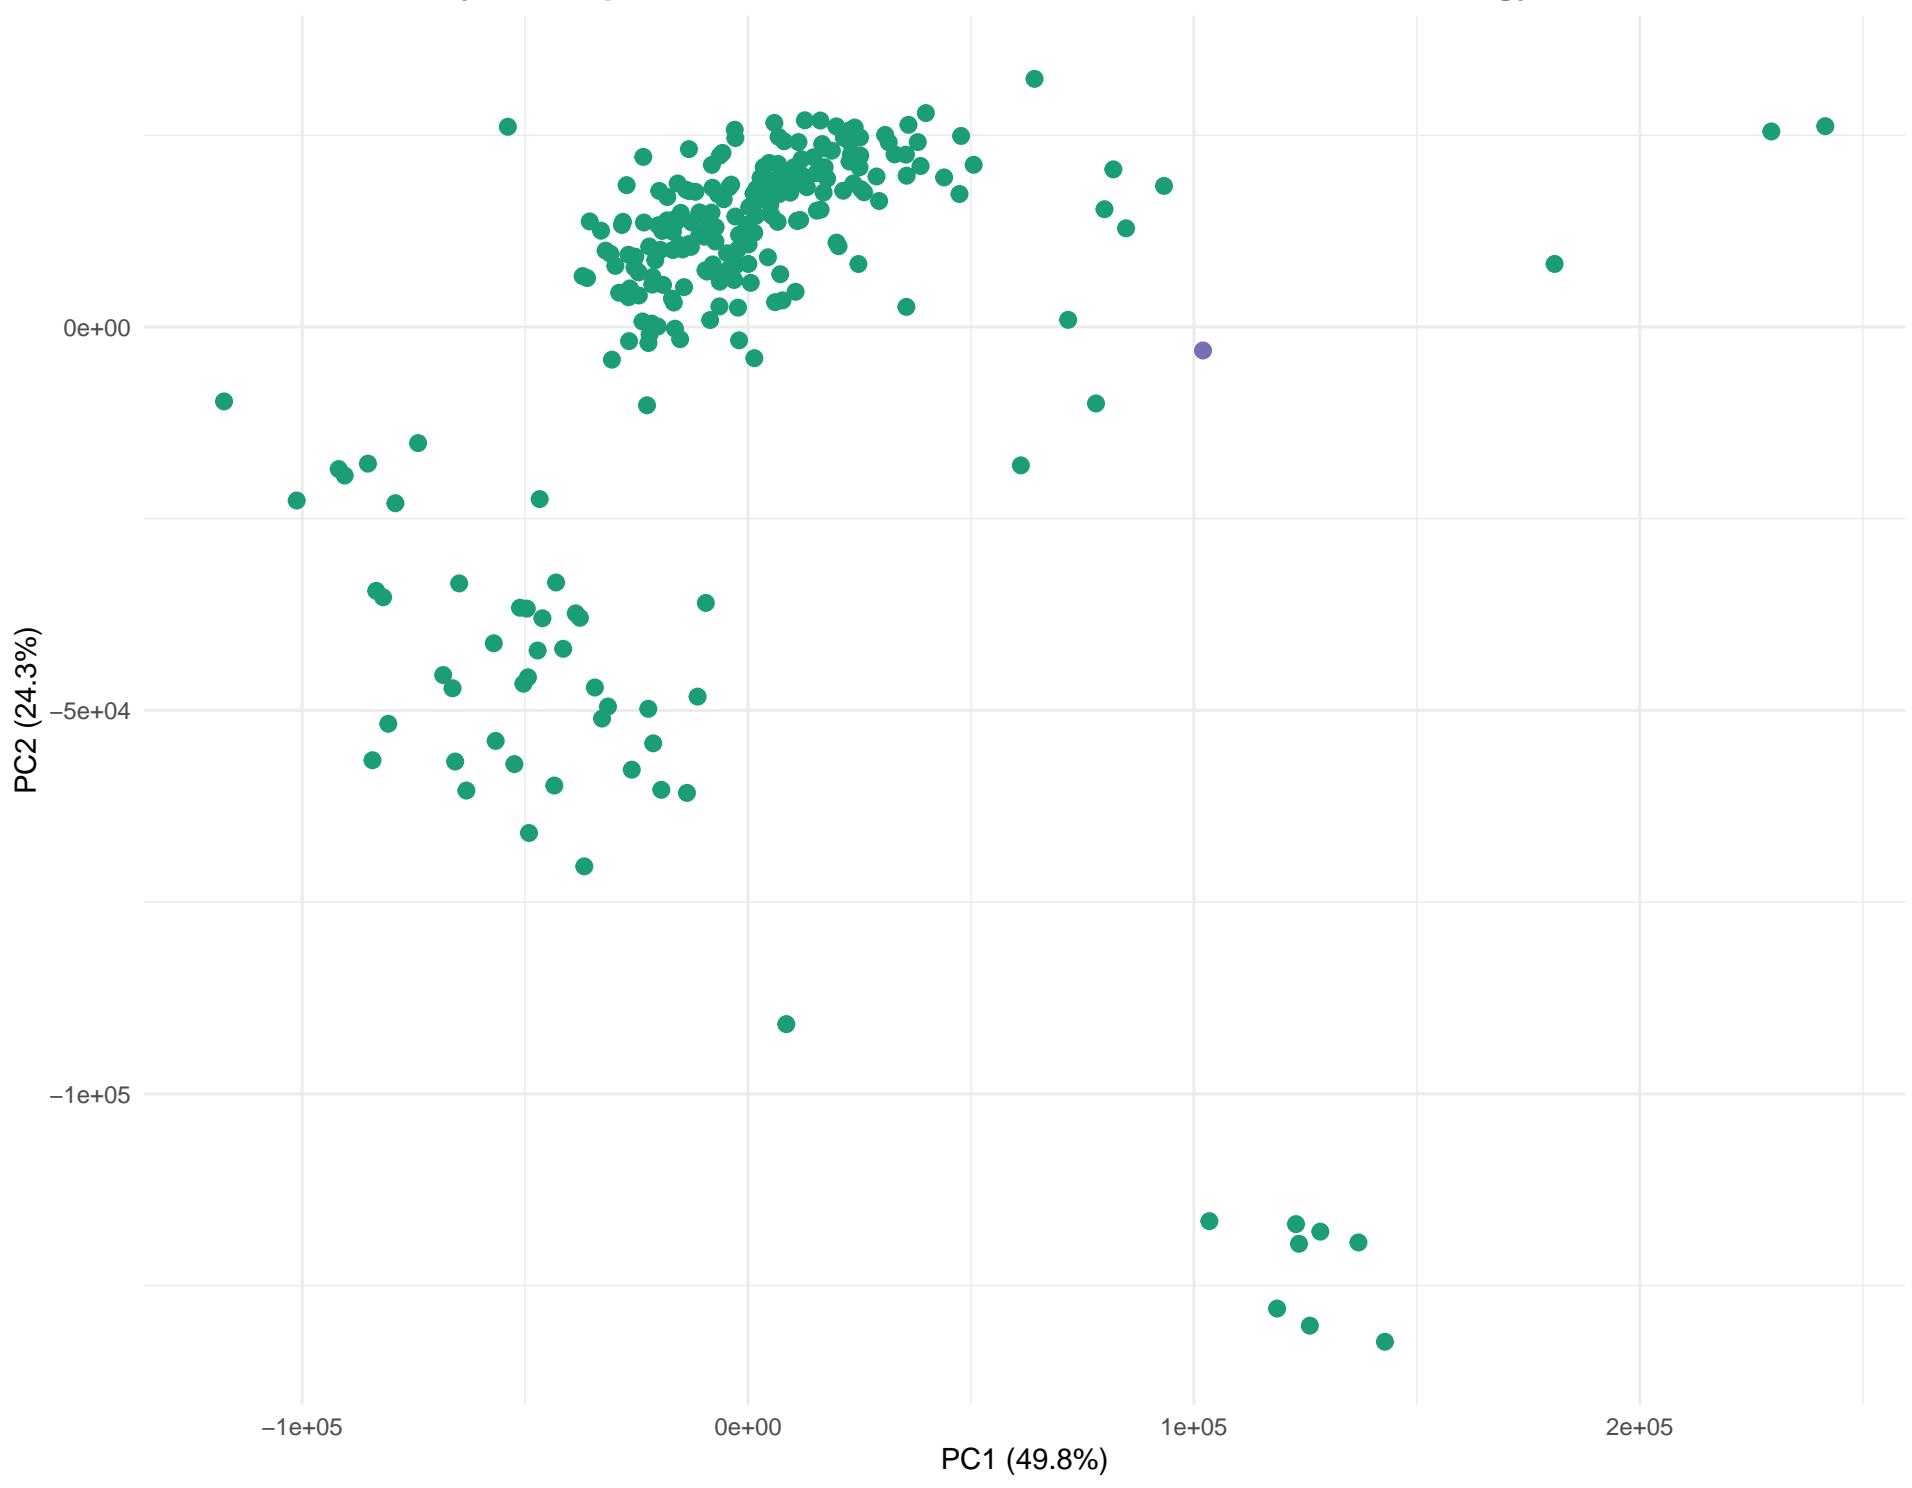

### Monocyte PCA por harmonized donor health status

# Monocyte PCA por harmonized donor health status ontology curie

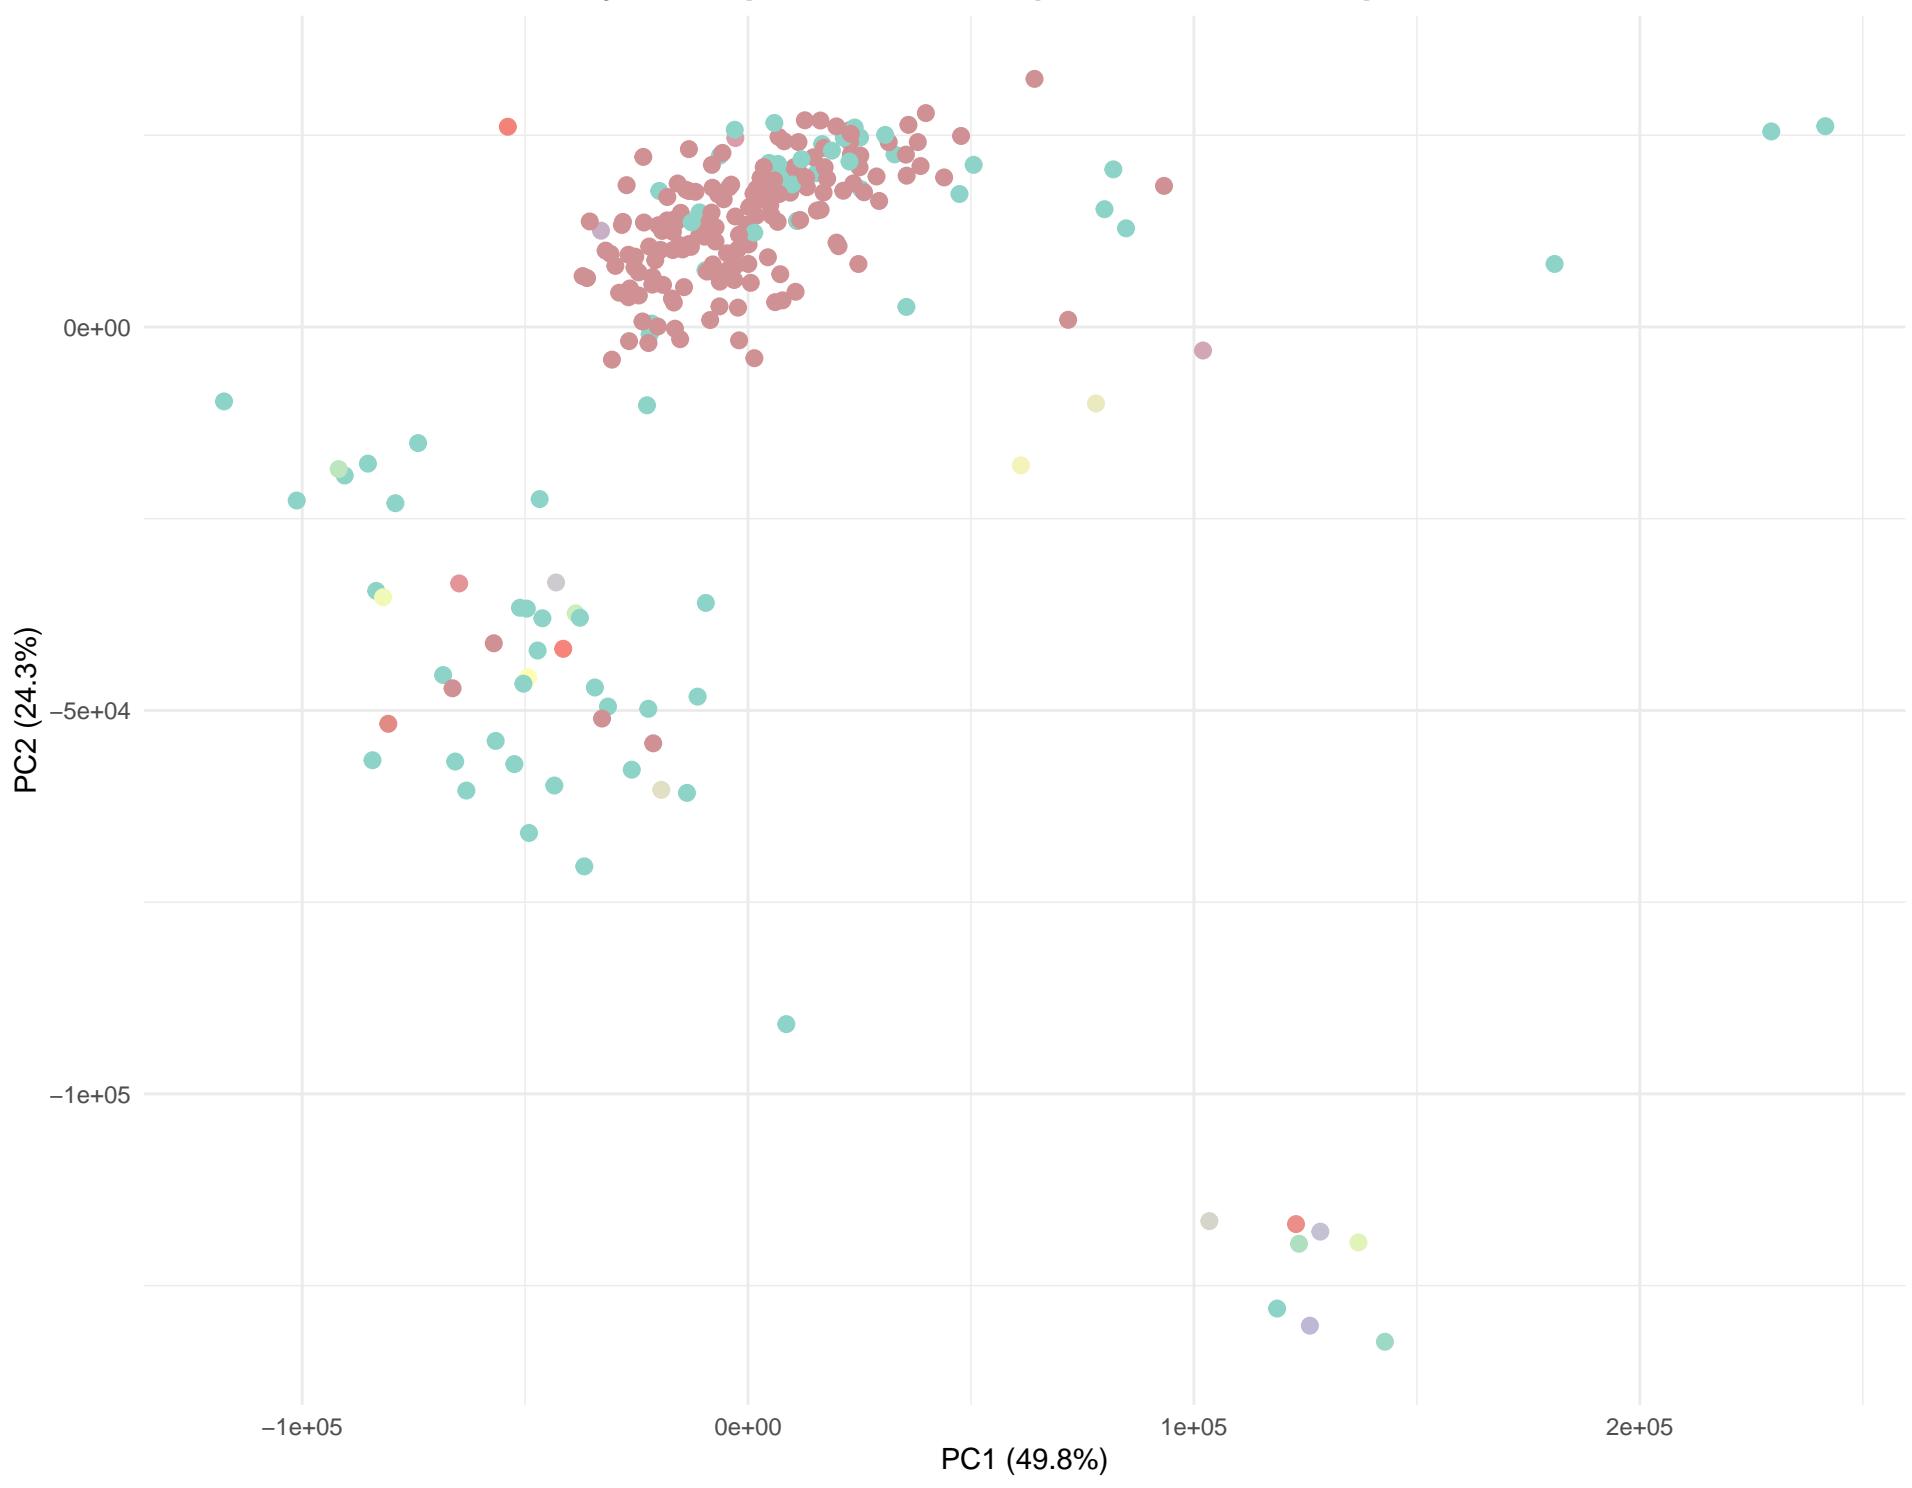

Monocyte PCA por automated harmonized donor health status ontology curie ncit

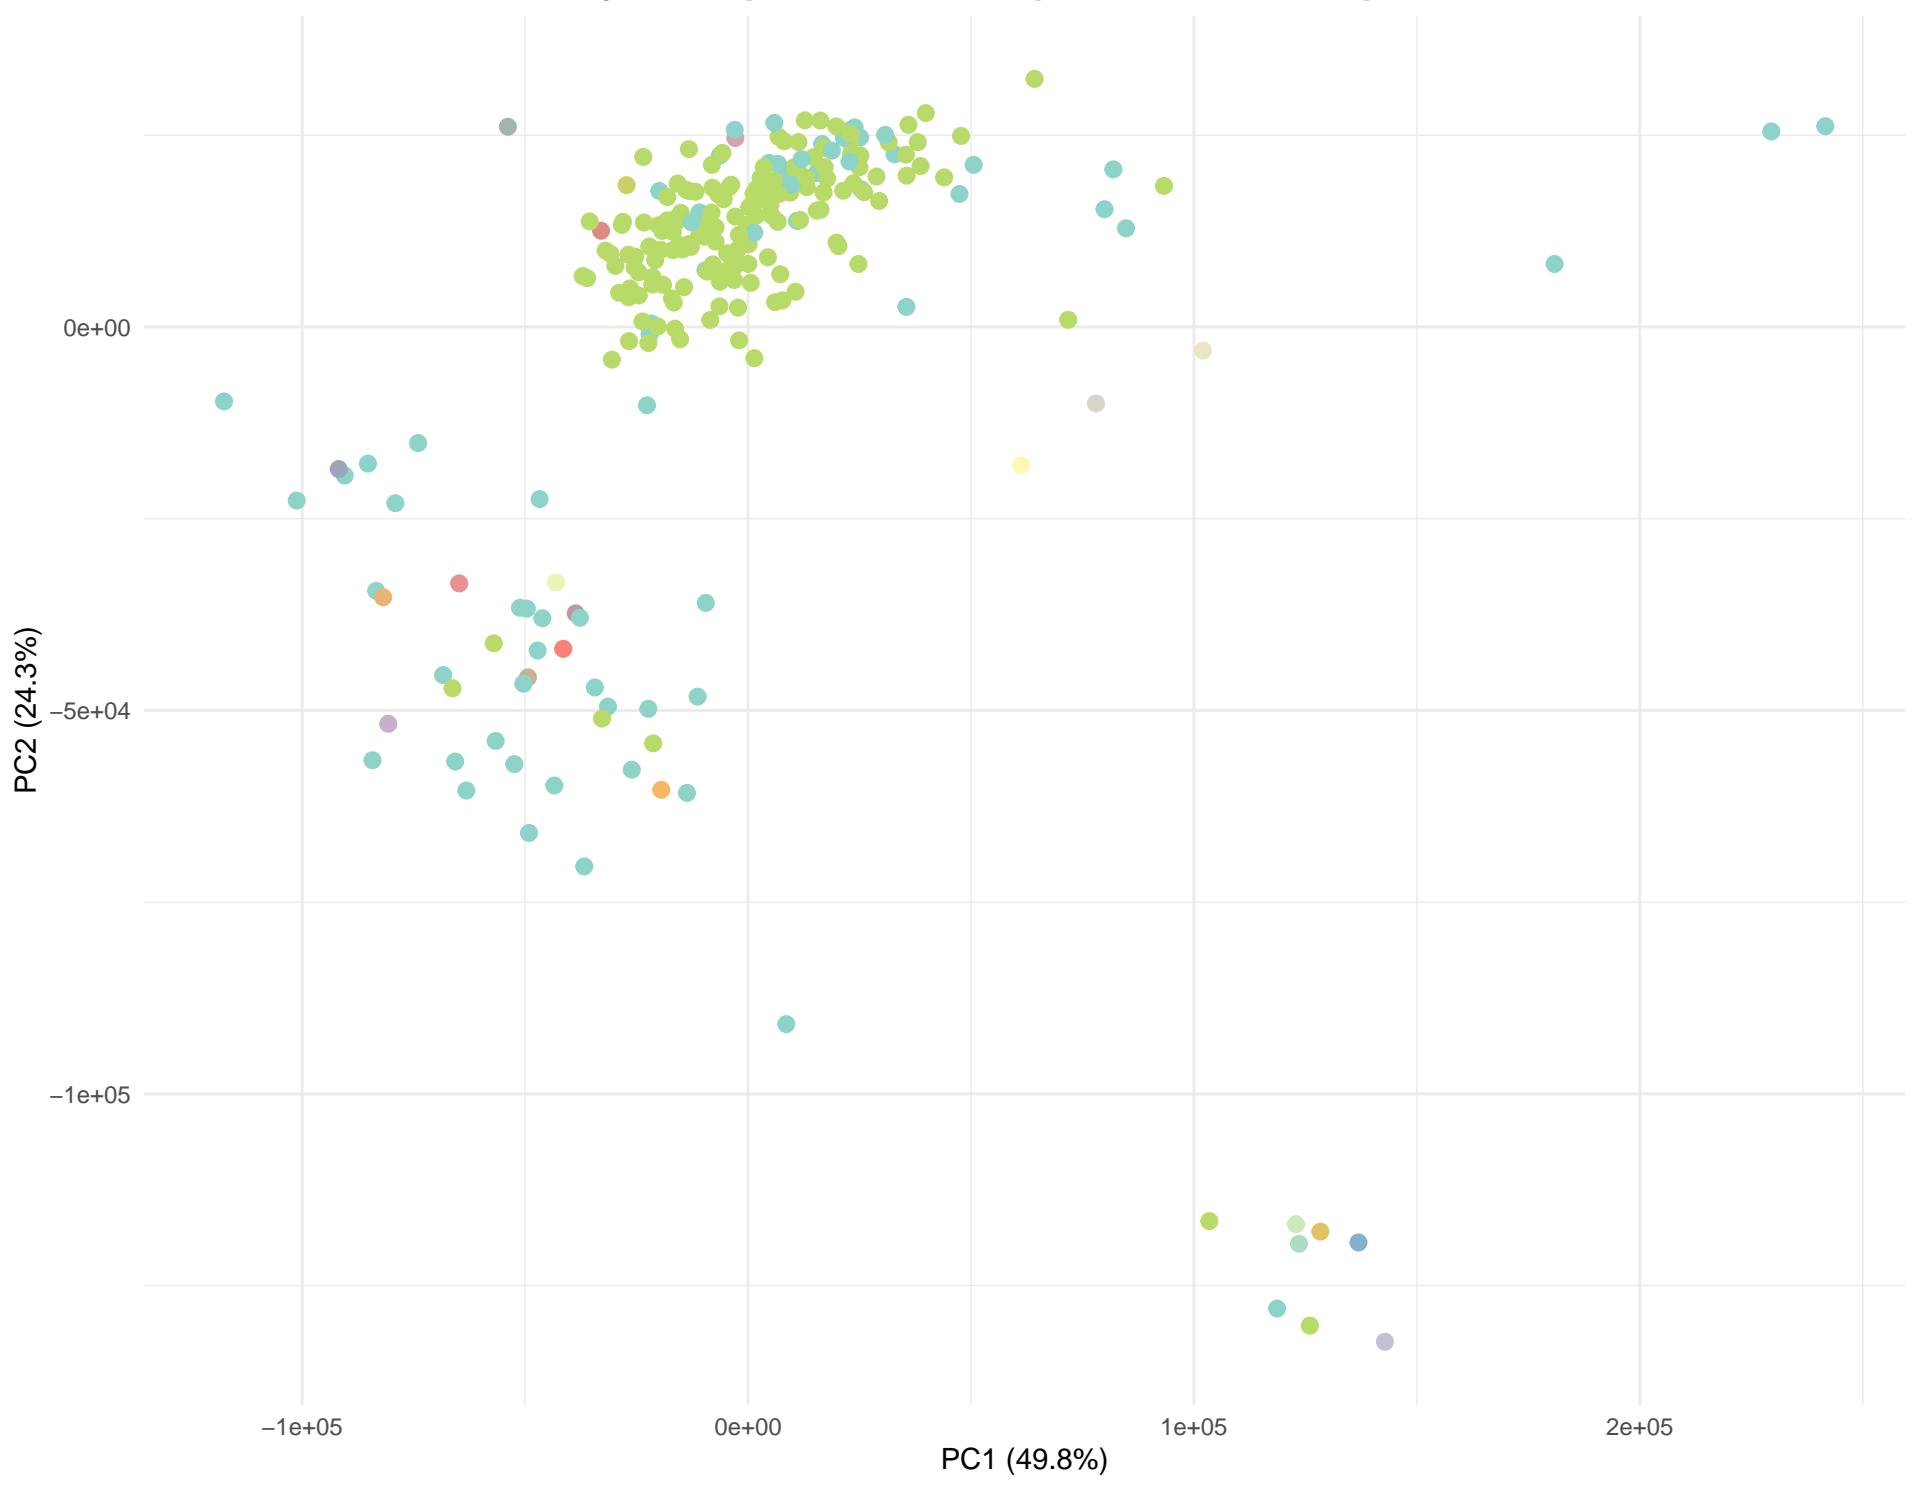

# Monocyte PCA por automated experiments ChIP-Seq H3K27ac

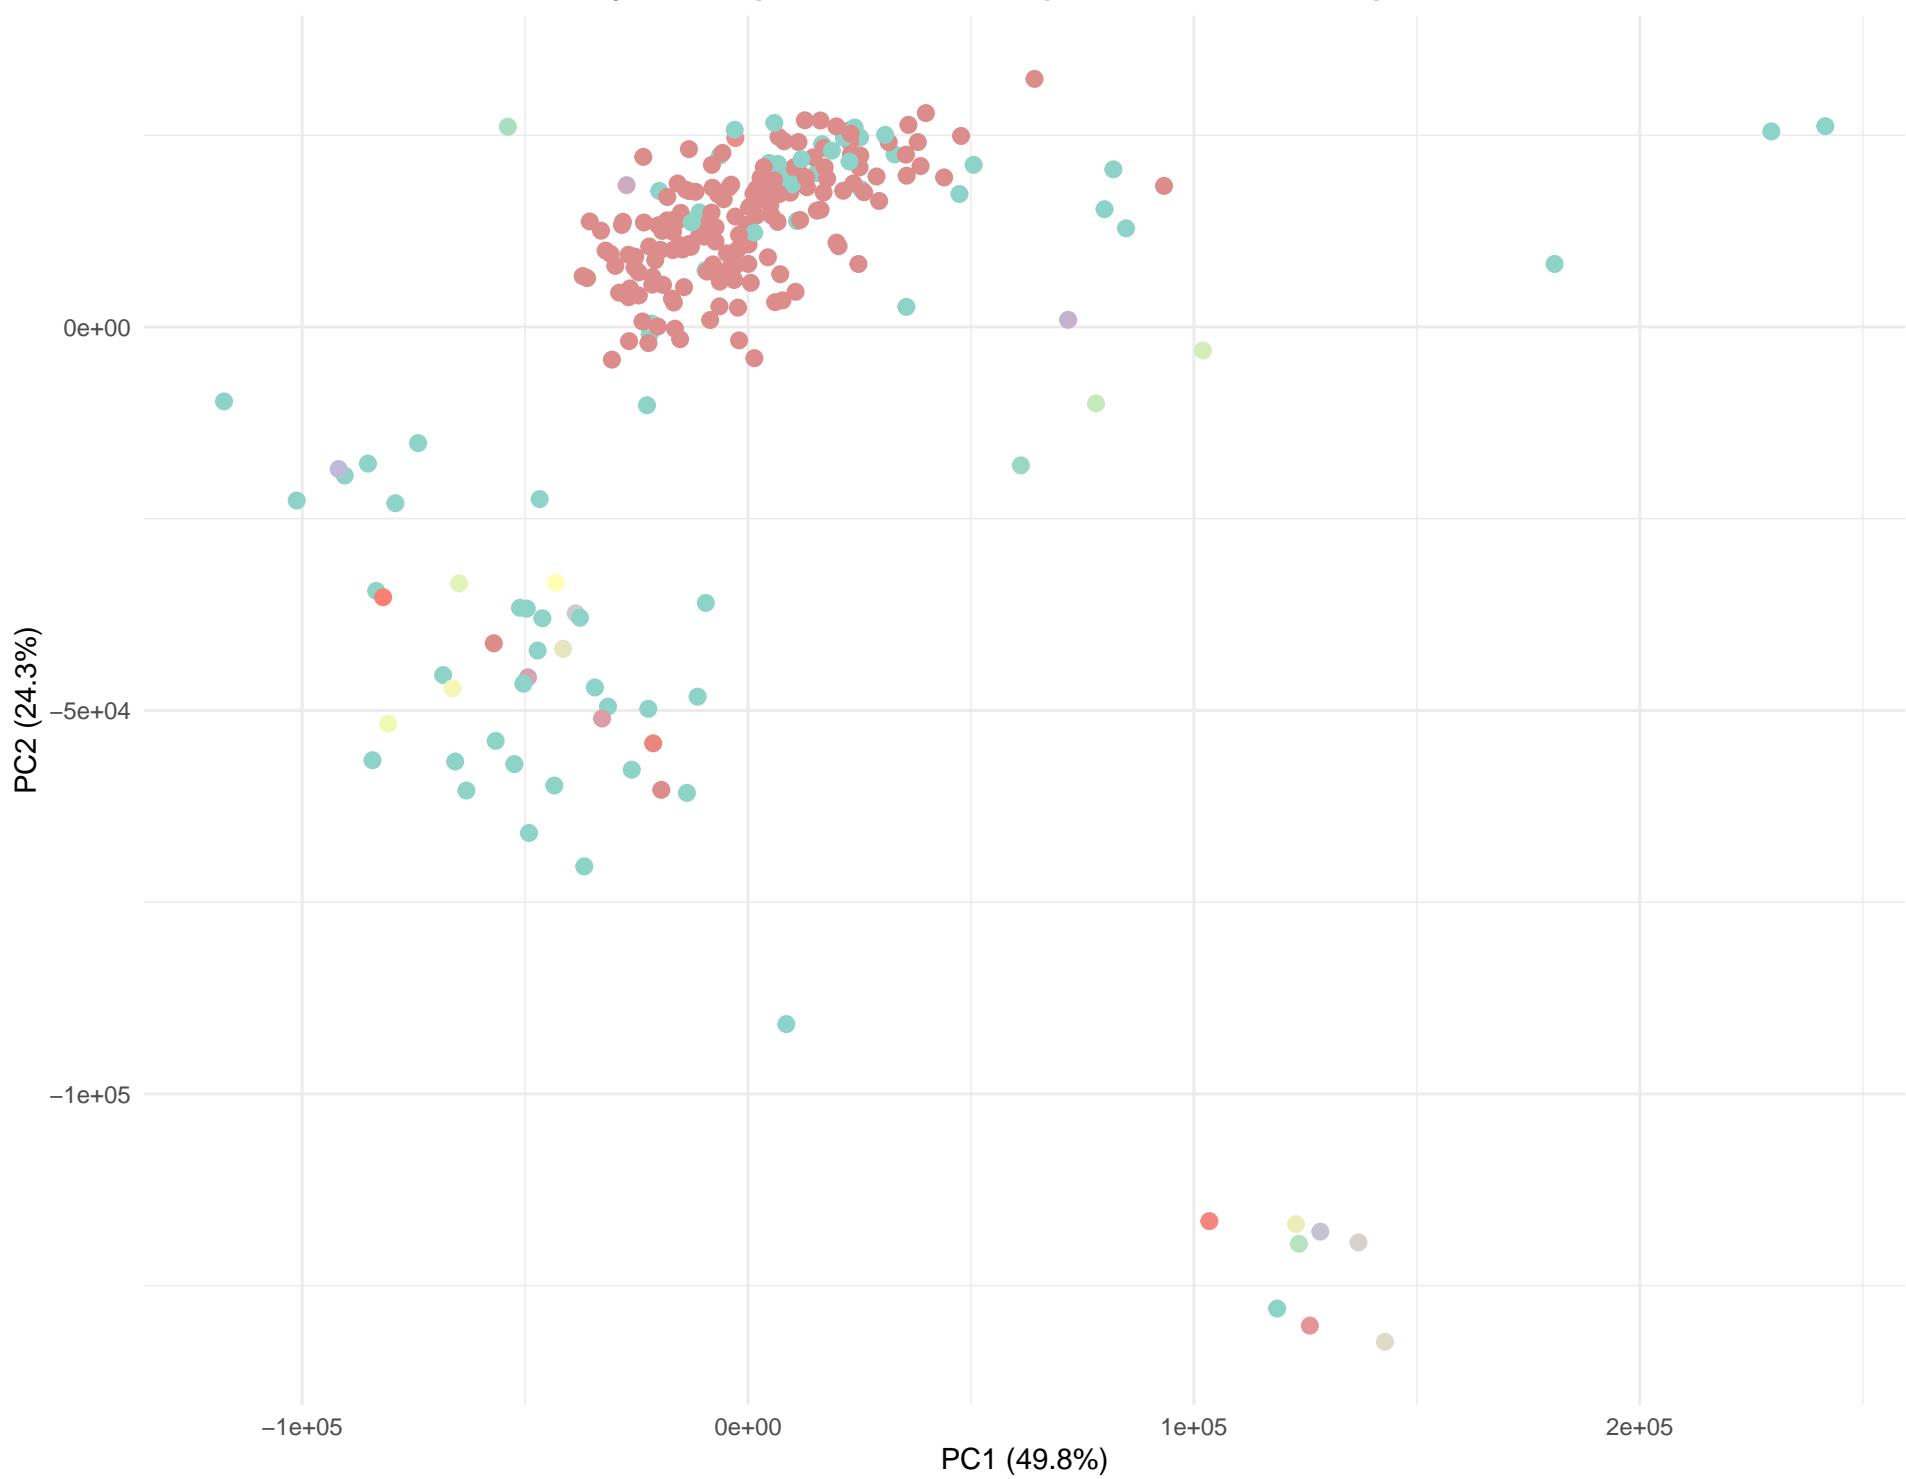

Monocyte PCA por automated experiments ChIP-Seq H3K27me3

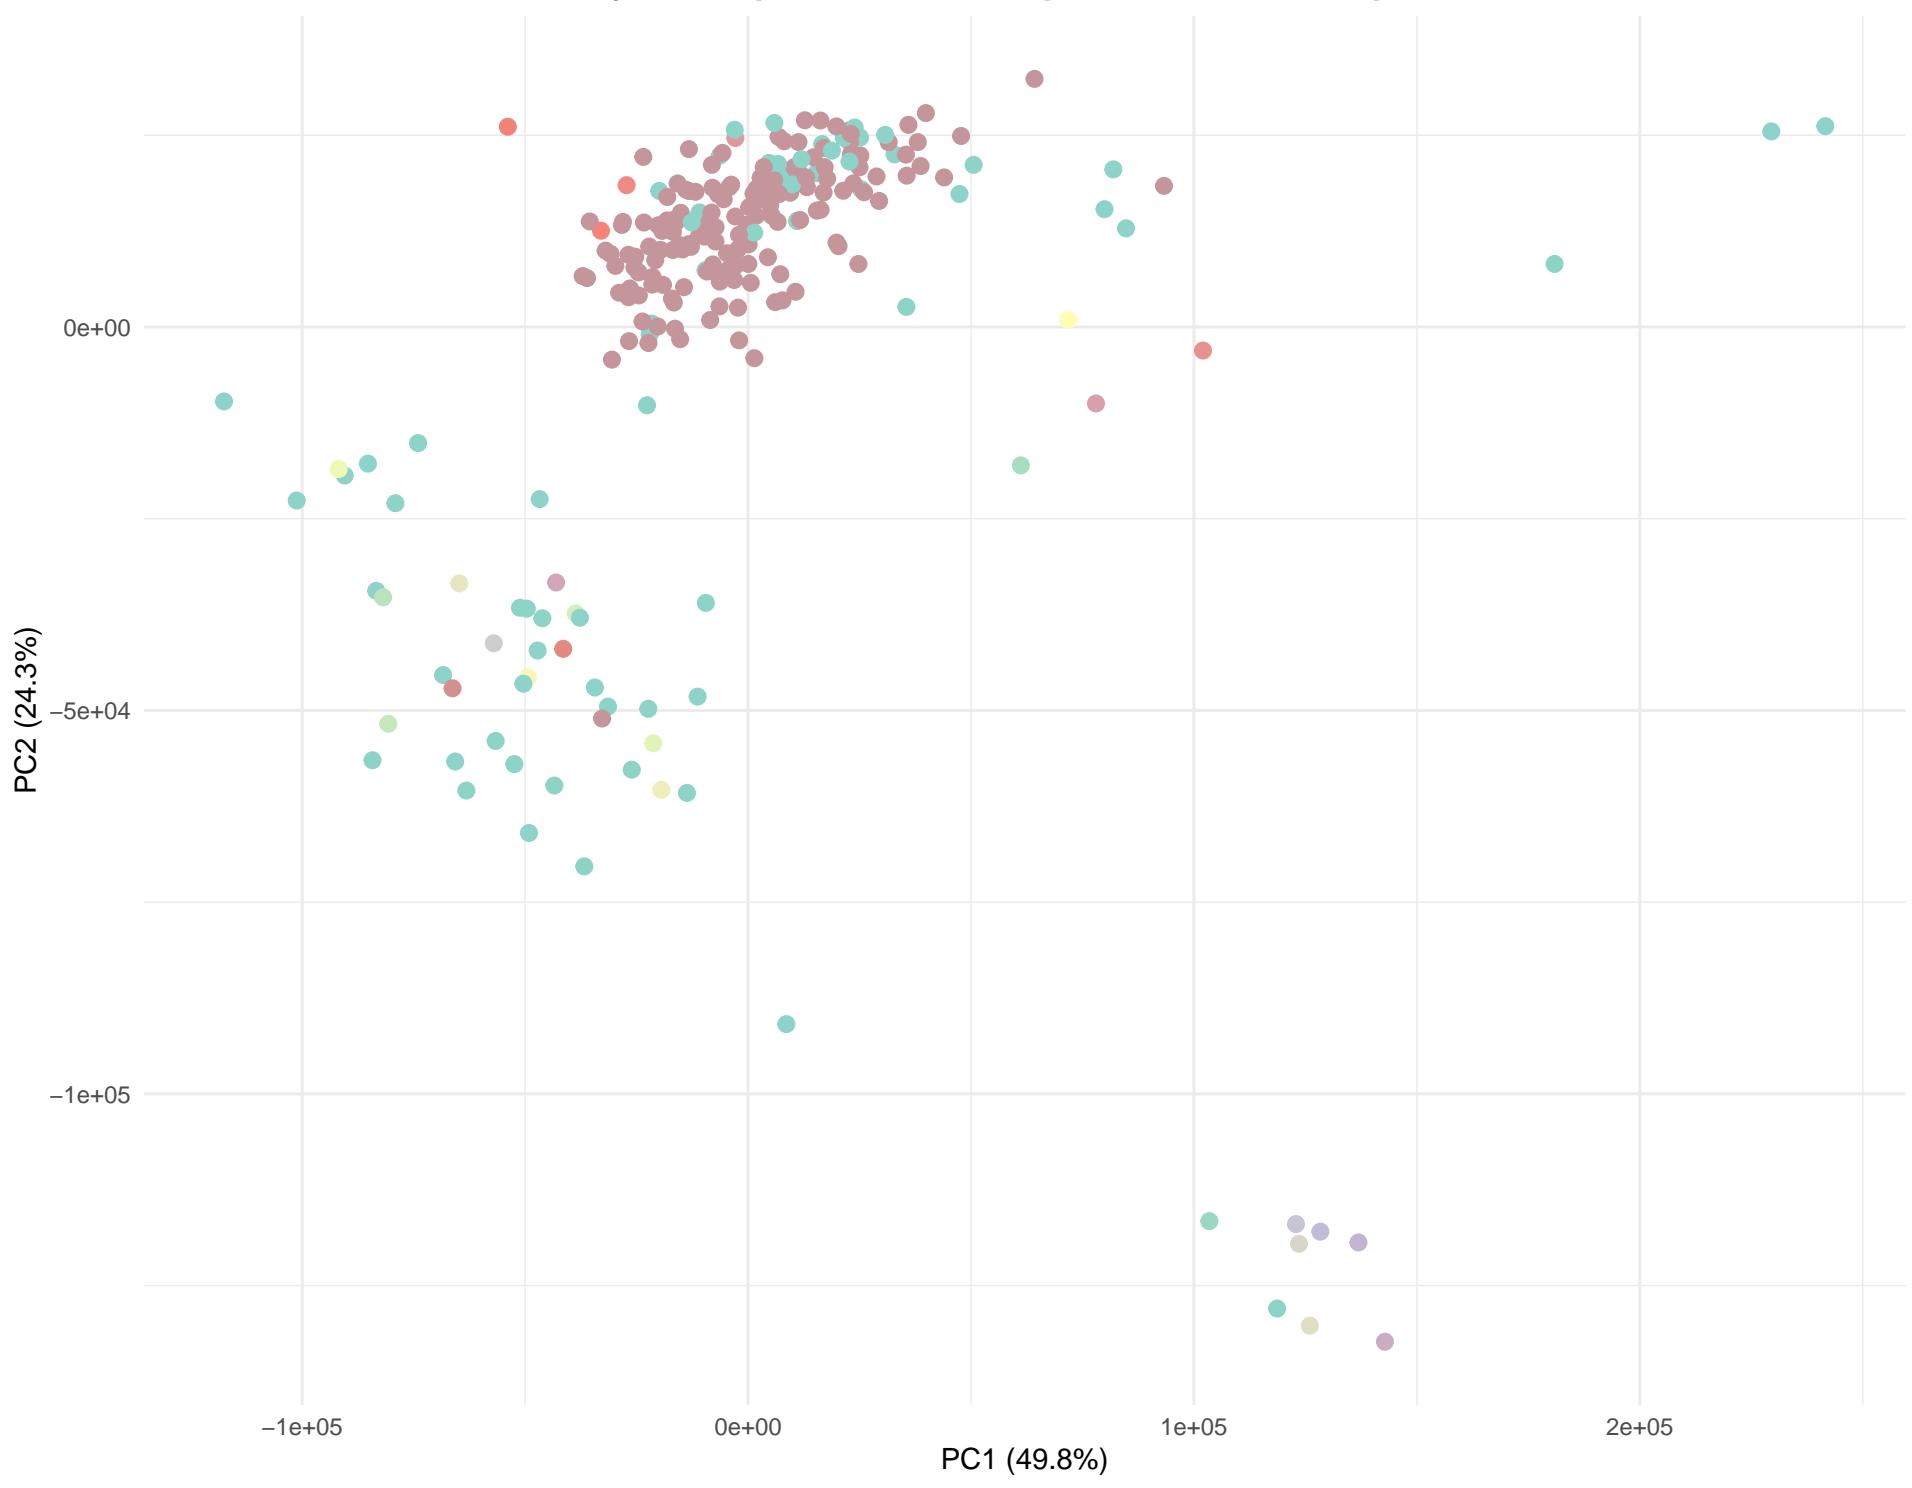

Monocyte PCA por automated experiments ChIP-Seq H3K36me3

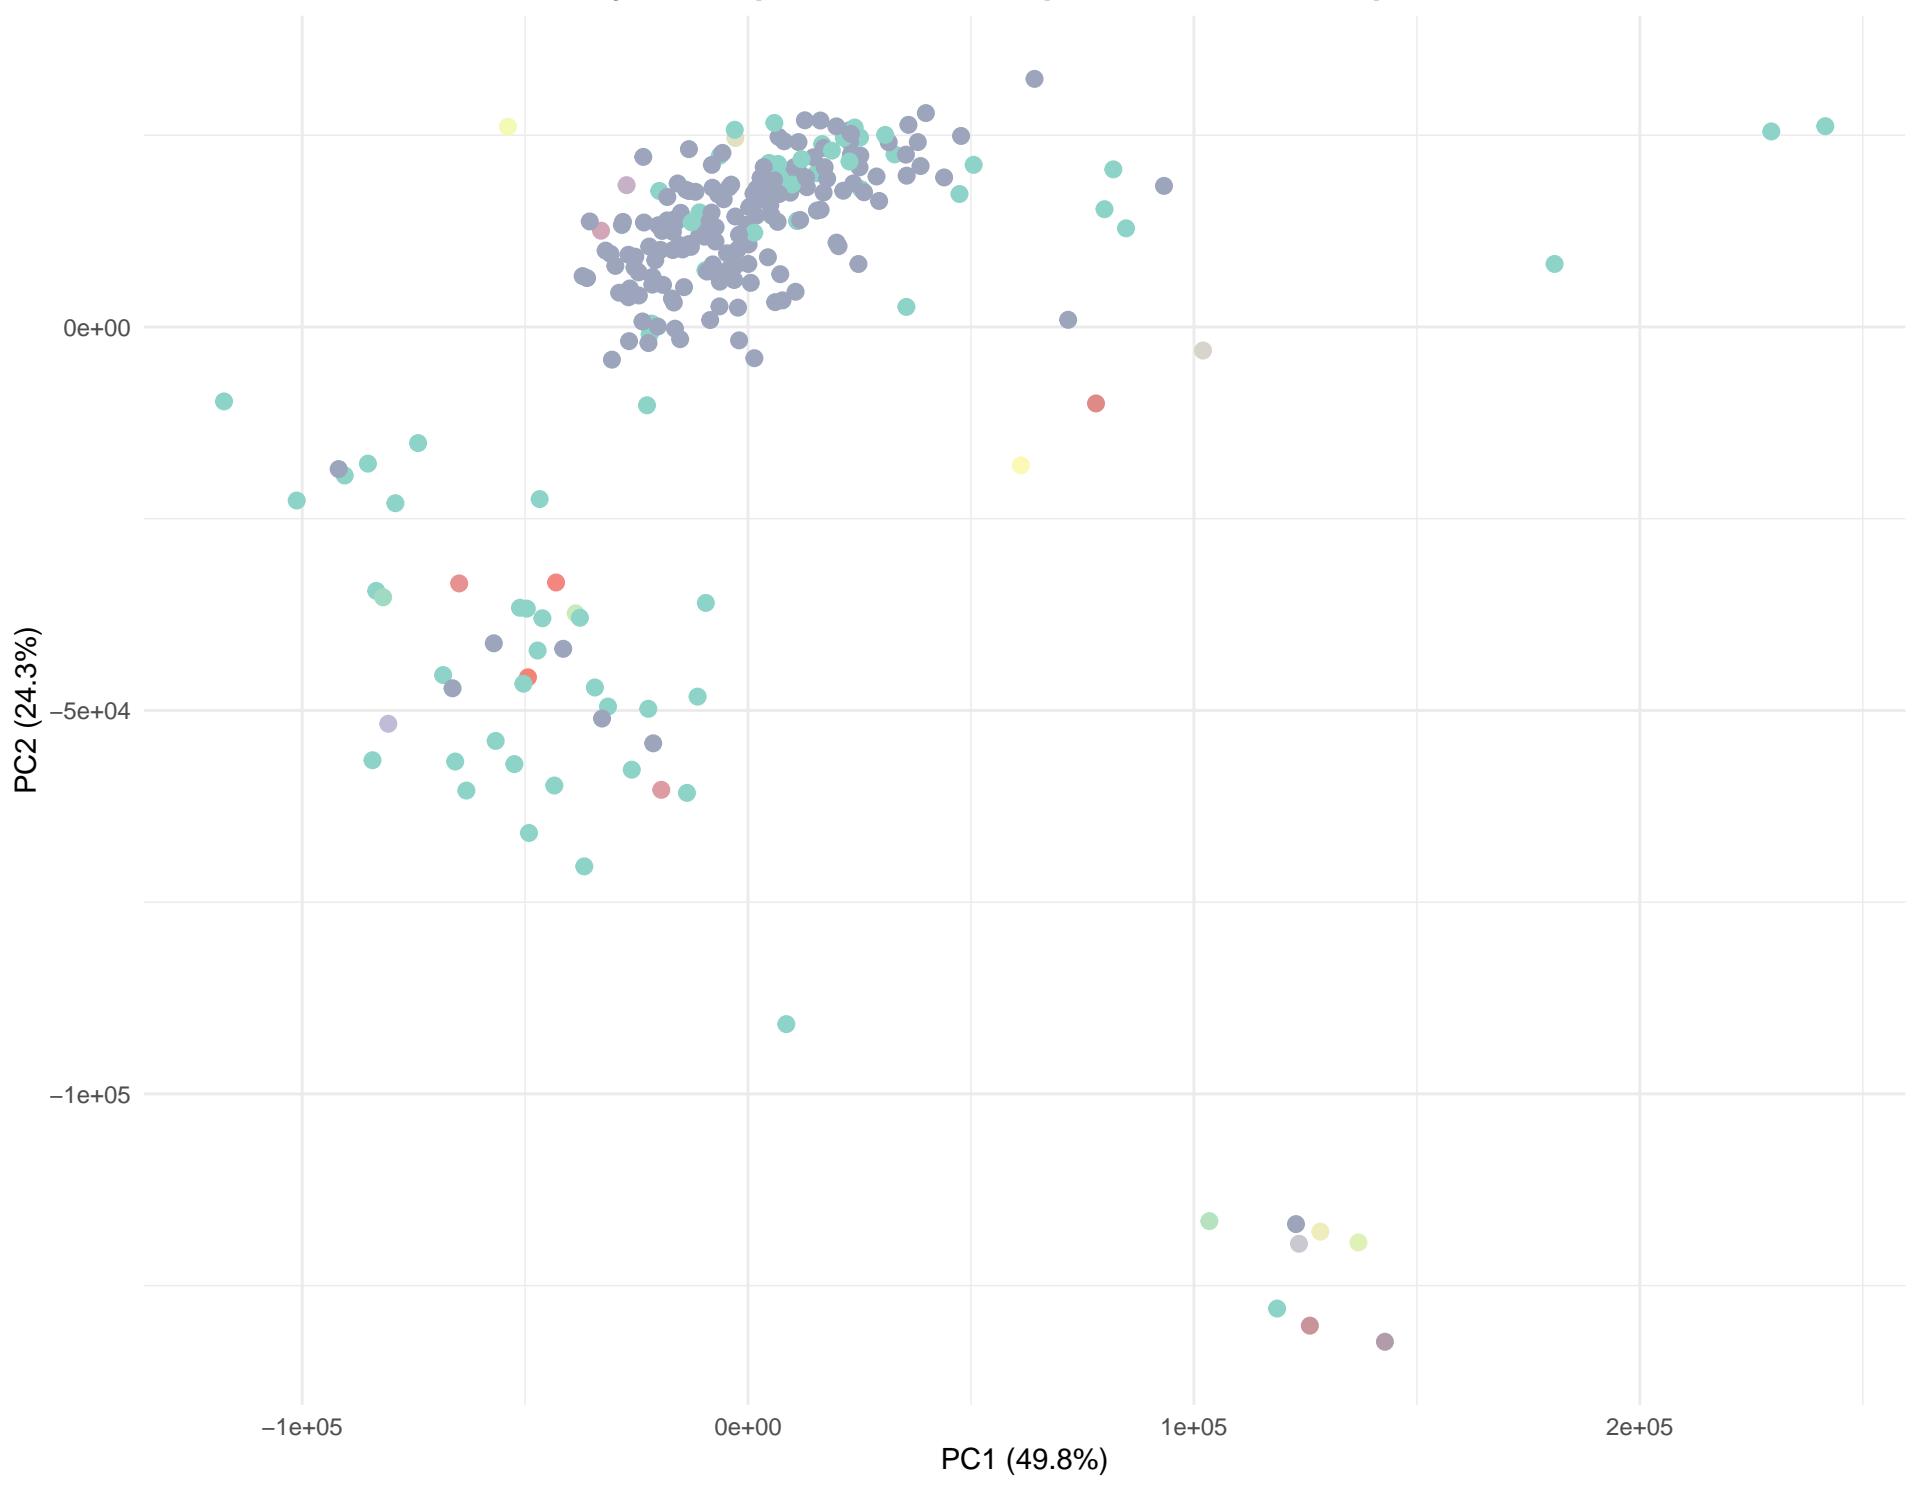

# Monocyte PCA por automated experiments ChIP-Seq H3K4me1

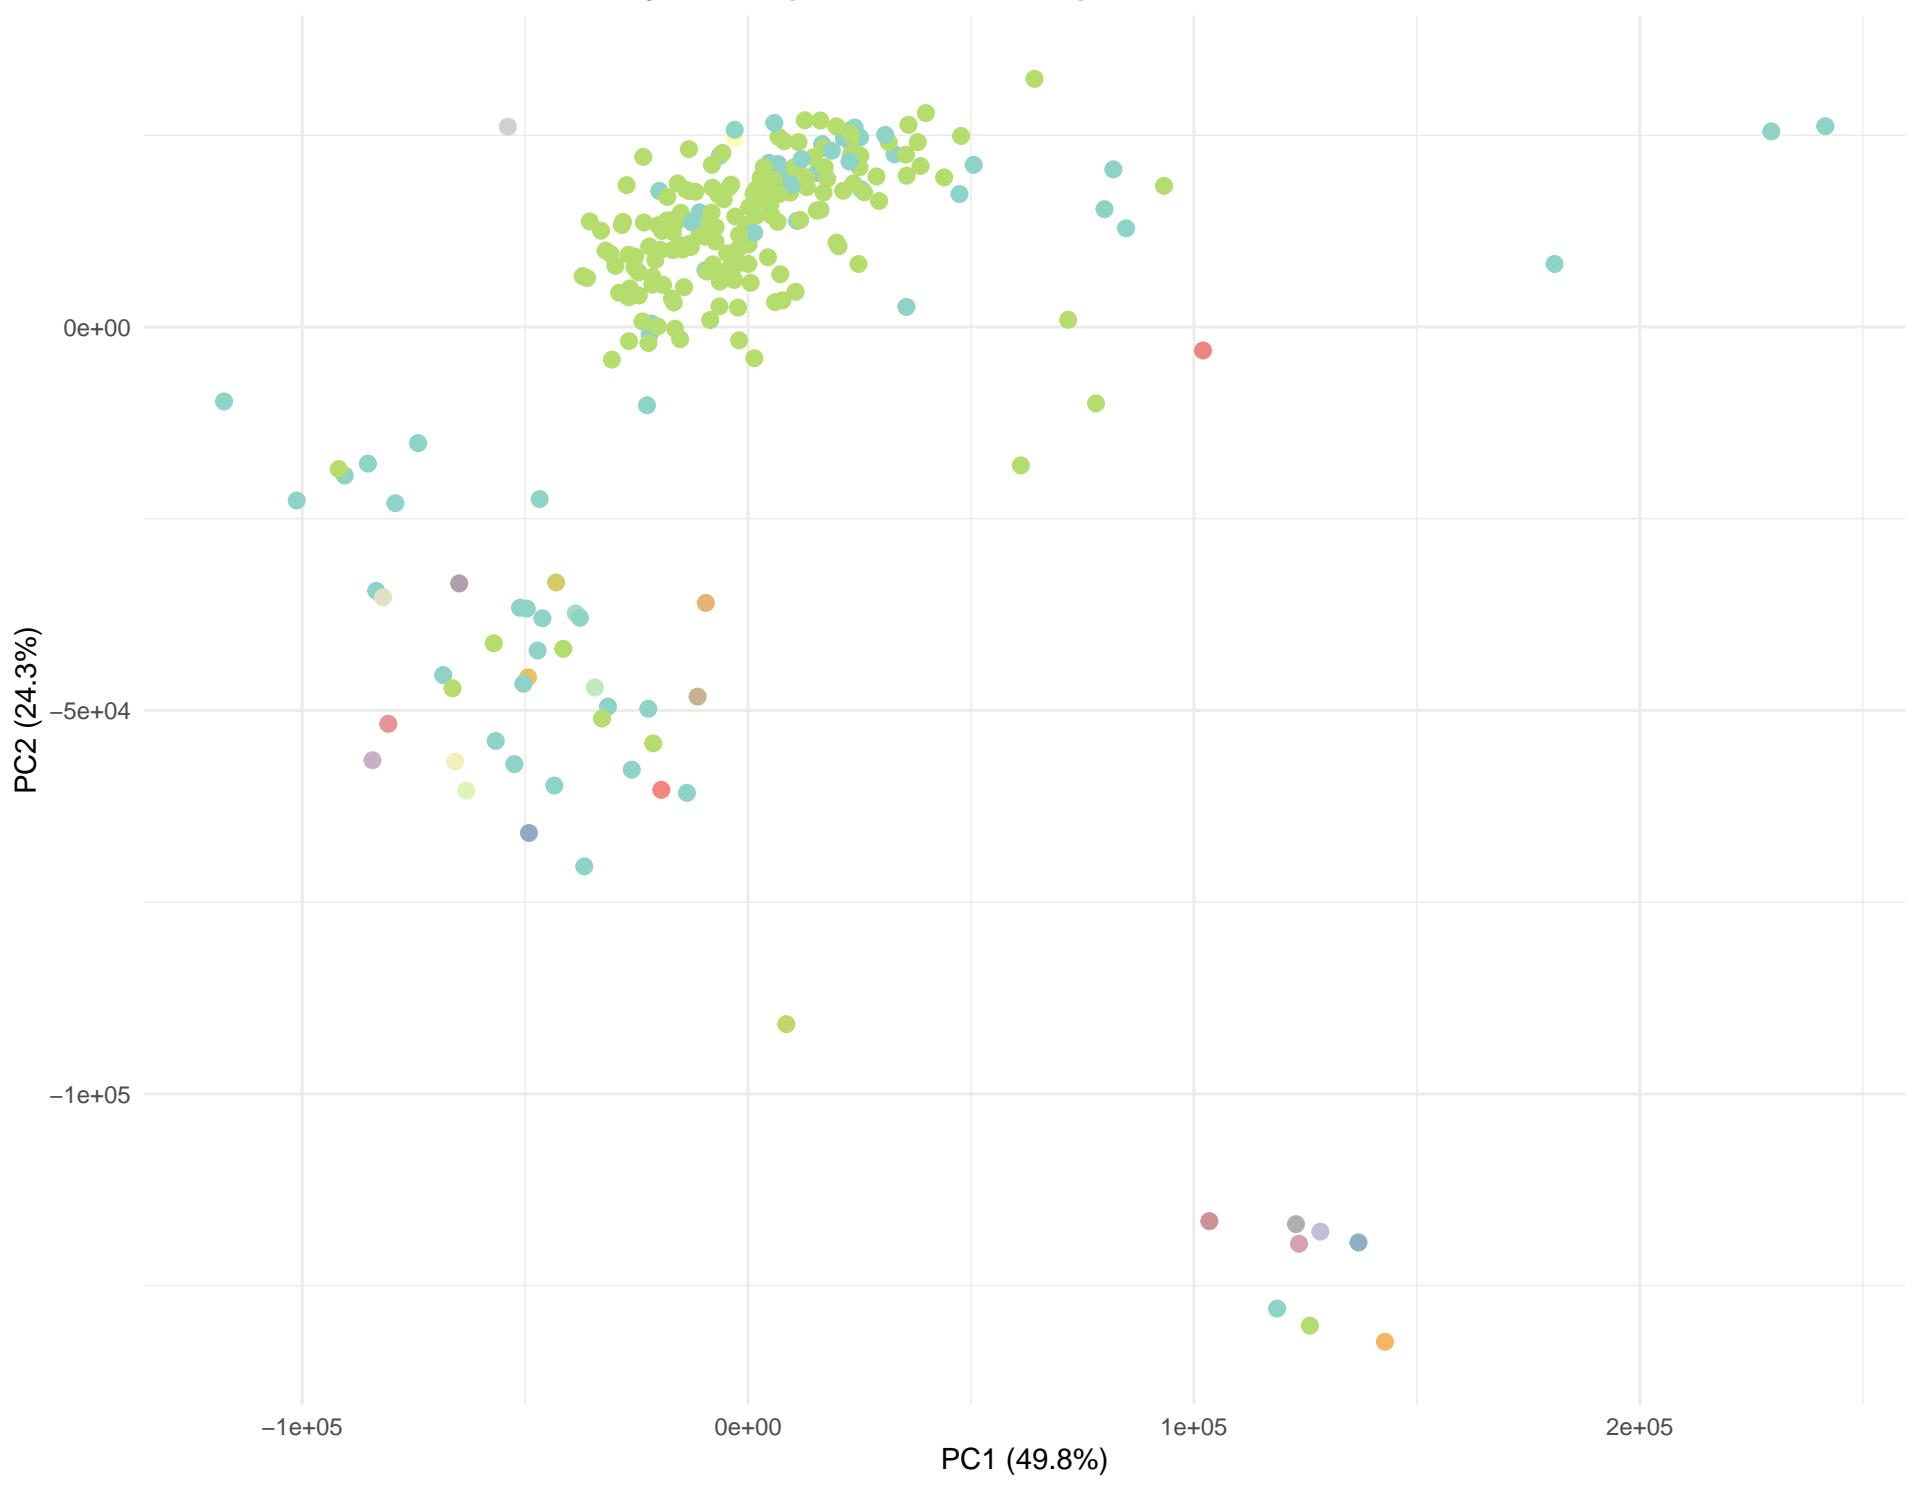

# Monocyte PCA por automated experiments ChIP-Seq H3K4me3

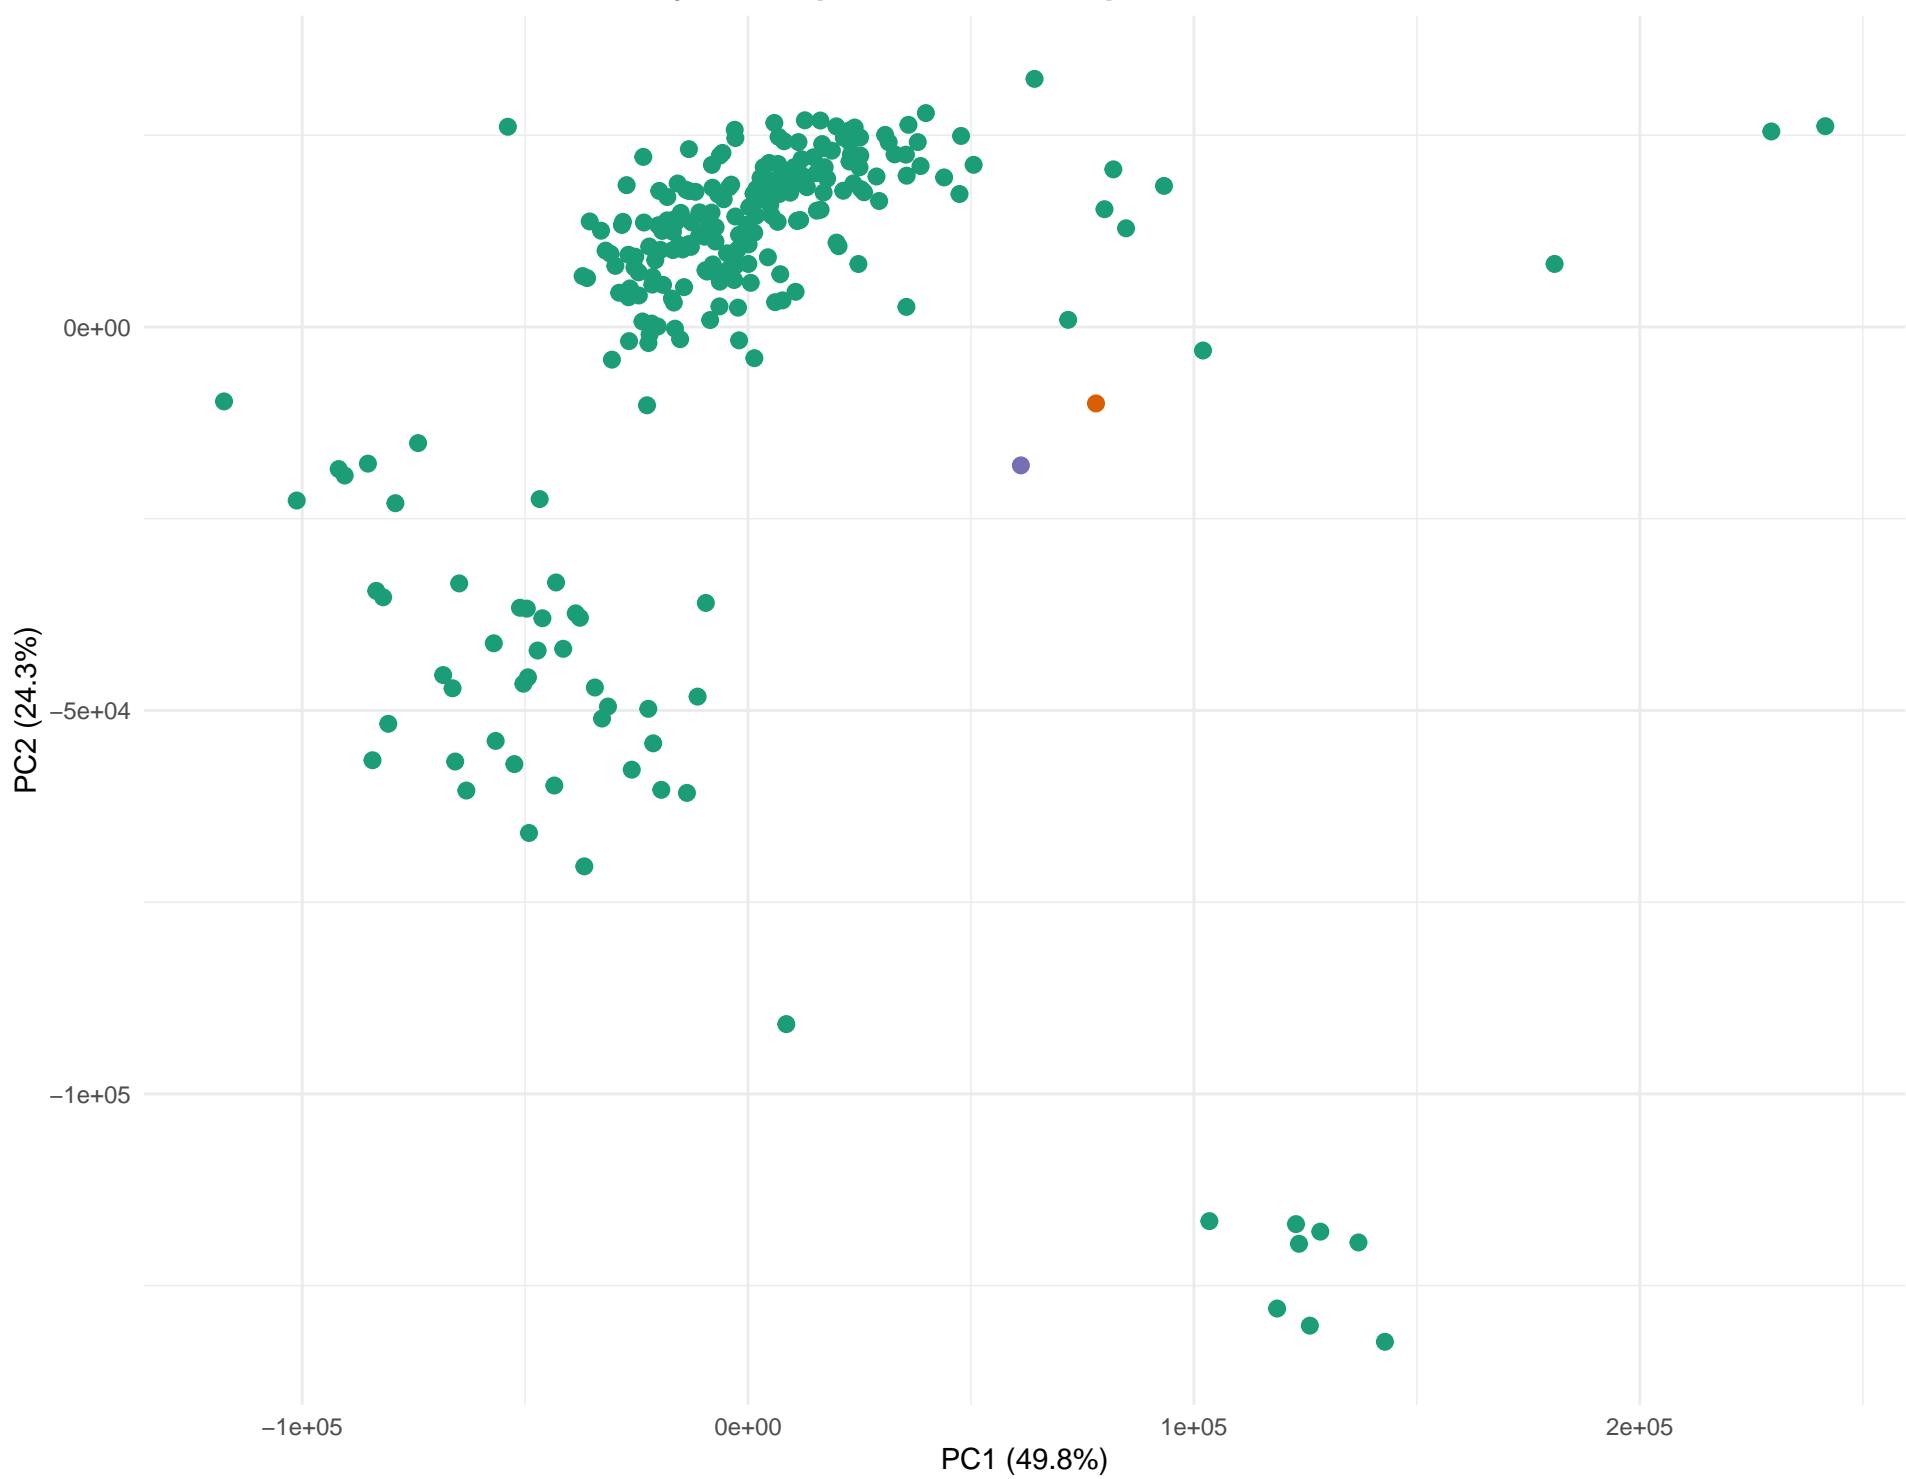

# Monocyte PCA por automated experiments ChIP-Seq H3K9me3

Monocyte PCA por automated experiments WGBS standard

# Monocyte PCA por automated experiments WGBS PBAT

Monocyte PCA por automated experiments RNA-Seq mRNA-Seq
